EXT. CITY - EVENING

BLACKOUT:

There is silence. Over a radio, we hear PVT SCOTT:

<u>PVT SCOTT</u> (Yelling) Sir, we have a visual, over!

SUPER FAST FADE-IN TO:

A Street littered with overturned vehicles. The street is narrow and the houses on either side of the street are on fire.

Grenades are thrown and exploding.

Overhead, a large commercial jet swoops low and dives in the distance following a deafening eruption.

(NOTE: The entire short is in POV from TREY RAMZALEZ)

TREY RAMZALEZ runs down the street. Thick, heavy smoke lingers near the end of the street.

Seven Soldiers sprint towards the end. An army helicopter 'whooshes' overhead.

TREY runs towards an overturned jeep. He turns to his right to see a Solider beside him get shot in the head.

TREY cocks his head towards the smoke. Heavy fire bursts and bullets spray the street.

Trey crashes against the metallic jeep. Up the street seven soldiers get shot down immediately.

TREY lifts his Radio

SGT TREY RAMZALEZ (Yelling) Pull out! Pull out! It's getting too hot!

> <u>PVT SCOTT</u> Sir! We nearly have him!

> > SGT TREY RAMZALEZ It's too heavy!

A grenade is thrown near TREY. Who leaps, grabs it, and throws it towards the smoke. The firing has suppressed for a bit.

Silence follows.

Suddenly, an army Helicopter spirals overhead. One soldier is clinging on the sides and lets go and is cut by the spinning blades. It then drops up the street and explodes violently. Soldiers near the blast get thrown in the air and hit the ground.

TREY gets up and sprints towards the smoke and it's blinding.

TREY begins to breathe heavily.

A sudden noise makes TREY turn around. In a few yards away he sees a few crates.

<u>PVT SCOTT</u> (Whispering) Sir, are you in the smoke?

TREY lifts his radio:

<u>SGT TREY RAMZALEZ</u> (Voice Lowered) Yes, over. Are you?

> PVT SCOTT Yeah over

<u>SGT TREY RAMZALEZ</u> Make it to the other end.

TREY walks up towards the end taking soft steps. The smoke dims a little. Suddenly, he jogs and runs. He arms his weapon ready for a fire-fight.

He runs towards the end of the smoke to a view of a city. Smoke blankets the city and ash drifts like snow on the ground. Fires everywhere and in the distance a building collapses and white thick dust explodes in the sky.

PVT SCOTT runs beside TREY. PVT SCOTT wears a balaclava with a skull on it.

PVT SCOTT Shit! We lost him!

He looks over at the city.

SGT TREY RAMZALEZ We'll get Ajax. He can't run. Not now. Not ever.

He stares at the city in ruins. Out-of-the-blue, a large Army Aeroplane drops out of the sky from the thick cloud. SCOTT and TREY watch it collide to the ground below...
