Time flies by fast, NATHAN and CAITLYN went to several meetings, lunches and appointments. Then it was finally time to head to London.

As they boarded the plane CAITLYN got nervous. She don't like to fly.

NATHAN
What's wrong?

CAITLYN
Um, I don't like to fly very much.

NATHAN
(laughing)
You will be fine.

The flight goes alright until the landing, when the plane first hit the runway it scared CAITLYN, she went to grab the armrest and ended up grabbing NATHANS hand instead. She don't know this until he says something.

NATHAN
Caitlyn?

CAITLYN

I would love to.

They began to dance, NATHAN holds CAITLYN close to him and she was trying not to let on how much she likes him. You can see how being so close to him makes her blush and fidget. After the dance they head back to the hotel.

INT. HOTEL ROOM-NIGHT

CAITLYN decided to go to the pool and hot tub to try and calm herself.

INT. HOTEL HOT TUB-NIGHT

CAITLYN is soaking in the hot tub when she hears the door open, when she looks she sees NATHAN coming in.

NATHAN
Mind if I join you.

CAITLYN
No, not at all.

NATHAN walks over to the hot tub and takes off his robe. He is wearing one of those swimming things that he wore in the photo shoot. It is so small.

CAITLYN keeps trying not to stare at him. He gets into the hot tub with CAITLYN.

CAITLYN
Well, I better go.

NATHAN
Have a good night.

The next few days are busy with rehearsals and filming. Well it is late when they get to the hotel, CAITLYN goes to her room and NATHAN to his. Right before CAITLYN headed to bed she realized she needed NATHAN to sign some papers so she heads to his room.

There was water running so CAITLYN figured NATHAN was taking a shower. She starts sorting out the papers.

(CONTINUED)

NATHAN

Hi there.

CAITLYN isn't paying attention, she is going through papers in her hand.

CAITLYN

Hi.

CAITLYN looked up and dropped the papers she was holding, she didn't say anything or even move. NATHAN was in nothing but a towel that was wrapped around his waist, his upper body was still wet, you could see the beads of water all over him. he glistened in the light. She already had a hard time controlling herself around him and now he was practically naked.

NATHAN begins walking towards CAITLYN.

CAITLYN

I'm so sorry I can come back later.

CAITLYN bent down and picked up the papers she dropped.

NATHAN

No, this is the perfect time.

He was standing close enough to her that she could feel the heat and the moisture coming off his body. She stepped away from him as he started to get closer.

NATHAN

I have felt something for you since we first met. I know you may not have the same feelings but I just need to let my feelings out and if you reject them then that is alright.

CAITLYN

It's not that I don't feel the same way.

NATHAN

Then what is it?

He ran the back of his hot, wet hand across her cheek.

CAITLYN

It's just.

CAITLYN started then stepped away from him.

(CONTINUED)

CAITLYN

(CONT.)

It's just if I let my feelings go
it is hard to tell how it will end
up.

NATHAN gets inches from CAITLYN.

NATHAN

Lets see where they take us, then.

He leans in and kisses her. She feels a sudden rush of warmth and sparks pulsing through her body. The room starts spinning as they continue to kiss. He pulls her shirt off, then his hands go all over her body they are so warm. She runs her hands up his chest and to his shoulders, then through his hair. He unbuttons her pants and before she knows it he picks her up and lays her on the bed. She feels his warm, wet body pressing against hers, as he kisses her more and more deeply. She is having trouble staying focused.

The electricity that is running though her body was hard to contain. She is trying not to totally lose all her control. She has felt something for him since day 1, she was just too scared to tell him.

His kiss and touch was more then she could handle. He made her so warm then she is hot and she can't help but just let it all go. His kiss is like a volt of electricity going through her and she can't contain it because her lips are like magnets against his. All she can think of is getting even closer to him, every time he touches her she feels an electric pulse all through her body.

INT. NATHANS HOTEL ROOM-MORNING

CAITLYN wakes up and wondering if it was a dream, she rolls over and there he is. She lays her head on his chest.

NATHAN

Good Morning.

CAITLYN

Morning.

NATHAN gives CAITLYN a kiss.

CAITLYN

I have a confession to make.

(CONTINUED)

NATHAN

What's that?

CAITLYN

(Blushing)

I have been in love with you since
I met you.

NATHAN

(Smiling)

So have I.

CAITLYN

Really?

NATHAN

Yeah.

CAITLYN

So, what made you decide to tell me
how you felt?

NATHAN

Well the other night when we were
in the hot tub, I couldn't help but
stare at you. I was going to tell
you then but you ran off to quick.
I thought maybe you picked up on me
and ran away.

CAITLYN

No, I was trying to hide my feeling
for you as well. I ran off before I
could admit how I felt.

NATHAN held CAITLYN close and they just laid in bed
together.

INT. RESTAURANT-AFTERNOON

CAITLYN and NATHAN are sitting across from each other
holding hands on the table.

NATHAN

Caitlyn, I truly do have feeling
for you. And I don't want you to
think that just because you work
for me that it can't be this way.
Because it can.

(CONTINUED)

CAITLYN

(Smiling)

I am glad it can work, I was so afraid to let you know how I felt because you were my boss.

They kiss, then eat, then have a few drinks. They walk back to the hotel room, CAITLYN moved her stuff to NATHANS room and they went down to the lobby to the hotel bar. They spend quite a while there getting to know each other better, they had several more drinks then head back to the room. They are standing outside the door and NATHAN starts kissing CAITLYN. He opens the door while kissing her.

He picks her up and carries her to the bed, they both fall onto the bed. They are pretty buzzed. They take each others clothes off and they get under the covers, NATHAN kisses CAITLYN'S neck and shoulders. CAITLYN runs her hands through NATHANS hair. They start breathing heavily.

INT. NATHANS ROOM-MORNING

NATHAN kisses CAITLYN on the neck.

NATHAN

Good morning beautiful.

CAITLYN rolls over and kisses NATHAN.

CAITLYN

Morning.

CAITLYN stares into NATHANS eyes. Then they get up and get dressed.

INT. AIRPLANE- MORNING

CAITLYN and NATHAN hold hands all the way home. She falls asleep on his shoulder and he kisses her head.

INT. NATHANS UPSTAIRS HALL-EVENING

CAITLYN heads to her room but before she gets in the door NATHAN comes up behind her and leads her to his door.

NATHAN

(Smiling)

If you want you can stay in here with me.

CAITLYN wraps her arms around NATHAN'S neck and starts kissing him. He opens the door and leads her inside.

INT. NATHAN'S BED-EVENING

NATHAN and CAITLYN lay on the bed holding each other. NATHAN leans down and kisses CAITLYN.

NATHAN
We had better get down to dinner.

CAITLYN
Yes, we better.

So they head downstairs and eat dinner then sit on the couch. While sitting on the couch NATHAN leans and gives CAITLYN a kiss.

NATHAN
So, What is on the agenda for tomorrow?

CAITLYN
(Smiling)
Actually nothing.

NATHAN
Really?

CAITLYN
Yeah but you have a ton of appointments the rest of the week though.

They sit around watching TV, cuddled up on the couch together. Then when it gets late they head to bed.

INT. NATHAN'S BEDROOM-MORNING

NATHAN kisses CAITLYN as she stirs herself awake.

NATHAN
Hey baby.

CAITLYN
(Smiling)
Hey yourself.

They both get up and get dressed. Then leave. The week goes quick NATHAN has a ton of appointments and meetings. He meets people, does photo shoots and goes to meetings.

CAITLYN
(Confused)
Yes, why?

MARISSA
I'm Marissa Donovan, Nathans wife.

CAITLYN is in shock, she can't believe this is happening. She remembers the name, she is the women Nathan wouldn't let her go with him when he met with her. He said he met with her once a month for business.

CAITLYN got up without saying anything to MARISSA or SALLY and went to her car. Then she started crying.

SALLY sent a text asking if she was alright and CAITLYN replies 'I am fine, sorry for running off. I will call you later.'

INT. NATHANS LIVING ROOM-AFTERNOON

CAITLYN walks in still crying.

NATHAN jumps up and runs over to her.

NATHAN
Caitlyn, what's wrong? Why are you crying?

CAITLYN doesn't say anything she runs straight up to her room with NATHAN right behind her.

INT. CAITLYN'S ROOM-AFTERNOON

NATHAN
Please Caitlyn, tell me what happened.

CAITLYN
(Tear filled eyes)
I ran into Marissa.

NATHAN wrapped his arms around CAITLYN.

NATHAN
Whatever she told you. It's not true.

CAITLYN
Oh, so she isn't your wife?

(CONTINUED)

NATHAN

Actually, that is technically true.

CAITLYN pushes NATHAN away, you can see the anger in her face.

NATHAN

But it's not what you think.

CAITLYN

Then what is it?

He walks up to CAITLYN and places his hands on her arms.

NATHAN

Yes, she is my wife. But we are legally separated, and have been for 2 years.

CAITLYN just stands there staring at NATHAN, she is confused, she doesn't know what to say.

NATHAN

Caitlyn, I love you.

CAITLYN gets a shocked look on her face. But is still silent.

NATHAN

I'm sorry, sorry for everything, I should have told you about Marissa from the beginning. Please say something.

NATHAN holds CAITLYN close and tight.

CAITLYN

What do you expect me to say? Do you just expect me to say, Oh well it's alright?

NATHAN

I want you to say you understand.

CAITLYN

I do understand, I understand that technically you are married and that technically I am considered the 'other women'.

NATHAN

It's not like that, I filed for divorce last year, but she won't

NATHAN (cont'd)
sign the papers. I have been trying
to get her out of my life before
you even came around.

CAITLYN
Well, If that is true then that
changes things.

NATHAN
Caitlyn, I swear that you are not
just some 'other women' I truly am
in love with you.

CAITLYN
I love you too, Nathan. I wanted to
tell you this morning but I was
afraid it would scare you off.

NATHAN
(Laughing)
Well I wanted to tell you in a more
romantic way, but it doesn't matter
as long as you know and feel the
same way.

Then they kiss.

INT. NATHAN'S BEDROOM-NIGHT

NATHAN and CAITLYN are laying in bed cuddled up together.

NATHAN
Caitlyn I love you very much.

CAITLYN rolls over and faces NATHAN.

CAITLYN
I love you too.

NATHAN
Are you still mad at me?

CAITLYN
I'm not mad, I am just a little
disappointed that you never
mentioned being married, or
separated or whatever

NATHAN
(Sadness in his voice)
I'm sorry Caitlyn, your right I
should have told you.

(CONTINUED)

CAITLYN leans up and kisses NATHAN

CAITLYN
Don't worry about it, she is in the
past. I just hope she stays there.

and get back to you.

CAITLYN then hangs the phone up

NATHAN comes out and walks over to CAITLYN

NATHAN
Caitlyn are you alright?

CAITLYN
(Looking up at Nathan)
She Called.

NATHAN
(Confused)
Who called?

CAITLYN gets up and runs out of the building, NATHAN is right behind her

NATHAN
(Pleading)
Caitlyn, please tell me who called.

CAITLYN stops and faces NATHAN

CAITLYN
Marissa called.

CAITLYN starts walking again, NATHAN continues to follow her

NATHAN
What did she want?

CAITLYN
She wanted to set up and appointment with you.

They get into the car.

INT. NATHAN'S CAR- AFTERNOON

It is quiet in the car as NATHAN just sits there staring at CAITLYN

NATHAN
What did you tell her?

CAITLYN
I told her I would have to call her back. I don't even know if she realizes I am the one she met yesterday.

NATHAN
I have to meet with her once a month. I hate to but I have to.

CAITLYN looks right at NATHAN

(CONTINUED)

CAITLYN

Why? what else are you hiding?

NATHAN grabs CAITLYN'S hand

NATHAN

Caitlyn, I know we have been through a lot in a short time but I am going to be honest, I didn't tell you about Marissa but I will tell you about my kids.

CAITLYN looks at him confused and angry

CAITLYN

What do you mean your kids?

NATHAN

Marissa and I have been separated for 2 years, but we were together for a year before that, and we have a set of twin boys together. Technically that is why we got married, she got pregnant and forced me to marry her for the sake of the kids. But not long after they were born she left and took them with her.

CAITLYN looks at NATHAN speechless

NATHAN

(CONT)

She got a lawyer and for some reason they will only let me see them once a month. So that is why I meet with her once a month and that is why I didn't want you going with me last month, I wasn't ready to tell you about my past yet.

CAITLYN can hear the sadness in NATHAN'S voice as he explains everything, she leans towards him.

CAITLYN

Nathan, That isn't your fault, she is crazy.

NATHAN

(Laughing)

That is sweet of you to say.

NATHAN leans towards CAITLYN and gives her a kiss, then they head home.

INT. NATHANS LIVING ROOM-EVENING

I love you.

CAITLYN stops walking, NATHAN stops and looks right in her eyes.

NATHAN
Caitlyn, is something wrong?

CAITLYN
(Smiling)
No, I love you too.

CAITLYN could see sadness in NATHAN'S face. She wanted so bad to tell him that things were different after she met MARISSA, but she just couldn't do it. She didn't want to make him feel worse then he does already.

MARISSA leans to the side to look around NATHAN

MARISSA

(Hiss)

And who is this?

CAITLYN steps out from behind NATHAN, as he holds her hand.

NATHAN

This is Caitlyn.

MARISSA

(Angry tone)

NATHAN
She started as my assistant a couple months ago.

MARISSA
Oh, So what, you just sleep with all your help now?

NATHAN
(Firm tone)
No! I don't do things like you do.

MARISSA is quiet, she just gives NATHAN an evil look.

Two little boys about the age of 3 almost with blond hair and green eyes come up to MARISSA

NATHAN points to the two boys

NATHAN
Caitlyn, this is Josh and Ryan.

CAITLYN kneels down to the boys level

CAITLYN
Hello.

CAITLYN stands back up and NATHAN grabs her hand again

MARISSA
I will be back for my boys in an hour.

MARISSA turns and leaves.

NATHAN
(Laughing)
Well that went well.

CAITLYN just looks at NATHAN in silence

NATHAN
Are you alright?

CAITLYN
Yes, It's just a little weird,
cause I don't think she expected me
to be who you was bringing.

NATHAN gets a confused look on his face

NATHAN
What do you mean?

CAITLYN
Well, When I made the appointment I
told her I would be coming too. I
don't think she expected me to be
the one she confronted at the cafe.

NATHAN
(Laughing)
Oh well.

CAITLYN and NATHAN stand there watching the two boys play on
the playground

CAITLYN watches JOSH and RYAN and smiles as she thinks about
having kids one day.

NATHAN
What are you smiling at?

CAITLYN
I was just thinking.

NATHAN
About what?

CAITLYN
I was just thinking about wanting
to have kids.

NATHAN puts his arms around CAITLYN'S waist

NATHAN
Really? Do you really want kids?

CAITLYN puts her arms around NATHAN'S neck

CAITLYN
Yeah, I would.

NATHAN leans forward and kisses CAITLYN

MARISSA comes back up to NATHAN and CAITLYN

MARISSA

of my children.

NATHAN lets go of CAITLYN and turns to face MARISSA

NATHAN

After she pays for it she heads over to the hotel across the street to take the test.

INT. HOTEL LOBBY- LATE MORNING

CAITLYN finds the bathroom and makes sure no one else is inside, she goes into the stall and takes the test. She has to wait 3 minutes for the results so she leaves the test in the stall and comes out to wash her hands.

While CAITLYN is drying her hands, the door opens. She turns around and finds herself facing MARISSA

CAITLYN

(Catching her breath)

What are you doing here?

MARISSA

(Angry tone)

I would ask you the same thing but I already know.

CAITLYN

What are you talking about?

(CONTINUED)

MARISSA

Don't act so innocent I seen what
you bought in the drug store, so I
followed you.

CAITLYN stands silent, you can see the fear in her face. She
tries to dart around MARISSA, who grabs her arm and slings
her backwards

MARISSA

Don't you dare.

MARISSA slams CAITLYN up against the door of the stall

CAITLYN
Really? Where is he.

MARISSA
Oh, When I got here he was gone and
you were unconscious.

CAITLYN
(Confused)
Why was I unconscious?

MARISSA
(Serious tone)
Caitlyn, your boyfriend Nathan beat
you, and he knocked you out.

CAITLYN
Are you sure?

MARISSA
Come with me.

MARISSA helps CAITLYN up off the bed and leads her to the
bathroom

CAITLYN stands silent as she looks into the mirror and sees
the whole left side of her face swollen and bruised

CAITLYN
Oh my gosh, Nathan did this to me?

MARISSA
Yes.

CAITLYN
But why?

MARISSA
Because, He is a violent and
aggressive man.

While MARISSA and CAITLYN were talking CAITLYN'S cell phone
rang

CAITLYN picks up the phone and looks at it

MARISSA takes the phone from CAITLYN

MARISSA
I will take care of him, Hello?

MARISSA

being her friend

(CONTINUED)

MARISSA
(Concerned tone)
What's wrong?

CAITLYN suddenly feels as if she shouldn't trust MARISSA

CAITLYN
Nothing.

CAITLYN looks out the car window quietly as she starts to wonder what is really going on

As the next week goes by CAITLYN has a few more of the memories. She remembers a guy who she isn't sure if it is NATHAN or someone else.

INT. HIDEOUT HOUSE LIVING ROOM- AFTERNOON

MARISSA
Are you alright?

CAITLYN
I am fine.

CAITLYN heads to bed

It has been a month since CAITLYN lost her memory and she was starting to get it back piece by piece. She has come to realize that Marissa wasn't what she said she was. She remembers her being sarcastic and mean to her. And she remembers the woman she was with at the cafe is Sally and she is her best friend, not Marissa. She was scared to let her know that she was remembering things. She just knew she had to get away from her.

CAITLYN was feeling sick so MARISSA took her to the drug store to get something for her stomach

MARISSA waited in the car waiting for CAITLYN to come out of the store

INT. DRUG STORE- AFTERNOON

CAITLYN bumps into someone while in the store

CAITLYN
Oh I'm sorry.

When CAITLYN turns around to apologize she comes face to face with the man in her thoughts

(CONTINUED)

NATHAN
CAITLYN!

NATHAN hugs CAITLYN

The sudden force from the hug scares CAITLYN. She pushes NATHAN away from her

NATHAN
Caitlyn, what's wrong? It's me
Nathan.

When he said his name CAITLYN suddenly becomes overwhelmed with fear. MARISSA had told her that NATHAN was the name of the man who beat her. She was so scared that this was him

NATHAN
What is wrong? Where is Marissa?

CAITLYN wasn't sure what to do so she turns around and runs back to the car.

INT. MARISSA'S CAR-AFTERNOON

CAITLYN jumps into the car still scared and shaking

CAITLYN
GO!

MARISSA looks at her confused but does what she says and speeds down the road

MARISSA
Are you alright?

CAITLYN
(Frantic tone)
I ran into him.

MARISSA
Him who?

CAITLYN
NATHAN!

MARISSA
Oh, what did he say?

CAITLYN looks at MARISSA confused by her calmness

CAITLYN

Nothing, He just seemed surprised
to see me.

CAITLYN didn't tell MARISSA that NATHAN asked where she was.
She was confused and didn't trust MARISSA anymore.

INT. HIDEOUT HOUSE BEDROOM-EVENING

CAITLYN lays on the bed thinking, maybe MARISSA lied about
who beat her, maybe it wasn't NATHAN maybe it was her.

CAITLYN was sick all night long, she tried to remember who
was the one that was really trying to hurt her

INT. HIDE OUT HOUSE BEDROOM- MORNING

When CAITLYN got up MARISSA was nowhere around. CAITLYN went
outside and looked around then she went back into the house.
She looked through her stuff and found her cell phone, she
didn't have any service so she went outside.

EXT. OUTSIDE THE HIDEOUT HOUSE- MORNING

CAITLYN wondered around till she finally got some service on
her phone. She looked through the phone contacts and found
Sally's number and called it.

SALLY

(O.S.)

Hello?

CAITLYN

Sally? It's me, Caitlyn.

SALLY

(O.S.)

Caitlyn! Where have you been?

CAITLYN

I don't know.

The service was breaking up and CAITLYN couldn't hear SALLY
very well

CAITLYN

Sally, you still there?

The line died so CAITLYN walks farther down the road trying
to get service again. When she couldn't get service again
she went back into the house.

INT. HIDEOUT HOUSE LIVING ROOM- AFTERNOON

MARISSA came back into the house

CAITLYN is sitting on the couch

MARISSA
What are you doing?

CAITLYN
Nothing much.

MARISSA
I brought you lunch.

CAITLYN smiles and follows MARISSA to the kitchen, she sits down and eats then MARISSA leaves again

Once MARISSA was gone again CAITLYN went into her room and grabbed a few things then went outside.

She began walking down the road, trying to get as far away from MARISSA as she could.

There wasn't anything in sight for miles, CAITLYN finally comes up on a small gas station. She goes inside the store

INT. GAS STATION- AFTERNOON

CAITLYN don't have much money and feels sick after eating. So she gets some water and something for her stomach. She walks up to the counter and pays for the items

CAITLYN
Do you have a phone?

MAN BEHIND COUNTER
No, I'm sorry Miss, it is out of order right now

CAITLYN
Alright, thank you anyway.

CAITLYN then walks out of the store

EXT. OUTSIDE OF L.A.

CAITLYN continues to walk towards town. She stops every now and then to rest then finally gets back to L.A. She now had cell service so she called Sally back. She tells her what she can remember and Sally tells her to stay there and she will come get her.

(CONTINUED)

CAITLYN sat down on a nearby bench and waited for Sally to come pick her up

As CAITLYN was sitting there she felt a tap on her shoulder. She was suddenly scared that it was NATHAN or MARISSA. She slowly turns to see a little, old lady standing there

OLD LADY

Excuse me, Do you have the time?

CAITLYN

Yes, it is 3:15.

OLD LADY

Thank you.

CAITLYN sits back in relief, a few minutes later she feels another tap. But this time she turns around to see NATHAN standing there. CAITLYN jumps up and starts backing away from him

NATHAN

(Puts his hands up)

Caitlyn, Wait. What did I do wrong?

CAITLYN

Are you serious?

NATHAN

I don't understand. What did I do?

CAITLYN could tell that NATHAN didn't understand what she was talking about

CAITLYN

Marissa told me.

NATHAN looks at CAITLYN confused. He starts walking towards her

NATHAN

What did she tell you?

CAITLYN

She said you are the one who gave me all the bruises.

NATHAN stops in his tracks and his mouth falls open in shock

NATHAN

What bruises?

CAITLYN pulls her hair back and shows him the bruises on her face, they were almost gone now so you could barely see them. He looked angry, CAITLYN is scared he was going to hit her.

NATHAN

I didn't do that. I would never.
Caitlyn, I love you.

NATHAN walks closer to CAITLYN. But she just freezes she is stunned by what he just said. NATHAN reaches out and grabs CAITLYN'S hand

NATHAN

(CONT.)

I love you more than anything, I would never, ever touch you like that.

NATHAN puts his arms around CAITLYN

NATHAN

(CONT.)

I don't know what Marissa told you but it isn't true.

NATHAN leans down and kisses CAITLYN. When his lips touches hers she feels an instant shock, then all her memories flood her head and suddenly she remembers everything. She remembers meeting him, the London trip, the kiss, the love everything she also remembers Marissa was the one who hit her and she lied to her about everything.

CAITLYN

(Hugging Nathan)

Oh, Nathan, I am so sorry, I now know what happened, Marissa tricked me.

NATHAN

(Holding Caitlyn tight)

It's alright Caitlyn, I am just glad you are back and safe.

CAITLYN gives NATHAN another kiss

NATHAN

So where is Marissa?

CAITLYN and NATHAN sit down on the bench

(CONTINUED)

CAITLYN

I don't know, She had me in a small house on the outskirts of town and when she was gone I walked to town.

NATHAN

Why did you leave?

CAITLYN

I was beginning to get my memory back, I knew she wasn't who she said she was but I didn't know much else until you kissed me then I realized she was the one who knocked me out.

As CAITLYN is telling NATHAN the story she remembers taking a pregnancy test. She remembers not seeing the results of it. She starts thinking that maybe that is why she has been so sick lately. While they were talking SALLY runs up and hugs CAITLYN

SALLY

Oh Caitlyn, are you alright?

CAITLYN

Yes, I am fine.

SALLY

What happened?

NATHAN and CAITLYN tell Sally everything

NATHAN

I hate to do this but I got to go to a meeting.

CAITLYN

Oh, do you mind if I stay with Sally till after the meeting. You know just in case Marissa comes looking for me.

NATHAN

Of course you can. I will see you later.

NATHAN gives CAITLYN a kiss then leaves

Once NATHAN was out of sight CAITLYN turns to SALLY

(CONTINUED)

CAITLYN
I think I am pregnant

SALLY
Really?

CAITLYN
Yeah, I took a test but before I
seen the results Marissa and I
ended up in a fight.

So SALLY and CAITLYN get in her car and head to the drug store. CAITLYN goes in and gets a test then they head to SALLY'S house and take it.

INT. SALLY'S HOUSE- EVENING

CAITLYN comes out of the bathroom

SALLY
(Anxious tone)
Well?

CAITLYN
(Smiling)
I'm pregnant.

CAITLYN and SALLY sit down on the couch

SALLY
So when you telling Nathan?

CAITLYN
I'm not.

SALLY
What?

CAITLYN
Well not right now anyway. I want
to make sure he don't do me like he
did Marissa.

SALLY
What do you mean?

CAITLYN
She got pregnant and she made him
marry her then left him after the
kids were born and don't let him
see them but once a month. I want
to make sure he don't try to marry
me just because I am pregnant.

(CONTINUED)

SALLY gives CAITLYN a hug

SALLY
If he marries you it will be
because he loves you.

CAITLYN smiles at SALLY then they head back to NATHANS house.

SALLY drops CAITLYN off at the house. MARIA comes running out and hugs her

MARIA
(Relieved tone)
I'm glad you are back.

CAITLYN
(Smiling)
I'm glad to be back.

INT. NATHANS KITCHEN- EVENING

MARIA and CAITLYN go into the kitchen. MARIA places a plate of food in front of CAITLYN

CAITLYN starts cramming the food as if she hadn't ate in a week. After she eats she feels sick so she goes upstairs and lays down

CAITLYN wakes up with NATHANS arms around her

NATHAN
Hi, how are you doing?

CAITLYN
Hey, I am alright. How was your meeting?

NATHAN
It went well.

NATHAN gets out of bed and puts his pants and shirt on

CAITLYN

CAITLYN and NATHAN finish breakfast then go into the living room

INT. LIVING ROOM- MORNING

CAITLYN

NATHAN
I really missed you.

CAITLYN

NATHAN smiles and gives her another kiss.

INT. PHOTO STUDIO- AFTERNOON

CAITLYN sits there and watches NATHAN do his photo shoot for exercise equipment. She is working on making appointments when she suddenly feels sick. She runs to the bathroom figuring it was the morning sickness.

When she comes back NATHAN runs up to her with a frantic look in his eyes

NATHAN
Are you alright?

CAITLYN
Yes, I just went to the bathroom.

NATHAN hugs CAITLYN

NATHAN
I looked up and you were gone.

CAITLYN
I love you.

NATHAN

They both start laughing

After the shoot was over they head to the meeting then to the screen test

NATHAN looks at CAITLYN as he asks if she can come in with him

CAITLYN
I will be fine.

(CONTINUED)

NATHAN

CAITLYN
I won't go anywhere, I promise.

NATHAN
Well, alright.

CAITLYN gives NATHAN a kiss

As NATHAN heads into the room he looks at the secretary

NATHAN
Please keep an eye on her.

CAITLYN laughs at NATHAN'S attempt to keep her safe

CAITLYN sits in the chair and looks through a magazine

As CAITLYN is sitting there MARISSA walks in

MARISSA
There you are.

CAITLYN freezes, she knows the voice very well. It is MARISSA. She had found her, she slowly turns to see her standing there looking at her with a concerned look. CAITLYN stands up and backs away from her

MARISSA
(CONT.)
What are you doing here?

MARISSA walks towards CAITLYN

CAITLYN
Don't!

CAITLYN backs towards the secretary

MARISSA
What is wrong?

CAITLYN
I remember everything.

MARISSA'S concerned look turns to an angry one and she walks closer to CAITLYN. Before she can reach her NATHAN comes in and grabs MARISSA

NATHAN
Don't you dare!

MARISSA
Let go of me!

NATHAN
(Firm tone)
You stay away from Caitlyn! I won't
let you touch her again!

MARISSA
All of this was your fault anyway.

Before she could say anymore she was escorted by security
out of the building. NATHAN puts his arm around CAITLYN

NATHAN
Are you alright?

CAITLYN
Yes, I am fine.

CAITLYN and NATHAN head home

As the next couple days go by MARISSA harass CAITLYN on the
phone, she won't let NATHAN see JOSH and RYAN. CAITLYN feels
bad that NATHAN can't see his kids so she makes some calls
and gets a hearing set up so NATHAN can try to get his kids
back.

The day of the hearing NATHAN and CAITLYN are talking in the
car on the way to the court house

INT. NATHAN'S CAR- MORNING

NATHAN
Are you sure about this? Are you
alright with telling what happened?

kids that they are away from her.
She is crazy and may hurt them.

NATHAN and CAITLYN go sit down at their table as MARISSA and the boys sit at theirs

It is quiet in the room, NATHAN holds CAITLYN'S hand as JUDGE THOMPSON comes in

CAITLYN is called to the stand by MR. JOHNSON

CAITLYN walks up and places her hand on the bible

MR.JOHNSON

Do you swear to tell the whole truth and nothing but the truth so help you?

CAITLYN

a month ago between you and the
defendant.

CAITLYN
Well, I was confrontation by her in
a bathroom, she yelled at me then
she hit me. I tried to get away but
she kept assaulting me then I
passed out.

NATHAN gives MARISSA a dirty look as CAITLYN tells about how
MARISSA hurt her

MR. JOHNSON
What happened next?

CAITLYN
When I came too, I didn't know or
remember anything, Ms. Donovan said
she was my best friend and that
Nathan is the one who beat me. She
had me scared to death of him,
scared enough to stay in a little
shack just outside of L.A. where
she left me for many weeks. Little
by little my memory started coming
back then I realized she wasn't who
she said she was so I escaped one
day while she was gone. I walked
back to town.

MARISSA gives CAITLYN a look. She didn't know CAITLYN had
began to remember while she was still in the house

CAITLYN goes and sits back down as the JUDGE takes a recess
to make a decision. NATHAN holds CAITLYN'S hand the whole
time the JUDGE is gone.

30 minutes later the JUDGE comes back

MR. JOHNSON
Please stand to hear the Judge's
verdict.

MARISSA is taken out of the room by the guards

NATHAN hugs them both then hugs CAITLYN

NATHAN

Are you alright?

CAITLYN

MARISSA
(Sarcastic tone)
Hello Caitlyn!

CAITLYN freezes, she knows the voice of the person who just
spoke. She is scared

The boys come down the slide at that time and CAITLYN grabs
them and hides them behind her as she slowly turns to face

babies and made them your own!
Isn't it enough that you have
Nathan and are having a baby
yourself, did you really have to
take mine?

CAITLYN
It's not like that. I only did it
for them.

CAITLYN continues to hide the boys behind her while she
tries to calm MARISSA down.

MARISSA is more angry then she was before

CAITLYN steps one step to the side and MARISSA pulls out a
gun and points it at her.

CAITLYN is terrified she knows MARISSA is crazy enough to
shoot her. She said she would kill her and now she was going
to.

CAITLYN
(Pleading)
Please Marissa.

CAITLYN nudges the boys to get them to climb back up the
slide. She stands in front of it so MARISSA can't see them

MARISSA
(Angry tone)
I knew you were pregnant, and I
tried to make you think Nathan was
no good for you but that didn't
work. I should have killed you then
but I felt bad about killing a
baby. But after what you did, I
think it is only fair to take your
baby since you took mine!

CAITLYN starts to cry. She is terrified. She thinks MARISSA
is going to kill her and her baby

(CONTINUED)

Once CAITLYN knows the boys are up the slide she tries to lure MARISSA away from the slide. She starts walking away from the slide.

MARISSA
(Demanding tone)
STOP!

(Pleading)
Please Marissa. Can't we talk about this?

MARISSA
NO, I tried to keep you away but you wouldn't listen. So now you will pay the price!

MARISSA pulls the trigger

Everything is in slow motion

CAITLYN closes her eyes as she gets hit in the top of her right chest. She hits the ground and blacks out

NATHAN
Is that better?

CAITLYN

NATHAN
Marissa shot you. I'm so sorry, I should have been there. I got to you right as she shot you, I tackled her knocking her out and I got the gun then ran to you. I seen the boys up the slide and had them run to Sally. Then I called 911. You were unconscious the whole way here. I was so scared I was going to lose you and the baby.

CAITLYN sits up suddenly and grabs her stomach. It was no longer big, there was no baby in there now

CAITLYN
(Panicky tone)
The baby! Where is she?

NATHAN
Calm down, She is fine. You went into labor when you got shot. They tried to stop it but they had to deliver the baby in order to save you both. The impact twisted her and she had to come out cause she wasn't getting enough air. So while one doctor delivered the baby the other worked on stopping you from bleeding to death.

CAITLYN lays back down. She looks confused, she don't remember anything about her baby being born and she hasn't got to see her yet

CAITLYN
Can I see her?

NATHAN
I will go see.

NATHAN
(Smiling)

CAITLYN just looks at the doctor.

CAITLYN
Thank you so much!

DR. HAMILTON smiles the leaves

SALLY, JOSH and RYAN come in to see the baby and CAITLYN

JOSH and RYAN look at the baby in CAITLYN'S arms

NATHAN goes back to the table

I change the verdict. Instead of prison I sentence Ms. Donovan to the Mental Institute so she can receive the proper help she needs.

(CONTINUED)

MARISSA went crazier then before so they took her away

LAWYER

Before NATHAN and CAITLYN leaves the JUDGE makes another verdict
