INT/EXT- OPULANT HOME - CAR - RUNNING IN DRIVE WAY - NIGHT

TRACY and STEVE get into a car as a party ends. Steve begins to back out but stops. Tracy gets out and walks back up to the home. BRUCE and SUSAN are in the hallway.

Steve looks up to see Susan turn and leave Tracy and Bruce. He checks the radio and looks up again to see Bruce holding Tracy’s ass as the two wait for Susan’s return.

STEVE
They must think I’m out of sight. Why doesn’t she do something? Push him away!

Bruce persists only letting go when Susan returns to hand Tracy an item. Tracy comes back to the car and puts a plate in the back seat and they back out.

INT - MASTER BEDROOM - ALFARO’S UPSCALE HOME - NIGHT

Steve is lying on the bed observing Tracy remove her make-up in the bathroom. Things are quite acceptable for the TV.

STEVE
There’s only one explanation.

Tracy comes out of the bathroom. She puts a couple things away in the closet and dresser before coming to bed.

TRACY
They sure have a nice house.
Did you have fun tonight?

STEVE
It was different.

Tracy crawls under the covers and moves closer to Steve.

TRACY
Let’s walk early tomorrow. We can go get a bite after.

STEVE
Why did you let Bruce put his hand on your ass this evening?
TRACY
I didn't know what to do. You know he drinks.

STEVE
You didn't know what to do? Why didn’t you push him away?

TRACY
I didn't want to make a scene.

STEVE
Pushing his hand off of you isn't making a scene.

TRACY
Give me break! We turn fifty this year. We’re not kids! How can you even take something like that serious!?

Tracy grabs some blanket tight and the two move apart both looking away. Steve then turns back towards Tracy.

STEVE
Let’s just let tonight go. It’s isn’t worth the trouble.

TRACY
I'd like to.

The two turn back away from each other again a little slower. Tracy falls asleep. Steve stares at the ceiling.

INT - STEVE'S HOME OFFICE - DAY - MORNING

Steve is sitting at his desk. Tracy passes by his door on the way to the laundry room.

STEVE
Tracy?

TRACY
Yeah?

She moves back towards the office door and stands there.
STEVE
Listen, that situation with
Bruce last week, I want to go
see SCHROEDER about it.

TRACY
Go ahead. If you feel you
need to. If you can get in?

Tracy heads back to the laundry room. Steve sits staring at
the computer.

Tracy walks past the office again later on her way to work
at the school.

TRACY
I'm off. See you tonight?

STEVE
Okay, have a nice day.

Tracy shuts the garage door and Steve gets on the phone.

INT - HOME - MASTER BEDROOM - DAY - DAWN

Steve and Tracy are in bed just getting up.

TRACY
Are you awake?

STEVE
Yeah, I’m up.

TRACY
Are you walking this morning?

STEVE
No, I have Schroeder at 10:00.

TRACY
Okay, I’ll go to the gym and
visit mom and dad for a while.

Tracy gets up and heads to the bathroom.
INT - HOME OFFICE - DAY - LATER

Steve is hunched over his computer working. Tracy walks in.

TRACY
I'm leaving now. Do you want to walk after your meeting?

STEVE
Okay, see you when I get back.

Steve finishes some paperwork and is off.

INT - MARRIAGE COUNSELOR’S OFFICE - DAY

Steve enters the room. The aging doctor Looks up.

SCHROEDER
Come on in. Are you alone?

STEVE
Yes, it's just me today.

SCHROEDER
It's been a while. How are you? How is Tracy?

STEVE
Good, overall things are going much better. I think we’re a lot closer as a couple now.

SCHROEDER
So what brings you here today?

STEVE
Something’s come up that’s troubling me. I thought you might be able to help.

SCHROEDER
Okay, what’s on your mind?

STEVE
Tracy and I went to a party the other night and something happened while we were there.
SCHROEDER
Okay, what happened?

STEVE
Well, people were drinking and Tracy was getting pretty loose herself. As the night wore on, I saw the host and Tracy Embracing each other.

SCHROEDER
Embracing? What do you mean?

STEVE
Sexually, he was squeezing her ass for a significant period of time. I saw it from the car. She didn’t even attempt to get him off of her!

SCHROEDER
So, she reciprocated his move?

STEVE
Well, she didn’t interrupt. That's what she should have done. She didn't do anything!

SCHROEDER
And now you think something might be going on with them?

STEVE
What other explanation is there? I've thought about it.

SCHROEDER
Did you ask her why she didn't push him away?

STEVE
She said she didn't want to make a scene. The idea of your wife with a friend and neighbor!

SCHROEDER
Tracy answered you without hesitation when asked?
STEVE
That's right, why?

Dr. Schroeder sits back for a moment.

SCHROEDER
Your wife's reaction as you’ve described it, isn't unusual.

STEVE
What do you mean!

SCHROEDER
She told you why she did what she did. I don’t see any real reason to doubt her.

STEVE
So, you don't think anything is going on with those two?

SCHROEDER
I doubt it.

STEVE
It's as if he has no respect for me at all. We’ve been hanging out for years!

SCHROEDER
It isn’t just you that he has a lack respect for.

There is silence as both are searching for more to say...

STEVE
Okay, your opinion means lot to me. I’ll try and move on from this.

SCHROEDER
I think that’s a good idea.

STEVE
I came to see you about how I was going to cope with some painful facts. I guess you never really know about things for sure.
SCHROEDER
Our thoughts and emotions
can often confuse the facts.

same one every day. I'm
getting bored with it.

STEVE
Really? I like it. It changes
with the seasons and there’s
a place to get a coffee.

TRACY
Something different would
be nice once in a while. Just
something new. We’ve been
doing this for years now.

What’d Schroeder have to say?

STEVE
He said your explanation about
Bruce seemed reasonable.
TRACY
I knew it. You get so worried!

TRACY
Sorry, I completely forgot!

Steve immediately falls asleep.

He wakes up some time later looking at the guy next to him.

STEVE
So, how's it going, I'm Steve.

ANDREW
I'm Andrew. Heading home?

STEVE
Yeah, Chicago for meetings.

ANDREW
Aren't there direct flights from Chicago? .. I get into Vancouver a few times a year. Sometimes I bring my wife. The kids aren't around anymore so we like to travel.

STEVE
My kids are away at school. It's our first year without them.

ANDREW
So how's that going? You know, without them around?

STEVE
At first it was like a couple of fish in a dry creek bed but it's better now.
ANDREW
I know the feeling.

Both men smile at each other.

STEVE
Well, hey, we’re still married right? One of my buddies is getting divorced! He was caught fooling around.

ANDREW
We were heading for problems ourselves but we made a commitment to work through it.

STEVE
Oh yeah, I guess we’ve all been tempted over the years. Did you seek counseling?

ANDREW
No, that didn’t work for us. We started swinging.

STEVE
WOW! Swinging?! Oh WOW! I don’t think I’d be good with an open marriage!?

ANDREW
I don’t have an open marriage. If my wife cheats, I’m gone.

STEVE
So, you play around but you don’t cheat on each other?

ANDREW
No, we do it together like we’re dating, only as a couple. We get together as partners.

STEVE
Oh yeah. What’s that do for you?
ANDREW
It invigorates us! That’s the best way to explain it. It’s a paradox. I don’t know if the same would be true for young people.

STEVE
The women are okay with this kind of activity?

ANDREW
For the most part they’re more into it then the men. They decide who we can and can’t date.

STEVE
So, its people like you and I just playing around sexually with other couples and then you just.. go home after?

ANDREW
Yeah, at least that’s what most people do. It’s like a fantasy. Although, you do make and keep friends.

STEVE
Where do you find people?
It’s discreet, right?

ANDREW
You go online. I’ll write down where to go for you if you ever want to check it out.

STEVE
I need a break.

He stretches and then looks down to see Andrew's card flipping it over. The phone rings.

Hello?

Steve’s twenty two year old daughter TRISH is on the phone and she’s very excited.

TRISH V.O.
(crying)
Papa’s down on the floor and I don't know what to do! Can you come over right away?

STEVE
At home? Is he conscious?

TRISH V.O.

TRISH
I’ll bring the clean the sheets back over. You rest.

STEVE
Thanks honey. I’m exhausted.

Trish heads out. Steve quickly goes down to the office.

INT - HOME - STEVE’S OFFICE - NIGHT

    STEVE
    I know! Well, it will be okay. I’m going to the grocery. Do you want to come?

INT/EXT - CAR - DAY - TRAVELING

    TRACY
    So what did you do last night?

    STEVE
    Stayed in. Did some reading.

    TRACY
    What were you reading?

    STEVE
    Remember that guy who you met picking me up at the airport?

    TRACY
    Yeah?

    STEVE
    He gave me a site to checkout. So I spent some time on it. It's a swinger’s website.

    TRACY
    Oh God! You men are all alike. You mean that guy’s a swinger? You keep bringing this up.
STEVE
I've never brought this up?

TRACY
Really! The last time in Las Vegas you wanted a threesome.

STEVE
That's just a guy's fantasy. It's not the same thing.

TRACY
I can't believe Andrew is a swinger! He looks so normal. Did you see his wife on there?

STEVE
There's a picture of her. You can't see her face or anything.

TRACY
So, you can get on this site and see all these swingers?

STEVE
Yep, thousands of them.

INT - UNDER GROUND GARAGE - PARKING - GROCERY STORE - DAY
-The Alfaro's pull into a parking stall and get out.
-They come back with groceries a while later.

INT/EXT - CAR - DAY - TRAVELING - LATER

TRACY
So the idea of me being with another man turns you on? You could never handle it!

STEVE
I'm not so sure about that. Andrew said it's not like Cheating; more like a date.

TRACY
I bet!
STEVE
I guess you go out and see what develops as a couple. I don’t know. It’s really different.

TRACY
I don’t think I could do it.

STEVE
You meet the people first and see how it goes. You can read about it in the forum.

TRACY
Are you selling me on this?

INT - MASTER BEDROOM - NIGHT - LATER

Tracy grabs her Ipad as they lay watching TV.

TRACY
Can you show me the website and get me to Andrew’s page?

Steve grabs her Ipad and types. Then he hands it back.

TRACY
How do you know it's them?

STEVE
They just show women on it that are faceless. If you like what you read in the profile, you Email them. You don’t get to contact them until you sign up for it.

Tracy reads the profile.

TRACY
This reads just like I had envisioned him to be in real life. His wife seems nice.

STEVE
I know.
TRACY
They just play out fantasies?
I’m not sure I understand.

STEVE
I think that’s the idea.

TRACY
Okay, You can sign us up. I’m
not promising anything. I
know one thing for sure. My
picture will never be on here.

STEVE
Are you serious!? You’re
going to let me sign us up?!

INT - MASTER BEDROOM - DAYS LATER - NIGHT

The Alfaro’s are lying in bed. Tracy gets on the website.

TRACY
Oh my God! We have mail!

Tracy begins to read about the couple.

I like this couple. This is
exciting! Should I write them
back? They seem just like us!

STEVE
What do they have to say?

TRACY
I don’t have anything to wear
If we meet. I'd need a whole
new wardrobe! Do you want to
get together?... I’ll shower.

STEVE
See? It’s invigorating!

TRACY
I’m starting to get it. Try
something new, right? We’re
together! We aren’t going
anywhere? Get my toy out will
you please?
TRACY (CONT’D)
Let’s get a couple of pictures of me dressed up? Not with my face in them though!

Tracy gets up and heads for the bathroom to shower.

EXT - DAILY WALK - PARK - DAY - DAY

TRACY
I heard back from Ann and Tim. They want to meet. I like them a lot! They’re here in a few weeks. That gives us time.

STEVE
Time?! Time for what?

TRACY
I have to go shopping! But we have to have chemistry! If we don’t like them, we leave.

STEVE
Okay, yeah. It’s not an intimate thing like you and I. It’s more like role playing!

They continue the walk with their heads in the clouds.

STEVE
What clothes are you buying? You know, for our date.

TRACY
Sexy clothes! If I’m doing this, I’m doing it right. Are we stopping for a coffee?

CHRIS
No, flying!

STEVE
I know. He was up to see you?

CHRIS
Never mind that. Watch out!

Steve turns quickly to see what’s behind him. There’s nothing there. He looks at the nurse and then at Chris.

NURSE
He has a UTI. It’s his age.
This is common with UTI's.

They stay to make sure Chris is comfortable and then leave.

Thanks again for picking out the outfit Steve. Oh no! I have a run in my stocking!

She hikes up her skirt to investigate.

DREAM MAN
Even better!

Tracy and DREAM MAN start laughing.

TRACY
We have to go. He has a room reserved. We’ll be back before the show’s over.

STEVE
Show? What show?

A homely, drab, overweight woman steps forward.

INT/EXT – CAR – NIGHT – TRAVELING

Well, are you ready for this?

STEVE
I’m getting a cold sore.

Tracy pulls a mug out with a drink in it from her purse.

I hope we’re the first there.
Am I getting a cold sore?!

Steve points but Tracy doesn’t even look over.

TRACY
You're fine. Did you bring
the Viagra?

Tracy pops down the mirror and checks her make-up.
TRACY
We need a signal. Let’s play with our rings if we decide to bail. Please try not to bring up our ages, okay?

INT - HIGH END RESTAURANT - BACK SECTION - NIGHT

Steve looks around the busy facility. It’s large, decked out and crowded. Steve and Tracy are seated in a booth.

TRACY
Wasn't this a great choice?

STEVE
Really good! You look great!

TRACY
I'm so excited!

The waiter comes by and they order drinks.

STEVE
I have to go to the bathroom.

Steve gets up and leaves. He returns to see there are two people seated opposite his wife in the booth.

STEVE
Hi, I'm Steve.

ANN
Oh, hi! Geese, I was thinking of your profile name for some reason!? I’m ANN, and this is TIM. We use our real names.

Tim half stands and shakes Steve's hand as he slides in next to Tracy.

TIM
It’s nice to finally to meet!

Drinks and dinner are served. The couples are having fun.

TRACY
We’re new to this. In fact you’re our first date!
ANN
Well, we’ve only had a few dates ourselves. We’ve had fun so far though!

TRACY
It’s a little nerve wracking! It takes some getting used to. How’d you get started in this?

TIM
It’s really pretty simple with us. We just began to question Dogma and liked the idea of expressing our sexual feelings.

TRACY
It is exciting to get ready for an actual date again! What do you two do?

TIM
I'm a cardiologist and Ann is a nurse.

TRACY
Well, I'm a teacher. Steve’s in sales. A surprising amount of professionals in this.

Time starts moving on. Steve begins to get concerned.

STEVE
Maybe they just want to stay here and talk tonight. Should I be making a move?

In his anxious state Steve can’t wait any longer.

STEVE
Look, I’m not sure how these things work but if you two would like to get together?

TIM
Well yeah, for sure.

Steve sinks back into his seat.
STEVE

Does that mean tonight?

The conversation continues for a while longer.

TIM

Should we get the bill?

STEVE

How did you two get here?

ANN

We just walked over.

STEVE

(awkwardly)

ANDREA
You look pretty happy Tracy! Is there anything extra going on with you?

PEGGY
We have a place here Steve.

STEVE
I’m sorry, you caught me by surprise! In the complex?

PEGGY
No, but close by.

STEVE
Oh yeah,... beautiful area.

Tracy approaches Peggy and gives her a hug.

TRACY
What are you doing here!? Is GERRY with you? Talk about a small world!

PEGGY
He gets in tomorrow. We know the host. I thought I would stop by on my own and say hi.

TRACY
Well, the weather is suppose to be fantastic this week!

PEGGY
How do you know John and Jan?

TRACY
Oh, a friend of a friend.

John walks into the kitchen and joins the conversation.
JOHN
Peggy! I see you have met Ted and Janet. Is there anything I can get you three?

STEVE
No, we're good John...thanks.

Peggy looks at Steve and Tracy as John moves on.

TRACY
Look, we heard about this party and thought, why not!
Love your heels Peggy!

PEGGY
Thank you.... I see you two already have some color.
Been down here a while?

TRACY
This is pretty awkward, huh!?

PEGGY
Sure is. Do you think our neighbors at home might frown on this kind of activity?

TRACY
You have to wonder how wide spread this is? Guess we have a little secret between us.

PEGGY
It's a big secret Tracy!

TRACY
Well, clearly it's in the best interest of everyone to....

PEGGY
We're good forever!

TRACY
It goes without saying we can never share....

DEBBIE
Who wants a drink?

TRACY
I’ll have one.

Tracy (a little tipsy) goes over and joins Debbie. They pour a couple drinks and come back to join their husbands.

The couples are making out. Tracy playfully puts a stocking foot up to Steve's lips. Scott and Debbie watch smiling.

TRACY
I’m just having some fun. Do you like that sweetie? Lick!

Tracy moves in closer putting her foot over Steve's face. He pushes her away. Tracy wants a change. She gets up and heads to the other bed whispering in Debbie’s ear.

TRACY
Why don't you go join Steve?

Debbie gets up, grabs a drink and joins Steve. They’re making out. Steve becomes troubled when Debbie’s wig goes off kilter and he softens.

A self conscious Debbie gets up and pours a drink downing it quickly. She pours another while looking at Scott.

SCOTT
Debbie, please don't do that.
Debbie doesn’t stop but fires it down pouring another. Then she leaves with the bottle heading into the bathroom.

A few minutes later, Debbie comes out with a bottle in one hand and her wig in the other exposing her padded gray hair. She stops at the foot of the bed teetering.

DEBBIE
This is the real me! This is who I am! I’m old! Men don’t want me! Nobody wants me!

The other three jump up from their positions and stare. Debbie takes a hit direct from the bottle while looking at Scott. Then she climbs onto the empty bed sitting up stiff.

DEBBIE (HYSTERICAL)
I'm so screwed up! Everyone use to want me! Now I just have You, ya fucking bastard!

Scott moves towards Debbie and smashes her open handed across the face knocking her off the bed. She gets right back up again. Steve shoots up straight, stunned!

Tracy, get your clothes on now! We’re out of here.

Steve looks at both Debbie and Scott.

Now Tracy! Let’s go!

Steve Pulls Tracy up from her position.

TRACY
Okay, I’m coming.

DEBBIE
Nobody wants me! My husband, the kids! Not even this guy!!
Tracy and Steve start moving past Debbie and Scott towards the door. Tracy stops and looks at Debbie, then Steve.

TRACY
I'm not leaving her like this.

Tracy climbs onto the bed and starts hugging Debbie.

TRACY
It's okay. I'm here for you.

DEBBIE
Men hate me. Fuckers! Maybe I belong with a woman. You know what I need, don’t you?

Tracy says nothing. She just shakes her head hugging her.

STEVE
(compassionate)
You're making too much out of this Debbie. You’re too hard on yourself.

Steve gently grabs Tracy's arm but Debbie won't let go.

DEBBIE
I want her with me!

It’s being studied every day!

TRACY
Fred and Angele remember us
from the Christmas party!

ANGELE

A big kiss but she seemed
preoccupied. I liked you two
in spite of the age difference.

TRACY
I’m not that much older?!

Tracy’s beginning to slur her words.

ANGIE
No! I know! It doesn’t
matter any way. Hey, why
don’t we all go upstairs?

He hands Steve a couple of VIP tickets to a restaurant.

Are you sure? Here, let me pay you something for these.

They would just go to waste.

The man exits as Debbie and Steve turn to the concierge.

Are these any good? They Look genuine.

I think so. It’s a very high end place but it’s a Gentlemen’s Club.

Let’s go for it! We can always leave.

DIANE
Well, if that’s what you think.

Diane waves the waitress over for another drink.

STEVE
Does this type of thing turn you on?! The dancing?

Diane stares at Steve. Steve laughs and motions to a woman to come and give Diane a dance. She’s right into it.

STEVE
Oh yeah. Are they still heavily involved at the church?

TRACY
I like them. They want to get together and go out.

CHARLES
Well, I've been in it a long time and it’s been active lately. I’m very fortunate.

Tracy
How about the church? Are the two of you still involved?

Not really. Not like we used to be. We still go to Mass. People are coming back. It’s changed for the better.
Tracy

More in tune with the times
allowing gays and all!

CHARLES
They aren’t doing that.

judge”. It’s not the same
thing.

Tracy
Oh, ..well of course not.

Steve

are coming back.
