FADE IN ON:

A young boy, NOAH (16), laying on his bed while he holds his Cell Phone closely to his eyes, texting a girl, ABIGAIL (16).

Their Text Messages are spoken aloud throughout.

NOAH

Hey.

ABIGAIL

Hi.

Noah holds onto a smile.

NOAH

It's been a while since we talked.

ABIGAIL

Sorry. My dad. He's just, not into the whole social media thing, you know.

NOAH

Yeah. My friend is throwing a party tomorrow night.

ABIGAIL

Is that an invitation?

NOAH

Yeah. If it's okay with you.

ABIGAIL

I know, it's crazy, right. 6 months texting, and we still haven't seen or met one another. Wild.

NOAH

I mean, you gave me a second chance at life, I owe you everything.

Abigail sends a Blushing Emoji 😊.

Noah smiles back, and puts his Phone away.

INT. ABIGAIL'S BEDROOM - MORNING

An alarm sounds, Abigail wakes, hitting it.

A smile emerges from her morning face, and she jumps out of the bed, trying on Four different outfits, finally coming to one decision.

She stands in front of her Mirror, smiles at herself.

INT. NOAH'S BEDROOM

Noah tries on Three different outfits, finally coming to his final decision, he smiles.

His Phone chimes, a Text Message from Abigail: **See you there** □.

He smiles.

INT. HOUSE - NIGHT

The House Music blasts through the Speakers, conversations can hardly be heard.

The kids, all different ages, dance, karaoke, and drink alcohol throughout the home.

Noah stands beside his Friend, both drinking on their cups, while conversing.

Noah scans the home, looking for Abigail.

His Phone buzzes, he sees a Low Battery alert, and a Text pops from Abigail: **I'm Here, where are you?**

He starts typing, when the Phone dies, he grunts.

NOAH

Crap!
Where's your charger?

FRIEND

My phone's charging, why?

Noah grunts again, and starts walking through the home, searching Abigail.

INT. FRONT DOOR

Abigail walks in, tries calling Noah, it goes to Voicemail.

She roams around the home, searching Noah.

She moves past the Kitchen, when Noah walks right past her, the two not noticing.

Noah walks towards the Front Door, doesn't find her.

Abigail walks upstairs, finds a group of girls drinking and conversing, walks over to them.

ABIGAIL

Hi. Do you guys know a boy named Noah?

GIRL

No, sorry.

Abigail smiles, and walks down the isle, towards a room, the Bathroom, she opens, it's empty, and she walks down the stairs.

INT. STAIRCASE

Noah walks past the stairs where Abigail comes down from, still not noticing.

The Music grows louder, and the DJ tunes a Hip Hop song that turns the kids wild and they start dancing, bumping into one another.

The two slowly bump into the other kids, surrounding them.

Noah and Abigail now come back to back with one another, still not noticing.

He grunts, and moves past the kids, walking to his Friend again.

FRIEND

Anything?

NOAH

Nah, man.

FRIEND

Don't worry bro, you'll find her.

Noah forces a smile out.

EXT. HOUSE BACKYARD - LATER

Noah walks out to the Backyard, sipping onto his drink, and sits down on a bench close to the pool where kids swim and gather around.

Noah buries his face inside his hands, grunting loud.

Abigail joins him on the bench, drink in hand, and still not noticing.

She sees this Boy grunting in his hands, smiles.

ABIGAIL

Hey, you want a refill?

Noah comes up, sighs.

NOAH

I'm fine, thanks-

Noah looks up at her, his face tingles, sees her, Abigail's face lightens with a smile, both finally seeing one another.

NOAH (CONT'D)

Hey.

ABIGAIL

Hi.

The two share a longing smile, as we...

SMASH TO BLACK.
