I do.

INT. ABANDONED WAREHOUSE — LATER

Mike is duct taped with his friends. Smitty gives him small taps to the face to wake him.

SMITTY
Wake up Smith.

SMITTY (CONT'D)
What did I tell you? You - are- not- smarter- than me. Didn't I tell you that?

MIKE
I thought you were about helping brothers start over.

SMITTY
He's my brother, half. You ain't learn nothing in prison? The whole world is made of crooks. This country was founded by crooks. Grow up kid.

MIKE
So you just gonna kill us.

SMITTY
Well wasn't part of the plan. But hey, you were headed back to prison anyway.

MIKE
I was working. Got a son. I don't need this!

Duck listens to police scanner.

DUCK
Hey, cops.

Smitty walks over closer to the police scanner.

SMITTY
It's just a coincidence.

DUCK
Coincidence my ass. Take a look around college boy. What else is out here! We got to snuff these marks and get outta dodge.

Meanwhile, Mike works on one last piece of tape before he is free.
SMITTY
You consider we may need some leverage.

DUCK
Leverage? Cops don't care about these cry babies, they want that diamond, and that's non negotiable.

Duck grabs the sawed off shotgun. Smitty steps in front of him.

SMITTY
Think first. They're no good to us dead.

DUCK
Get out of the way.
(beat)
I won't say it again.

SMITTY
I thought you don't follow orders?

DUCK
I don't.

SMITTY
Leave no witnesses is an order.

Duck pushes Smitty to the side, just as Mike fires his .38, striking Duck in the left shoulder.

The shot stings Duck but incites him too. Duck pumps the shot gun.

DUCK
You son of a bitch!

Mike fires before Duck can get a shot off.

The second shot drops him.

Smitty jumps through the air to grab a pistol from the work table.

The pistol slides onto the floor and as Smitty bear crawls to retrieve, Mike fires a warning shot.

MIKE
Keep moving, and I'll bust a cap in yo ass.

Smitty stretches his arms out to compliance.

Mike hurries to untie Paul,

Paul untapes Mouse
Before Mike can untape Butter, Duck struggles to aim the shot gun

    BUTTER
    Gun!

Mike spins around and fires two shots into Duck.
Duck expires.
Smitty runs to his brothers aid.
