EXT. DETROIT, MICHIGAN - MORNING

Various areas of the city are showing.

CHRIS CONT’D (O.S. V.O.)
If you plan on claiming a set. The main colors are blue, representing the Crips. And red represents the Bloods. Now, just because those are the main colors. You still need to know the colors your allies and enemies wear. I don’t get involved with that shit. My main goal is finishing school, and keeping a close eye on my sister.

Day turns night.

The lights from the casinos and streetlights brighten the city.

A royal blue Monte Carlo with tinted blue windows, and a mural of Detroit on the trunk comes cruising down the street.

(Over the intercom)
Good morning. As you all know. We lost one of our students last night. Young people, we have to put an end to this senseless violence. Learn to work with one another, instead of always against each other. I want you to think about that, as you carry on through the day. I don’t wanna hear about losing another life to senseless violence. Thank you, and carry on with your day.

The class is silent.

TEACHER ONE
He makes a good point. Our topic today will be gang violence, and how it affects the people around you. Feel free to answer how you please.

Chris raises his hand.

TEACHER ONE CONT’D
Mr. Fry?

CHRIS
To me it’s pointless. Why kill somebody, because they’re not wearing the same color as you?

TEACHER ONE
You make a point.

Tony raises his hand.

TEACHER ONE CONT’D
Mr. Brick?

TONY
It’s not always the color that gets you killed.
TEACHER ONE
That’s interesting. What makes you think there’s more to it?

TONY
I just know my nigga dead for no reason.

CHRIS
The nigga dead, because of what he was claiming.

The classroom does a little chant, trying to instigate a fight.

Tony stands up, along with three more boys.

GREGORY
Whatever cuz, I’m letting you know. Come on girl, let’s go.

He walks off with Tiffany.
CRYSTAL
(Pointing her finger)
That’s right! Take that nasty ass hoe with you!

CHRIS
(Annoyed)
Will you calm the fuck down, goddamn? The truth came out.

CRYSTAL
You’re right. I should’ve believed you.

CHRIS
Next time I tell you something, you should believe me. What do I have to lie about?

CRYSTAL
(Gives him a kiss)
You’re right.

INT. THE LIVING ROOM - AFTERNOON

Chris mother sits on the sofa chain smoking.

Chris walks in.

CHRIS MOTHER
(Puts her cigarette out)
You heard about what happened with your sister?

CHRIS
I tried to break it up.

CHRIS MOTHER
She’s suspended for three days. They said it was over some gang bullshit.

CHRIS
I tried to stop it, ma.

CHRIS MOTHER
I know. Your sister is just so goddamn hard headed.

CHRIS
She’s wild. But, she’s not in a gang.

(CONTINUED)
CHRIS MOTHER
(Sighs)
I hope you’re right. I’ll be damn if I lose either of my babies to some gang bullshit.

Chris makes his way to Tasha’s room.

He walks in closing the door behind him, and then walks over to the bed looking down at her.

CHRIS
You see what this gang shit is doing to mama?

TASHA
What are you talking about?

CHRIS
(Angry)
Don’t give me that shit! Now, one way or the other, you’ll realize these streets ain’t a game.

TASHA
(Sassy)
Is that right?

CHRIS
You can talk ignorantly all you want. If it takes my life, you’ll see what’s up.

TASHA
I didn’t know you cared so much.

CHRIS
No matter if it takes my life. ...You’ll realize.

He walks out, slamming the door behind him.

CRYSTAL
What’s wrong?

CHRIS
(Sighs)
The shit with Tasha.

CRYSTAL
Baby, you know she’s young. She’s
doing dumb shit.

CHRIS
The shit starting to fuck with my
moms. The shit on the strip.
(Sighs, shaking his head)
...It’s all bullshit.

CRYSTAL
You can’t be miserable because of
the dumb shit your sister is doing.

CHRIS
Come on now. You know how I feel
about my sister.

CRYSTAL
(Caresses his face)
I know. But how can you be strong
to get her back on track, if you’re
acting like this?

CHRIS
(Sighs)
Apparently, I can’t be strong or
there for anybody. If I could, this
shit wouldn’t be so far outta
control.

CRYSTAL
When did all this start?

CHRIS
I don’t wanna talk about it.

He gets up taking a seat on the bed, putting his head down.

CRYSTAL
Keeping it to yourself won’t solve
the problem, when I’m here for you.
What happened to the strong man I
know and love?
CHRIS
(Scoffs)
He’s Dead.

She shakes her head standing up, walking over to the closet
door opening it, pulling out a big teddy bear.

Around the bears neck is a sterling silver chain, with a “C”
charm.

She walks over to him, holding the bear out.

CRYSTAL
The man I know and love gave me
this.

He looks up smiling.

CHRIS
I won this for you at the fair,
five years ago. You still keep it
clean.

CRYSTAL
Duh. Look at what the bear is
wearing.

Chris grabs the chain, rubbing his thumb across the “C”.

CHRIS
I gave this to you the day that
nigga broke your heart.

CRYSTAL
What did you tell me when you gave
it to me?

CHRIS
You’ll never be alone or get your
heart broke again.

CRYSTAL
From that day, I fell in love with
you.

CHRIS
That was a crazy ass day. What does
this have to do with Tasha?

CRYSTAL
Because if you could be strong for
me then. Mind you, you were skinny
as a twig back then. But that

CHRIS
(Smiles, laughing)
You think you know me?

CRYSTAL
(Gives him a kiss)
You know I do. That’s why you love me.

She gives him the bear, and then walks over to the radio.

Chris sits smiling.

She turns the radio on, and a slow song plays.

CRYSTAL CONT’D
I’ll tell you another special day.

CHRIS
What day is that?

CRYSTAL
The first time I had sex.

Chris sits silent, blushing.

CRYSTAL
(Seductive smile)
Why did you wanna take my virginity to this song?

Chris places the bear down walking over to her, grabbing her by the waist.

CHRIS
The meaning says it all. He wants to satisfy the woman he loves, the way she feels will pleasure her best.

CRYSTAL
Since I was a virgin. You wanted my first time to be the best experience to my standards?

(CONTINUED)
CHRIS
Not just that. I didn’t want you feeling pain.

CRYSTAL
(Gives him a kiss)
I appreciate that. You looked at me as more than pussy.

CHRIS
Why are you recapping this?

CRYSTAL
Because I’m about to pleasure my man, the way he feels is best.

CHRIS
Oh---

She grabs the back of his head giving him a kiss.

The two are kissing and caressing each other, making their way to the bed.

They let each other go staring, before she takes his shirt off, tossing it to the side.

She trails her tongue from his chest, all the way up to his neck, then chin and finally his lips kissing him, gently pushing him back on the bed.

He takes his shoes off, while she unbuckles his belt, sliding his pants off, tossing them to the side.

She climbs on top kissing him, while he massages her back.

He lifts her shirt over her head, tossing it to the side. She continues kissing on his chest, working her way down to his stomach, finally between his legs. His facial expression of joy, explains the pleasure.

She comes back up looking at him smiling, straddling down beginning to ride.

Her movement is slow, as they moan.

He holds her tight flipping her over, getting on top.

She’s scratching his back as he goes deeper, and their moans grow louder, as his movement gets faster.

Their bodies shake, and his movement starts slowing down.

(CONTINUED)
He lies down on top of her playing in her hair, while she massages his back.

            CRYSTAL
            (Satisfied)
            I love you.

            CHRIS

            MIKE
            I’m still alive. That’s good for me.

            CHRIS
            That’s what’s up. At least you ain’t in here all depressed and shit.

            MIKE

            CHRIS
            (Shrugs)
            She got into a little scuffle.

            MIKE
            (Serious)
            You know if she keeps wearing that color, she’s a target?

            CHRIS
            (Serious)
            I’ll tell you, just like I told old boy. Leave me sister alone, because she ain’t claiming shit.
MIKE
Can you honestly tell me why she got into that fight?

CHRIS
I truthfully don’t know. I thought they were cool.

MIKE
Cuz. If she’s in it or false flagging, she’ll get killed. When you represent a set, cuz. The rules are simple. Kill the enemy, no matter who it may be. And retaliation is a must.

CHRIS
I don’t give a fuck about none of that.

MIKE
Why?

CHRIS
Because my sister won’t die over some petty ass shit.

MIKE
You still don’t understand. You got the school smarts, but no street smarts.

Chris stands up stretching, before making his way to the door.

CHRIS
I’m outta here.

MIKE

PRINCIPAL
What’s the problem here?

TEACHER FOUR
I caught these two fighting outside my class.

PRINCIPAL
(To Crab killer)
You can’t stay out of trouble, can you?

CRAB KILLER
Just give me my slip, so I can get the fuck on.

PRINCIPAL
How about I expel you, and get it out the way? Chris, I can’t believe I’m seeing you here for this.

CHRIS
I was beating his ass, because he said he fucked my sister.

PRINCIPAL
(Shocked)

There’s music playing, as Chris poses in the mirror with the two Nine Millimeters, dressed in his boxers, with a blue bandanna wrapped around his face.

CHRIS
What’s up, cuz? You wanna fuck with me?

He walks over to the bed taking a seat placing the guns down, picking up the shotgun.

He opens it, taking the blue shell cases out.

He wipes them off, placing them back in.

Grabbing the blunt and lighter off the bed, he walks over to the window taking a seat.

He opens the window before lighting it, taking a hard pull, exhaling a thick cloud, sucking it back in.

CHRIS CONT’D
Don’t worry cuz. I’ll get them niggas. That’s on the “C”.

CHRIS
I know you love me for a reason.

CRYSTAL
Okay then. If you know I love you for a reason. You should know you can talk to me about anything. It’s about Terrance?

He lets her hand go, walking over to the rail, looking down into the water.

She comes behind him placing her hands on his shoulders, rubbing him.

CHRIS
(Sighs)
He’s dead because of me. Mike is in a wheelchair because of me. This gang shit is taking over my life, causing me pain in every way possible.

Chris gets off the rail making his way towards them, and Crystal stands between them.

CRYSTAL
You need to respect my man.
(To Chris)
You keep your cool.

CALVIN
(Points at Chris)
Respect the nigga for what? He’s still the bitch he was back then.

Chris tries swinging around Crystal.

CHRIS
What’s up, cuz?

CRYSTAL
(To Chris)
Calm down!
(To Calvin)
I need you to leave, Calvin.

CALVIN
(Scoffs)
You dumb bitch. That’s why---

Chris moves Crystal to the side, hitting Calvin in the mouth, making him step back, but he keeps hitting him, until he falls to the ground.

Once he’s on the ground, Chris pulls one of the Nine Millimeters out, and starts pistol-whipping him.

Crystal tries pulling Chris off, but he elbows her good enough to make her stumble back, tripping over her feet.

Chris continues pistol-whipping him.

CHRIS
This is what I should’ve done to yo bitch ass! You fucked her friend, then tried to fuck her, and now, she’s a dumb bitch?!

Chris aims the gun at his face ready to pull the trigger.

Crystal grabs his arm, just as he squeezes the trigger.

Chris gets up shoving Crystal, with a look of rage in his eyes.
CHRIS CONT’D
(In rage)
What the fuck is wrong with you?!
Why are you saving the life of the motherfucker who fucked your best friend, while he was with you?! The nigga just called you a dumb bitch, and you still wanna save his worthless ass?!

He kicks Calvin across the face.

Calvin releases a deep moan, rolling around on the ground, with his face covered in blood.

CRYSTAL
(Shocked)
What the fuck has gotten into you?!
Who do you think you are?!

CHRIS
(In rage)
I’ll tell you what I’m not! I’m not a bitch ass nigga, that’s about to be with a girl protecting the nigga who disrespected her!

CHRIS
There you go my nigga. Nice and cold, just the way you like em.

He takes the other beer from the bag opening it, guzzling down as much as he can.

Pulling a blunt from his pocket, he places it in his mouth lighting it, taking a hard hit.

The room is fairly clean. A program plays on the television on mute. Some rap music is faintly heard.

Mike is in a wheelchair, sitting at the table.

On the table, there’s a half bottle of tequila. A couple of rolled blunts. A cup in front of Chris and Mike, and Chris blue hat resting by the ashtray.

Chris passes the blunt.
CHRIS
That’s fucked up what happened to Clip.

MIKE

MIKE
Shit happens for a reason, cuz. Maybe it was his time to go.

CHRIS
(Takes a sip)
Fuck that. It should’ve been me.

MIKE
Don’t say that. Clip wouldn’t look at it that way.

CHRIS
Check this out.

He stands up pulling the two Nine Millimeters from under his shirt, placing them on the table.

Mike looks at him confused, taking a hit from the blunt.

MIKE
Why do you have his shit?

CHRIS
He left me all his shit.

MIKE

MIKE

MIKE

EXT. EAST 7 MILE - NIGHT
The area is lit up by the lights from the gas station, stores and restaurants.

The bus is pulling off.

Chris stands waiting to cross the street.

As he gets closer to his street, he slows his pace.

He sees YOUNG BLOOD THREE AND YOUNG BLOOD FOUR, ages sixteen, in all-red, with red bandannas around their heads standing by the closed tire shop, drinking, smoking and talking loud.

Young Blood three notices Chris, and taps Young Blood four on the shoulder.

Young Blood four turns looking at him.

    YOUNG BLOOD FOUR
    You in the wrong hood wearing that flu shit, blood!

    CHRIS
    It ain’t that type of night. Just get the fuck outta my way, and Ce easy.

Young Blood three throws the beer, and it lands shattering at Chris feet.

Chris is calmly placing his hands under his shirt, placing his fingers on the handles of the guns.

    YOUNG BLOOD THREE
    Fuck you, crab ass nigga!

The two run at Chris, and Chris pulls the guns out.

They pause, turning around running the other way, and Chris opens fire. Young Blood four catches a couple in the back, making him fall face first to the ground dead.

Young Blood three catches two in the back, and one in the leg, making him fall to the ground.

Young Blood three is trying to crawl away.

YOUNG BLOOD THREE

Man---

Chris shoots him four times in the face.

Some lights start coming on in houses.

Chris takes off running down the street till he gets to the
alley, taking that all the way home.

When he gets to his house, he hops the gate, and then goes
into the garage turning the lights on.

He walks over to a pile of wood resting in the corner,
moving some of the wood out the way, placing the guns on
top.

He puts the wood back on top, and then he walks to the
switch turning the lights off, making his way out the garage
closing it.

Coming to the front of the house trying to catch his breath,
he notices the red Honda used in the drive by resting in
front of the house.

He scratches his head confused, making his way to the side
door, opening it quietly.

The basement is furnished like a living room.

There’s a shelf filled with pictures of Chris and Tasha,
along with their trophies.

Some R & B music plays fairly loud.

Tony is on top of Tasha in nothing but his boxers kissing on
her, while she moans in pleasure.

Chris creeps down the stairs pausing, staring at the two
confused.

(Continued)
CHRIS
What the fuck?!

They both look up stunned.

Tony tries to get up, but Chris is already on him, hitting him upside the head, making him fall down on Tasha.

Chris grabs him by the shoulders, slinging him to the floor.

He kicks him a few times in the face, before getting down on his knees choking him.

Tasha gets up in her red bra and panties trying to pull Chris off, but he elbows her, making her step back.

CHRIS
You nasty bitch!

Tony is gasping for air, as the veins start bulging in his head.

Tasha grabs one of the trophies with a marble base hitting Chris over the head, making him fall over unconscious.

Tony gets up grabbing at his throat, hacking and coughing.

Tasha stands holding the trophy with a lost expression.

TONY
(Gives her a kiss)
Thanks baby.
(Kicks Chris)
Bitch ass nigga.

CHRIS MOTHER (O.S.)
What the fuck is going on down there?!

TASHA
Oh shit. Baby, you gotta go.

Tony quickly gathers his stuff running up the stairs, making his way out the side door.

Chris mother comes downstairs dressed in her night gown half sleep, looking around.

INT. THE HOSPITAL - NIGHT

Chris is lying on the bed with his head bandaged.

Tasha is sitting by his bedside.

He opens his eyes seeing Tasha, and he gets upset.

Chris

What are you doing here?

Tasha

I can’t check on my brother?

Chris

Since when am I yo brother?

Tasha

On real shit, Chris. I’ve been looking at all the shit that went down. All the people who died, or got fucked up through this. I realize, this shit has to stop.

Chris

I’m supposed to believe that? It’s because of yo ass I’m in here.

Tasha

I know. I fucked up, and there’s nothing I can do about that. I just want my brother.

Chris

Are you serious?

She leans over giving him a kiss on the forehead, and then lays her head on his chest, wrapping her arms around him.

TASHA
I love you, Chris. From here on out, that gang shit is done.

Tears roll down his face, wrapping his arms around her.

CHRIS
I love you, too.

INT. CHRIS ROOM - MORNING

Chris is posing in the mirror dressed in an all-white suit, with a white bandanna wrapped around his head.

He walks over to the bed where his black trench coat is resting. On top is the sawed off shotgun.

He picks the gun up, placing it in the sleeve of the coat.

CHRIS (V.O.)
I did a lot of thinking the past few days. I finally got through to my sister, and all that gang bullshit is over. The only thing left to do is go see my nigga, one last time.

He places the coat over his arm, making sure he’s holding on tight to the sleeve with the gun, making his way downstairs.

He walks pass his mother sitting on the couch, watching him walk out the door.

He walks over to Crystal’s black Taurus getting in.

Crystal is dressed in something casual.

CRYSTAL
How are you?

CHRIS
I’m okay.

CRYSTAL
About last time.

CHRIS
That’s the last thing on my mind, right now. I just wanna get this shit out the way. Whatever happened that day, will stay in that day.

She sighs, pulling out the driveway.

EXT. THE CHURCH PARKING LOT - MORNING

The church looks rather old, but it’s still holding up strong, as they pull into the crowded parking lot parking.

They get out making their way into the church, along with other people walking in.

Inside, everything is brand new from the floor to the ceiling.

The choir is singing, while the music plays.

Everyone is crying, trying to comfort the person next to them.

Clip’s mother is sitting in the front row bawling.

All the gang affiliates have a section to themselves. The colors range from blue, black, white, purple and some brown.

Clip’s casket is covered with white and blue roses, and pictures of him from when he was a baby, up to the present.

Yasmine is sitting in the back holding Darius.

Chris walks over to her taking a seat, giving her a kiss on the cheek.

CHRIS
How are you?

YASMINE
(Sobbing)
I’ll be okay. It’s funny, because I asked him would he be alive, and his last words were "Don’t I always come back?". Look where I’m at now.

CHRIS
(Sad)
Yeah.

YASMINE
What can you do? Thanks for coming to talk to me, Chris. I needed that.
CHRIS
No problem.

He gets up making his way to the casket.

Inside the casket, Clip is dressed in a black suit with blue pinstripes, with a blue bandanna wrapped around his head.

There’s a ton of other bandannas laid on his body. He has a peaceful look.

Chris stands there for a few minutes, before walking over to Mike taking a seat, placing the coat down gently on the pew.

CHRIS
What up, cuz? I see you made it.

MIKE
(Sobbing)
I made it, cuz. I can’t believe that’s my nigga up there.

CHRIS
I got something to give you when we leave.

MIKE
What’s that?

CHRIS
I’ll show you when we leave.

The choir and music come to a stop, as the PREACHER, (39) comes to the pulpit.

PREACHER
Good morning ladies and gentlemen. We’re here today in mourning, because these cruel streets said this young man had to die. Why are you young people killing each other over things that mean nothing in the Lord’s eyes? Why does a parent have to mourn, because their child couldn’t dress in what made them feel comfortable? Young people, we need to put an end to this foolishness! The Lord protects fools and babies! And as I look through the room, I see a bunch of both, because you’re killing each other over colors! You’re all the same in the Lord’s eyes! The only

(MORE)
PREACHER (cont’d)
difference is appearance, and that holds no value! Because in the end, the Lord doesn’t look at your appearance! He looks at your inner soul young people!

THE ROOM
Amen!

The choir hits a quick note.

PREACHER CONT’D
You young people out here think because you got a gun in your hand, you can’t be touched! That gun is nothing more than an extension of how much of a coward you really are! You wanna prove to somebody you’re big and bad?! Pick up a book and learn something, so you can be somebody in life! Or pick up a bible and learn something about your maker before it’s too late, and you have to face him, not knowing what’s going on! That’s what makes you big and bad! When you can say I have the Lord on my side, and he’s watching over me with his strong arm of protection!

The doors come open, and everyone turns seeing Tony tossing a blue bandanna on fire into the aisle.

TONY
Fuck that crab, and every other crab in here!

He runs out, and half the church gets up chasing after him.

Chris grabs his coat, making his way outside.

The church is in shambles.

It’s a carnage bowl of madness, similar to the fight on Belle Isle, but worse.

Tony is hiding behind one of the cars, pulling out a Nine Millimeter.

Chris comes out and sees him.

He takes the sawed off from his sleeve, making his way over to him.

(CONTINUED)
Just as Tony gets ready to stand up, Chris puts the barrel of the gun to the back of his head.

CHRIS
  (In rage)
  What’s up, cuz?!

Tony turns around looking into the barrel of the gun, which is the last thing he sees before the gun goes off, blowing his head off, splattering blood, brains and skull fragments everywhere.

More gunshots start going off, and people are catching bullets falling to the ground.

Police sirens are heard drawing near.

Chris runs jumping into one of the Crips cars getting ready to pull off.

He looks back one last time, and he sees Tasha standing over Tony’s dead body, staring dead at him.

The car takes off, and gunshots are still heard, as police cars pull up.

INT. THE CRIPS BATHROOM - AFTERNOON

Chris is standing looking in the mirror, dressed in a royal blue wife beater and jeans.

Some music can be heard playing in the background.

CRIP (O.S.)
  Come on outta there, cuz, and get fucked up!

CHRIS
  Here I come!

He smiles nodding his head yes, before walking out the bathroom.

INT. CHRIS ROOM - NIGHT

Tasha is sitting on the bed holding the same bear Chris was holding, when she came home drunk.

Chris comes into the room carrying a garbage bag with his clothes in it.

CHRIS
What do you want?

TASHA
I guess it’s finally over.

CHRIS
I guess so. What do you want me to do about it?

TASHA
I’m actually glad you did what you did.

CHRIS
You are? What’s the catch?

She places the bear down, walking over to him.

TASHA
No catch. I fully see you care for my safety.

CHRIS
I’m amazed to hear you say that.

TASHA
Well, people change, and I’m glad you did it.

He places the bag down, and they give each other a hug.

She gives him a kiss on the cheek.

TASHA CONT’D
Good night. I love you, and I’ll talk to you tomorrow.

She walks out the room.

Chris walks over to the bed, taking a seat smiling.

CHRIS
...It all worked out in the end.

He lies down on the bed closing his eyes for sleep.
INT. CHRIS MOTHER’S ROOM – AFTERNOON

Chris is standing over his mother dressed in the hood he took from Clip’s house.

He gives her a kiss on the forehead, before walking out the room, making his way to the side door walking out.

He walks to the garage opening it, walking over to the wood pile getting the guns.

He slides the old clips out, placing new ones in.

He puts the old clips under the wood, and then places the guns under his hood, making his way out the garage.

INT. THE HALLWAY – AFTERNOON

Chris comes in through the back door, just as the bell rings.

The hallway fills with loud students.

He makes his way through the crowd, heading towards the library.

There’s a bunch of students in line to see if they’re graduating.

Some walk away excited, while others walk away in shame.

He gets to the paper smiling, seeing he’s graduating with flying colors and honors.

Walking out the library, he bumps into Tasha, dressed in a red wife beater and a red bandanna skirt.

He gives her a tight hug and kiss on the cheek, before letting her go.

CHRIS
I graduated baby!

TASHA
That’s nice.

CHRIS
Hell yeah! I’m finally done!

TASHA
You’re done with that. You got one more thing to settle.

(CONTINUED)
CHRIS
What are you talking about, now?

TASHA
I’m talking about, when I was representing.

(Sighs)
Tasha, I swore we said that shit was said and done?

TASHA
It’s done. I just wanted to tell you how I got in.

CHRIS
How?

TASHA
The night your friend was killed?

CHRIS
...Yeah.

TASHA
I was one of the people blasting at you crab ass niggas!

CHRIS
(Stun)
What?!

TASHA
That’s right! And yo bitch ass next, blood!

She spits on him, and then takes off running.

He stands confused for a split second, before pulling the guns from under his hood.

Students drop to the floor screaming, as he chases after her.

He runs pass Crystal, and she looks at him confused, before chasing after him.

The school yard is filled with students.

Throughout all of them, there’s four guys dressed in all-black with red bandannas around their faces, and hands under their shirts.

(CONtinued)
Tasha comes running out the school, and Chris is not far behind, taking aim.

The four guys pull various guns from under their shirts.

Students drop to the ground screaming.

CHRI
You slob bitch!

Chris opens fire, and the four guys open fire.

Students are getting hit, as the screams and bullets ring out in the air.

FADE OUT:

EXT. THE SCHOOL YARD - AFTERNOON

Tasha is lying face down in blood, along with one of the guys shooting, and a couple of students.

Chris is lying on his back guns still in hand, with bullet holes in his stomach and chest, spitting up blood.

His vision is blurry, staring at the students surrounding him.

CHRIS (V.O.)
Funny how we said this gang shit was over, and the outcome was this. Mama is gonna be pissed. Her little girl is dead, and it was her own son who killed her. Why is everybody looking sad? I’m not leaving. I have to make it to graduation, because I know that bitch will be off the hook. Bloods, Crips. I wonder will there ever be peace between the two?

His vision slowly fades to black.

CHRIS CONT’D (V.O.)
It’s fucked up, because throughout all this, all I wanted to do was keep my little sister safe. I guess I did in a way, but I didn’t. Close my eyes. ...It’s time for me to say goodbye.

What you need to know about gangs

"Gangs are more than what society makes them out to be. Although, there are gangs proving society right. The colors worn show the family they represent. In the same breath, you have people wearing colors trying to strike fear into people. The sad part about gangs you can say is true. Let’s say you dropped your flag, but you killed someone from the opposite set, or you were around when a murder went down. If the other set catches you slipping, they shooting at you on sight. When you really look at it. Anything with more than two to four people in it is a gang. And if they’re doing some good, rest assure there’s some bad hidden behind it, because nothing on this earth is perfect. Gangs can be the most powerful force on the planet. But as long as they see each other as just a color, there will never be peace. If you plan on picking up a flag to represent something. You better be prepared to live by the set, and die by the set. Think about it. You never know when you might have to kill or get killed by someone that’s actually family outside the set."

Bernard Mersier

This is dedicated to every set. Is it going to be war or peace?
