GUY
(Also Yelling)
Bring it asshole! I will take you down.

WIDER STILL: We find Stache, also dressed to the nines like Stache, singing that "I Will Always Love You" song loudly into bass drum mallet.

STACHE
(Singing)
And I, will always love you!

ROSCOE
Don't make me use this!

GUY
(Laughing)
You don't even know what that is!

Without missing a beat.

ROSCOE
A great way to stay a virgin!

Stache continues singing loudly in the background, now starting to dance around the room.
2.

STACHE

INT. HUMANITIES CLASSROOM - CONTINUOUS

ROSCOE
Oh, that's what that was?

WIDER: We see Stache sitting in the seat in the row next to Roscoe. Also in normal clothes, doodling flaming planes in a notebook.

STACHE
What did you think it was?

Beat.

ROSCOE
Shut up.

REVEAL: A half full classroom of people who have gathered for the Criminology Club. We see a Woman, 21, brunette, at the front of the room.

WOMAN
Alright everyone, we will now take nominations for President of the Criminology Club.

Stache raises his hand, but does not allow Woman to call on him.
STACHE
I nominate Roscoe!

We see Woman roll her eyes at Stache's comment.

WOMAN
(almost annoyed)
Ugh, yes, we know. Anyone else?

We see Woman 2, 22, blonde haired student raise her hand.

WOMAN 2
I nominate Madeline!

    ROSCOE
    You're not helping.

    STACHE
    Hey, I didn't pick me as a friend.

    ROSCOE
    How am I supposed to beat her?

    STACHE
    You don't

    ROSCOE
    Still not hepling.

    STACHE
    Still not that kind of friend.

Roscoe takes a drink from his coffee.

    ROSCOE
    (defeated)
    I should just withdraw from the race.

Stache looks shocked at what Roscoe has just said.
STACHE
Sure, pull out. But if everyone pulled out when it got to intense, we wouldn't have anyone. You know, because people-

ROSCOE
Yea, I know.

STACHE
-Pulled out.
(beat)
Ass.

ROSCOE
(sigh)
Maybe I can find some dirt on her?

STACHE
Probably not, but we can give it a shot.

ROSCOE
You know-

STACHE
Let me stop you right there. Yes, I do know.

INT. ROSCOE AND STACHE'S APARTMENT - CONTINUOUS

ROSCOE (CONT'D)
Who is it?

No answer just another knock.

ROSCOE (CONT'D)
I'm coming, don't get your panties in a bunch

OTS SHOT: Roscoe opens the door to see Madeline.
ROSCOE (CONT'D)
(Confused)
Madeline?

MADELINE
Roscoe. May I come in?

Before Roscoe can answer, she pushed past him and enters the apartment

WIDE: Roscoe and Madeline are facing each other

ROSCOE
I'd rather you not, but by all means, come in anyway.

MADELINE
Where's your idiot partner?

Roscoe takes a hand full of Cheetos from the bag.

ROSCOE
Working on a group project
(eats Cheetos)
What brings your brand of hell to my doorway.

Madeline gives Roscoe an innocent smile.

MADELINE
Roscoe, can't we put all of this hatred behind us?

ROSCOE
You know why.

MADELINE
Well anyway, let me get to the point. This place smells like cheese, and not the good kind. I'm here to make you a deal.

ROSCOE
(intrigued)
What kind of deal?

MADELINE
Something that will benefit us both. You see, I learned something very interesting about you today.

ROSCOE
Okay, you caught me, I'm stealing cable from the couple next door.
Madeline lets out a little laugh

MADELINE
Oh James, we both know that's not it. I'm talking about something I think the University would find very interesting as well.

ROSCOE
I don't know what you're talking about.

MADELINE
Oh, you don't? Maybe this will help. Tell me, how did someone who didn't graduate high school manage to get into this University?

Beat

ROSCOE
How did you find out?

MADELINE
I'm better than you, remember? Now, I can take this to the President, and see what we has to say, or you can take a seat and listen to my deal.

Roscoe lets out a long sigh.

ROSCOE
You have my attention.

MADELINE
I thought I would.

INT. HUMANITIES CLASSROOM - CONTINUOUS

On Stache, we see him looking over some papers.

STACHE
-But if we lie, I think we win this thing.

WIDE: We see Roscoe, he seems distant, distracted.

ROSCOE
Yea, sounds good.

We CUT TO Woman, she steps in front of the room.

WOMAN
Before we continue with elections, I have an announcement. Due to prior academic commitments, Madeline has withdrawn her name from the race. And since nobody else wants this gig, Roscoe is your new president, by default.

There is a round of applause, as Roscoe acknowledges his victory. Madeline gives Roscoe a wink. Stache is visibly excited.

STACHE
Dude, you won!

Roscoe still seems distant.

ROSCOE
Yea, great.

STACHE
You should be excited, you finally beat Madeline at something.
ROSCOE
I am.

STACHE
Is something up, you don't seem like yourself?

ROSCOE
No, I just have to do something that I'm probably going to end up regretting for the rest of my life.

STACHE
What are you talking about.

Madeline walks up to Roscoe and Stache, offering her hand to Roscoe

MADELINE
Congrats, Roscoe, you finally beat me at something.

The two shake hands.

ROSCOE
(halfheartedly)
Yup, I'm pretty fucking awesome.

MADELINE
(whispering)
Don't mess this up, or else.
(To Stache)
Bye Stache.

Stache watches Madeline as she leaves the scene.

STACHE
That was weird.

ROSCOE
You don't know the half of it.

STACHE
(exhales)
I don't care

Silence for a beat.
