

EXT. FRONT YARD - DAY

A typical cul-de-sac neighborhood in the spring time. We see shots of clear sky and houses. Birds chirping and its all peaceful and quit. When all of a sudden a middle school age MARIUM comes out of the two story brick home side door by the carport/garage door open. Carrying a pouch and pulling a collar behind her.

She reaches a mid-sized table set up with 4-6 folded chairs propped up against the table. She precedes to whistle and hum to herself as she sets up her Lemonade Stand. Puts the collar to her left and has unfolded the chairs behind her to her left in the shade.

She undoes the pouch and puts her cell phone up on the table, a book to read, paper and pen, and walks to the front of the table turns around the taped up sign that reads... Lemonade \$.99 cents/water \$1.25.

While all this is taking place two girls are watching from across the street with interest. Once they notice Marium sit down Lucy and Felicia decide to walk across the street. Felicia is wearing a dress carrying a purse with a red Bible inside. Lucy is wearing pants and a shirt. She's also carrying a small purse. They approach and...

MARIUM

Hello, how are you two doing today?

LUCY FELICIA

Well, I'm thirsty. Hello, good. We are on our way to the store.

MARIUM

Great. Well, I have lemonade and bottled water.

LUCY

That sounds good. I'll have one lemonade and she'll have a bottled water.

FELICIA

Hold on Lucy, I can order for myself.

LUCY

Sorry. Okay, tell her what you like to drink.

FELICIA

I am. Don't rush me.

Lucy rolling her eyes and making faces while Marium smiles.

MARIUM

Take your time.

Marium notices Felicia's purse while she's thinking about what she would like to have to drink.

MARIUM (CONT.)

Oh, I really think your purse is so pretty.

Lucy rolling her eyes.

FELICIA

Thank you.

She unzips her purse and pulls out a red Bible. Shows it to Marium.

MARIUM

Wow, that's so small and easy to carry.

Lucy is now tapping on the edge of the stand with one then both hands and sighing under her breath.

MARIUM

Oh sorry. Can you repeat what you will be having?

LUCY

(Hand on hip/ Rolling eyes)
I said, One lemonade, and whatever she's having. Please hurry, we are running late.

FELICIA

Lucy be nice. Besides, I don't won't to walk to the store now.

A sudden turn towards Felicia by Lucy.

LUCY
What? Why not??

MARIUM
You both are welcome to sit over here
with me in the shade and drink your
lemonade and water if you like.

FELICIA
Sure.

Felicia unzips her purse to pay for the drink and pulls out a red Bible. Lucy starts to turn around to leave when walking up behind them are DANIEL and BRIAN. Both boys are year to couple years older. Brian with a soccer ball under his arm and both are wearing sneakers.

Daniel smiles at Lucy as she's turning around. She spins all the way around to not be obvious refacing the stand and nudges her elbow to tip off Felicia they are behind them. Felicia smiles and winks at Lucy.

LUCY
(Blushing a little)
Yes, I'll have one cup of lemonade
please, and can I come and sit with
you too?

MARIUM
(Smiling)
Of course you can.

Felicia lets out a light giggle and Merium just smiles at them all. Marium to Daniel and Brian...

MARIUM
Hello, would you like some lemonade or
water?

Daniel with both hands in pockets and taking shoes off looking for change. All the girls giggle.

DANIEL
Hey Brian, you got any change? I
already spent my allowance at the game
store.

BRIAN
I am too. No, all I have are these
marbles and magic stones.

Marium overhearing them. That will be fine. Taking the marbles and stones. Then handing each one a bottled water.

BRIAN DANIEL

Here you go thank you. Sounds good yes thank you.

DANIEL

So, what are all you girls doing sitting around?

MARIUM

Well, we are about to have a Bible study. Would you like to come sit with us and join?

BRIAN

Come on Daniel lets...

DANIEL

Chill out. Lets join them for a few minutes. Besides there's Lucy.

BRIAN

Ok fine.

MARIUM

Great now that we are all sitting Felicia here is your water, Lucy your Lemonade, Brian and Daniel your waters.

Brian sits between Marium and Felicia while Daniel sits by Lucy both are grinning at one another and towards the group.

Felicia opens her small red New Testament Bible and begins to read from Proverbs 11:30. As she has asked they join hands as the camera pulls out and fades out.

FELICIA

The fruit of the righteous is a tree of life, and he who wins souls is wise.

FADE OUT
