INT. HOSPITAL ROOM - DAY

MARIA (28) lies on the hospital bed tired drugged and dying more every minute.

LEX (31) holds Maria's fingers with his while caressing her hand with his thumb.

    MARIA
    It hurts so much.

    LEX
    The doctors..

    MARIA
    The doctors can't do anything but watch me die in pain Lex. It's an inoperable tumor.

    LEX
    We have to stay positive. God will be there for us. I promise.

    MARIA
    No God would be so cruel.

    LEX
    I'm not going to leave your side. I love you very very much.

    MARIA
    I wish I had more time for me and you. It's what hurts the most.

Tears form in Lex's eyes. He stares at Maria.

    MARIA
    You have to help me do it.

    LEX
    I can't.

    MARIA
    You have to help me die. Please Lex please.

    LEX
    No Maria I can't.

    MARIA
    Lex.
LEX
I can't. I can't. I can't.

Maria turns her face and body away from Lex.

LEX
No Please.

Lex stands staring at Maria. The tears roll off his cheek and onto the floor.

INT. BAR ROOM - DAY

Lex sits at the bar drowning away his pain. His distant eyes follow the bar to the empty shot glass in front of him. He grabs the glass and bounces it on the bar until the Bartender refills his glass.

BARTENDER
(pouring drink)
You're not driving are you buddy?

LEX
I don't have a car.

BARTENDER
I'll call you a cab when you're ready.

Lex holds his glass up to the bartender before tossing it back. The bartender refills his glass before puts the bottle on the shelf.

GUY (44), robust bald and well groomed, is the only other patron of the bar sitting a few seats away from Lex. He raises his glass up to the bartender for another refill.

The bartender grabs a bottle of tequila and pours it over the ice in Guy's medium sized glass. Guy takes a sip and turns to Lex.

GUY
(To Lex)
Hey Buddy..Hey you there.

Lex turns his head, visibly angry at Guy's rudeness.

GUY
What are you drinking? Bartender give the man a drink.

The bartender pours Lex a drink. He holds it up to Guy and shoots it back. He slams the glass down on the bar and continues to stare off.

Guy grabs his drink and wobbles down the bar until he is
sitting next to Lex.

GUY
Bartender couple more rounds for me and my friend here.

Lex turns to Guy.

LEX
We're not fucking friends.

GUY
Sorry pal.

LEX
We're not fucking pals either.

The bartender pours the men drinks. He stares at Guy.

BARTENDER
You look familiar are you famous or something.

GUY
More like infamous.

BARTENDER
Yeah, Yeah I saw you on the news. You killed that little girl.

Lex turns towards Guy.

Guy sips his drink.

GUY
Yep. I killed that girl.

LEX
You killed a girl.

BARTENDER
You got acquitted, right. Police mistakes.

GUY
I was acquitted today.

Guy finishes his drink. He sadly stares at the bar.

LEX
You? You murdered someone?
GUY
I believe the correct term is vehicular homicide. I was drinking and driving. Celebrating my big promotion. I can't describe the angst in me. I wish I could change places. I can't live this way.

The bartender grabs a bottle and places it in front of Guy.

BARTENDER
On the house.

GUY
I just want it to be over. I can't stop reliving that moment. So much pain.

LEX
Pain? Pain is what her family is feeling, her loved ones.

GUY
Believe me I know it was clearly visible throughout my trial. I..I just rather be dead than go to prison. Hell I'd rather be dead than alive.

Guy pours a drink from the bottle. He drinks it and pours another.

GUY
I bought a gun. I thought I could just pull the trigger. Simple right? Well I can't bring myself to do it. I need help.

Lex grabs the bottle and pours a drink. He tosses it back and pours a drink for Guy.

LEX
I think I know how I can help us both.

INT.GUYS LIVING ROOM - NIGHT

Bright lights bounce off the white walls. The large but tidy apartment shines. All the doors are open except for the ones leading outside. Those doors are heavily secured with bolt and chain locks.

Guy walks through the bright apartment. He opens a drawer and grabs a handful of paper. Several sheets fall to the ground as he walks away.
Guy sits on the couch and pulls a pen out of his pocket. His sweaty shaking hands soak the paper as he attempts to touch it with his pen. He hesitates a few times before he finally begins to write.

To Mr. and Mrs. Anthony,

Guy quickly scratches it out and slides the paper aside. He grabs his head in frustration with both hands. He raises his head in deep thought. His eyes catch a liquor decanter and glasses.

He gets up and pours a glass which he quickly drinks. He repeats this several times only pausing between glasses to reflect.

Guy takes the near empty decanter and sits on the couch carefully placing the glass and decanter on the table. starts to write. Guy puts the pen down and tries to pour another drink but the once full decanter is now empty.

A shadow begins to appear in the background.

He grabs the letter and reads it over.

The shadow behind him grows closer.

GUY (VO)
I don't know where to begin except by saying that I'm sorry. I wished I could go back in time. I can't live with what I've done. I hope one day you will find it in your heart to forgive me.

The shadow of a man is upon Guy.

Guy turns and looks back into the barrel of a handgun.

GUY
It's you.

Lex stands holding a gun at Guys temple.

LEX
Yes Guy its me.

Lex squeezes the trigger. Blood and brain matter spray over the table and letter.

Lex places the gun in Guys hand before dropping it at Guys feet.

Lex walks out of the building and down the dark empty street. He removes his gloves, puts them together and places them in his pocket.
LEX (VO)
God died in me today.

A frazzled noose hangs from the light fixture in a small messy apartment. Greasy pans litter the stove and the trash flows out of the bag and consumes the sticky floor. A wobbly chair sits under the noose.

RAY (27), thin greasy and disheveled, plops down at the cluttered kitchen table. He grabs a used envelope and flips it on its clean back. He rummages through the clutter and finds a dull small broken pencil.

Ray writes one sentence on the back of the envelope and tosses the pencil on the table.

The envelope reads.

No one will care anyway.

Ray gently places the envelope down.

Ray stands on the chair. He opens the noose and places it around his neck. He hesitates for a moment, looks around, removes the noose and jumps off the chair.

Ray walks to the light switch. He turns it off then on again. He looks around the kitchen before deciding to leave the light off.

Ray stands back on the chair and tightens the noose around his neck.

Ray begins to whimper then cry.

The floor squeaks.

RAY

It's you.

Lex is standing behind the chair.

LEX

Yes Ray it's me.

RAY

Wait. Wait I can't...Stop.

LEX

Sorry Ray it's too late.

LEX
Brad you need to hold it. I need your prints on it.

BRAD

LEX
Go on. Go on. Both hands.

Brad begins to touch the gun with both hands. He hands the gun back to Lex.

BRAD
You really don't believe in God?

LEX
The world is an absurd place. Life is meaningless. It's up to us to find our own purpose. This is mine. If believing in god gives you meaning to life then I guess it is your purpose.

BRAD
Yeah guess you're right.

LEX
Now tell me what I told you. What do you do now?

BRAD
Fix the lights the way I want them. Then write the note and then I wait.

Rob holds his shoes up in front of the peephole.

Lex unlatches then opens the door.

INT.LEX'S LIVING ROOM - NIGHT

Lex and Rob enter the living room. Rob is staring at the hardwood floors.

ROB
The floors...

LEX
..are not the reason I asked you to take your shoes off.

ROB
Then why?

LEX
I am a very busy man. Right now I am a little short on time. So get to the fucking point.

ROB
Someone took these.

Rob hands several pictures to Lex who fingers through them.
LEX

Have a seat.

Both of them sit down. Lex continues to look through the pictures as if it is his first time.

I never looked at them closely. It has a much different feel then watching it happen.

ROB

You took those?

LEX

I did. I thought I could help you.

ROB

You did this to help me?

LEX

Couldn't stand to watch this happen. Thought maybe you should know.

ROB

Well thanks for ruining my life.

Lex places the pictures down.

LEX

Do you think you would have never found out? Maybe you're asking yourself why? Why me? It would have only gotten worse. Ruined your life, it is she who ruined your life.

Rob clenches his fists.

ROB

That fucking bitch.

LEX

I bet you could kill someone right now.

ROB

Yeah...Yeah..I want to kill them both.

LEX

Seems like we both could use some help right now.
ROB  
(To himself)  
Well I guess it won't hurt to listen or even have someone to talk to about this. She was my only friend. Spent so much time together. We've been together almost three years.

LEX  
The feeling of having your dreams ripped away. I know it.

ROB  
Yeah I could use a friend.

LEX  
Forget about that cunt. Let's go for a ride. And by the way I'm no one's friend. Are we clear on that?

LEX  
(pointing)  
You see that.

ROB  
(Looking)  
Julie's Car?

LEX  
Julie's car and you already know the dude she's fucking.

ROB  
(looking away)  
Dayne.

LEX  
I don't know if you're that stupid or just that pussy whipped to not see this coming.

ROB  
She said he was harassing her when I questioned her about it. She said he had stopped. Last I knew he was living in New Hampshire. Thought nothing of it.
LEX
And you let him into your house. You should have broke his fucking jaw.

ROB
We ran into him after three years or so at this bar we used to go to together. She invited him and his date to the house for drinks. She made me promise not to say anything.

LEX
So your old lady used you as her wingman. She made you her bitch. Well at least you're gonna do something about it.

ROB
What should I do?

LEX
Seems to me there is only one thing to do. You have to kill them both. You're never gonna be able to move on if you don't. Trust me.

ROB
I'm afraid you might be right. Will you help me. By that I mean will you be there with me.

LEX
I wouldn't miss it for the world.

ROB
How did you know?

LEX
I had stepped out after taking the pictures. I was gone maybe four hours or so.

ROB
Work?

LEX
Work. When I returned I noticed that your friend had returned. So I watched him. He made a call but I don't think anyone answered. I walked around the building got in my car and followed him here. You're girlfriend is a bonus I didn't know she would be here.
ROB

Lex puts the envelope back in his pocket.

Adam stands up and begins to pace.

ADAM
They say that people I love are going to start disappearing if I don't give them the money by noon tomorrow.

LEX
Why do you owe them this money?

ADAM
I was at the bar drinking with the little money I had left and there he was a man.

LEX
A man? A man just gave you money?
ADAM
I was in a bind. I told him my story?

LEX
You pimped yourself out?

ADAM
Yeah I guess? Not at first. It just kept growing every time I tried to pay it. It never went away.

ADAM
A bullet will do.

Lex pulls a gun from his pocket and holds it out in his glove.

ROB
(Yelling)

Rob bangs his hands on the table.

LEX
How do you feel about her now?

ROB
I hate her. I hate everything about her. I hate everything we did together. I hate my house. I even hate my own memories.

LEX
I'll tell you what. You can stay here I'm gonna be moving on soon.

ROB
You're leaving?

LEX
Soon. First we need to take care of your troubles. Now, tell me what are we going to do about this?

ROB
I want them dead. I just want to kill them.
LEX
You have thought this through.

ROB
You're right I can't live with this inside me. I have to do something.

LEX
I've got a plan.

ROB
(To himself)
I can't believe she would do this. First my mother now her.

LEX
Rob it is important that you focus now.

ROB
Yeah. Yeah. Focus. You're a good friend.

LEX
Let’s get one thing clear. We're not Fucking friends. I'm not gonna repeat that again.

INT.CAR - DAY

Rob and Lex sit in a car in the motel parking lot.

ROB
Two days in a row. You know I can't remember when I got laid two days in a row anymore.

LEX
I bet he has a bigger penis than you.

ROB
Thanks.

Rob looks at his watch.

LEX
Well we should at least let them into it.

ROB
It. What do you mean?
LEX
We need to wait until they are fucking. There, are you happy now? I said it. Haven't you noticed I've been trying to spare your feelings a bit.

Rob stares at Lex. He opens the car door and swiftly exits. Lex throws his cigarette out of the window and follows. Rob kicks the door in. Lex follows him into the room.

INT. MOTEL ROOM - DAY
Julie and Dayne are surprised. They lie naked on top of the bed.

Rob and Lex walk toward the couple with their guns drawn.

ROB
I don't understand. Why? Why?

DAYNE
Rob it's not what it looks like.

Rob wraps his hands in Dayne's hair and smashes his face with the butt of the gun. Dayne falls to the ground holding his bloodied face.

Rob points his gun at Julie.

JULIE
(pleading)
Rob please he means nothing to me. You don't have to do this. I love you Rob.

Rob stands next to Lex. They both have their guns pointed toward Julie.

Tears roll down Rob's cheek.

JULIE
Please Rob give me another chance. I promise I'll make it right.

ROB
I'm sorry it's too late.

FLASHBACK TO:
INT.LEX'S APARTMENT.DAY

Lex stands in his living room. He listens on the phone as his face grows sad.

    WOMAN(VO)
    The tumor....She's gone Lex..

The phone falls to the floor.

    WOMAN(VO)
    Lex...Lex...Lex.....

Lex standing in shock falls to the floor in anguish.

INT.MOTEL ROOM - DAY

Lex drops his gun to his waist. He looks over at the saddened Rob. Rob is silently crying with his gun pointed at Julie's head.

Julie continues to cry and plead. Dayne remains petrified and stiff as he stares at the two men from the floor.

Lex puts his hand on Rob's gun and pulls Rob's gun down.

    LEX
    I can't let you do this, Friend.

Rob turns and cries violently on Lex's shoulder as

EXT.MOTEL - DAY

Rob and Lex walk toward the car. Lex is visibly shaken and upset.

    ROB
    You're a good friend Lex. I at least have a little dignity left.

    LEX
    Dignity you say? Dignity is just another word for nothing left to lose. You my good friend have a lot to live for. You have a new start. No regrets.

Lex puts his arm around Rob's neck and pulls him close while they walk.

    LEX
    I think you're ready to help me.
INT. LEX'S LIVING ROOM - NIGHT

Lex sits in a chair wearing a tank top and sweat pants. Lex is sitting and writing. He is very clean, glowing. He finishes writing and folds the paper. He slides it in an envelope and places the envelope on the table next to another one filled with money.

The floor creaks.

Lex sits back in his chair.

LEX
Is that you?

ROB
Yes Lex it's me.

Rob fires the gun and sprays Lex' flesh and blood onto the table.

There is a large hole in Lex's head.

Rob grabs the money envelope off the table.

The large hole in Lex's head continues to drip down his face and onto the floor.

Rob exits.

Lex's head has stopped dripping as the camera fades back.
