INT LA STOREFRONT OFFICE DAY

Teller Lowder, a 20s something tall man wearing a suit, arrives to his office that is a small storefront office in Los Angeles in the early morning. Campaign posters for Supreme Leader 2031 with American flags with Teller's face are splashed all over the front window and inside of the office.

TELLER

Come on everyone out! This is my campaign headquarters for supreme leader can't you find another place to sleep?

BUM NUMBER 1

How about as supreme leader you get us cots to sleep on at night in here? You are supposed to care about everyone right?

6 BUMS TOGETHER

Yah, cots would be nice. Yah we want cots!

TELLER

I want to be supreme leader not supreme sucker. Just get out and don't come back.

Sandy a 20s something athletically fit with beach bum attire arrives and she hands all the Bums leaving a joint.

TELLER (CONT'D)

Sandy don't do that you are encouraging them to stick around.

SANDY

It's just business Teller relax a girl's gotta make a living until you make it to supreme leader right?

BUM NUMBER 1

She should be supreme leader. Hey can I get your number this smells like pretty good stuff?

6 BUMS TOGETHER

Yah she should be the supreme leader! Weed for everyone!

Bum number 1 and the rest all pull out their high end phones and Sandy gives them all her number.

TELLER

How am I going to become supreme leader like this?

Cash, a 20s something jock wearing athletic attire arrives and he looks like he just stepped out of the gym.

CASH

What's on tap for today supreme leader?

TELLER

Hopefully I am going to have a surge in popularity today. We need to figure out a good Tweet.

SANDY

Forget the tweet we need a rally. Bring people together get them all into you at once.

Bunny a 20s something debutante that whose always dressed to the nines but appropriately, walks into the office and overhears the rally idea from Sandy.

BUNNY

Rally? Oh that sounds fun I can get that organized at my daddy's country club!

TELLER

Not the country club we need something bigger if we are going to try to get a load of people following me at once. How about the stadium?

CASH

You only have 20 Twitter followers Teller. I don't think that fills a stadium.

Tanner, a 20s something surfer wearing beach bum attire walks in and sand falls to the floor. Teller sighs.

TANNER

Tell everyone that they will get free weed, you'll fill a stadium.

SANDY

That's more weed than I have Tanner. Hey want to smoke?

TELLER

C'Mon guys this is serious. I really want to be supreme leader.

The bums are all outside smoking the joints Sandy gave them. Sandy and Tanner go outside to smoke with them. Teller, Bunny and Cash are all looking out the window at them. One of the bums starts pissing on the sidewalk out front.

TELLER (CONT'D)

Hey don't piss here go piss at the next business!

BUNNY

My daddy wants you to win so he can have all the perks Teller! So how about you just let me do the country club party? Doesn't that sound fun?

TELLER

Sure Bunny okay, it's better than anything else we have going on for the moment.

Cash walks away from the window and sits at one of the desks at a computer.

CASH

So what's going to be your Tweet for today supreme leader? Hey you have one more follower! Oh no wait, forget it, you lost two.

INT COUNTRY CLUB DAY

Bunny is excited running around the room being pleased at the perfection. Her dad Melvin, 50s something fit handsome and obviously successful, walks in and smiles at his precious daughter he loves giving her everything she wants.

MELVIN

You have once again done a really nice job here honey. But do you think Teller really has a chance at all in being elected to Supreme Leader?

BUNNY

Oh Daddy of course he has a chance if you keep helping. Just think of how much we can all get if he makes it?

MELVIN

Okay Bunny, so when is Teller getting here? I would like to talk to him before this shin dig gets going. You know, just make sure he doesn't embarrass himself in front of my friends.

Teller walks in and overhears Melvin saying he might embarrass himself to Bunny.

TELLER

You don't have to worry about that Mr. Weener. I have my whole speech memorized and it's a real doozy. Should turn all your friends into supporters and my voters.

Melvin looks at Teller and we can see he isn't so sure about him.

BUNNY

Don't worry daddy Teller really wants to become Supreme Leader. He will do fine in front of all your rich friends. Well, maybe you should wait until they are all drunk Teller, you know, just to make sure.

TELLER

Don't worry I have this covered. I am going to go study my speech some more. Let me know when people start showing up.

Sandy shows up and she is wowed by Bunny's work the whole place looks very upscale and perfect.

SANDY

Hey Bunny, this place looks great and this should be a lot of fun. Hey Mr. Weener how are things?

MELVIN

Well they are pretty good but I hope today isn't going to be a Titanic moment.

Tanner walks in and is also wowed by the room's look and sand spills onto the floor.

TANNER

Wow Bunny this looks great. Hey Sandy hey Mr. Weener. So where's the bar? It is an open bar I hope?

BUNNY

Thanks Tanner and of course it's an open bar. We want everyone to love Teller right?

A country club workers comes by and sweeps up the sand.

Cash walks in

CASH

Hey Bunny Teller got another Twitter follower. We are now at 19! I tweeted for him today.

BUNNY

What did your tweet say?

CASH

It said Teller will give everyone free phones when he wins. I added the picture of the bums outside with all their new phones out.

MELVIN

He better not say that in his speech tonight to my friends.

BUNNY

Don't worry daddy he knows he is talking to rich people today.

INT COUNTRY CLUB NIGHT

Bunny, Cash, Tanner, Sandy and Melvin are surrounding Teller in a backroom, who is now very nervous before making his speech.

MELVIN

Don't screw this up Teller!

TELLER

You are all making me nervous!

BUNNY

Don't worry Teller it's just my daddy's rich friends and they are all pretty sauced already. You will be fine.

Teller is now standing at a podium staring at the crowd who just like Bunny said are all pretty drunk.

TELLER

Hello everyone, I'm Teller Lowder and I am running for Supreme Leader so let me tell you about my ideas and what I want to do when I become Supreme Leader.

DRUNK ATTENDEE NUMBER 1

Cut to the chase, how much money do you want and what will you do for me in exchange if you become Supreme Leader?

Teller is nervous and thrown off as the rest of the crowd starts chiming in with the same thing drunk attendee number 1 said.

TELLER

I'm sure I will be able to help you all out when I become Supreme Leader. But let me..

The crowd breaks out cheering and everyone runs up and starts handing him checks.

Sandy, Tanner and Cash are standing in the back of the room. Bunny is collecting checks with her dad next to Teller.

CASH

Hey Sandy did you bring any weed? I think after this even I want to smoke.

SANDY

Sure thing Cash, welcome to the party. Looks like Teller has a real chance at becoming supreme leader.

EXT COUNTRY CLUB NIGHT

Tanner, Sandy and Cash are smoking a joint. Tanner looks down at his phone.

TANNER

Wow we are gaining tons of followers! Yep looks like Teller just might have what it takes.

SANDY

Guess it's all about what Teller will give people. Maybe your free weed idea is a good one Tanner.

CASH

How much weed would it take to give it away to an entire stadium of people?

SANDY

Too much, but he can just say he's going to give everyone free weed after he becomes Supreme Leader. I think if the free phone tweet worked that well the free weed tweet will at least triple that number.

Bunny and Teller come up to where Sandy, Cash and Tanner are. They all congratulate Teller.

TELLER

What are you congratulating me for? I didn't even get to say my speech.

BUNNY

Yah but Teller we got a ton of cash! That's what this was for and they will all vote for you now too. Don't forget Daddy or the rest of them when you become Supreme Leader Teller.

TELLER

Got any more weed Sandy?

SANDY

Sure Teller here you go. How about you Bunny are you in?

BUNNY

Of course I am, hey how about we go to the beach? It's a great night for Teller's campaign!

TANNER

I know a great beach bar let's go there instead and have some fun together.

INT BEACH BAR NIGHT

Teller, Tanner, Cash, Bunny and Sandy are seen at the bar doing shots and the table reflects they have been drinking for a while. Teller is the wildest but the rest are wild too. A news reporter runs up to Teller with a camera man.

NEWS REPORTER

Teller tell us why you are giving everyone free phones when you become Supreme Leader?

Cash's moves in front of the news reporter trying to stop her realizing he hasn't even told Teller yet what he tweeted.

TELLER

What? Free Phones?

CASH

You need to leave, we are having a private party here and you aren't welcome.

TANNER, SANDY TOGETHER

Yah, this is a private party you need to go. This isn't fair.

Bunny hands the camera man a shot first and then the news reporter.

BUNNY

You all should just join us and have some fun. Don't you get sick of working all the time? C'mon let's have fun together.

The news reporter and cameraman look at each other and decide to take the shot. Bunny gives them more shots as Cash gets them seats. Hours later the news reporter and cameraman are very drunk along with the rest of them.

TELLER

So who told you that I was giving everyone free phones? What a stupid idea.

NEWS REPORTER

Twitter

They all start laughing together.

INT LA STOREFRONT OFFICE DAY

Teller walks in and all the regular bums are there again.

BUM NUMBER 1

Is Sandy coming today? I called her last night but I didn't hear back.

TELLER

How do you have money for weed? I don't know you just all need to get out of here now! C'mon out!

BUM NUMBER 1

I won't be voting for you for Supreme Leader.

6 BUMS TOGETHER

Yah we aren't voting for you!

TELLER

Do you all ever vote?

Sandy walks in and hands out all the bums weed again. This time they are giving her money. Each pulls out stacks of cash from beneath their thick bum clothing.

TELLER (CONT'D)

Why are you all sleeping in here if you have all that money?

BUM NUMBER 1

We like the outdoor life.

The bums all exit and Teller goes over to his computer and checks Twitter.

TELLER

Oh my gosh Sandy I have thousands of followers now!

SANDY

Yah that's what offering free phones for everyone will do.

TELLER

What? When did I do that? Last night? I don't remember that. I think I definitely drank too much.

SANDY

No, you can thank Cash for that, he tweeted for you yesterday since you were busy with that speech you were going to do.

TELLER

You mean the one I wanted to do. Cash? Yesterday? Oh well guess I have to add that to my list of things I have to give people when I become Supreme Leader. At least I have more followers now.

Cash walks in

SANDY

Teller knows about the free phones Tweet but hey Cash it gave him thousands of followers.

CASH

So should we do the free weed tweet now?

TELLER

No Cash free phones is enough. I don't even want to do that but I guess that's what people want, free stuff.

Tanner walks in

TANNER

Hey did everyone notice how many followers Teller has now on Twitter? Maybe Cash should take over the Twitter account. How about offering free weed? Did we decide on that?

Bunny walks in

BUNNY

Did you see the thousands of followers Teller has everyone? Cash congratulations! Your tweet really worked.

TELLER

No, no, no we aren't offering free weed as part of my Supreme Leader campaign!

(MORE)

TELLER (CONT'D)

Before anyone tweets anything again
make sure to pass it by me first
please.

BUNNY

Let's count up all the money we
hailed in yesterday!

TELLER

Thank you for yesterday Bunny I
forgot to do that. You really
pulled it off even if I didn't get
to do my speech.

SANDY

Don't worry Teller you will have
plenty of time to do speeches.

TANNER

Hey Sandy want to go smoke?

TELLER

C'mon guys we need to figure out
what we are going to do next. We
can't take a break we need to keep
this train moving.

TANNER

I think better high Teller.

SANDY

Me too, let's go Tanner.

Tanner and Sandy walk out.

BUNNY

How about we get a hold of that
reporter from last night and get
you an interview? You can do your
speech then and get more followers
or I mean voters. We want voters.

CASH

No need to do that, the reporter I
guess wasn't as friendly as we
thought. Looks like they did a
video and aired it this morning. In
fact it's going viral.

Teller and Bunny go over to the computer Cash is at and look.
We see a video of all of them partying hard at the beach bar.
We also hear Teller say that free phones is a stupid idea.

CASH (CONT'D)

Well looks like we are going to
lose those thousands of followers.

Teller puts his head down in despair and walks outside where
Sandy and Tanner are smoking a joint with the bums and joins
them. Bunny and Cash run out a minute later.

CASH (CONT'D)

Don't worry Teller that video going
viral has made Twitter blow up and
we are a hit! We are actually
gaining more followers than we are
losing!

BUNNY

Yep, there it is, we are a hit!

They all hear the four phones ringing in the small office.
They all run in and start answering the phones. Everyone is
writing feverishly the requests for interviews being made.
Hours later the day is over.

CASH

Well looks like we made a big bang
start to you becoming Supreme
Leader Teller. Who would have
thought getting drunk in a beach
bar would give you the edge.

BUNNY

I think that just made him human.
You know most of them don't seem
much like that.

They all laugh together and in the end Teller let's the bums
in right before they all leave.

BUM NUMBER 1

Maybe we will vote for you.

TELLER

Maybe I will get you all those cots
tomorrow.

SANDY

They can buy their own cots Teller.
They have plenty of cash they are
some of my best customers now.

BUNNY

Hey Teller let's get the cots
anyway that would look good.

(MORE)

BUNNY (CONT'D)

You have a ton of interviews coming up you can make your help to these bums a winning issue for you.

TELLER

You know Bunny, guys, well, I am not so sure I am cut out for this. I mean is this just about giving people whatever they want? That wasn't my idea. I thought it would be different.

TANNER

Listen Teller, this is just what you have to go through, it's politics. Who takes politics serious?

CASH

Yah Teller you aren't thinking about quitting now are you? I mean we have this ball rolling finally. Yesterday you had a few followers and no one knew your name. Now? We have thousands of followers and that viral video has made you famous overnight! Don't quit now buddy we just got started.

TELLER

Well, if you guys are going to stick with me then okay. I guess you are all right. We did pretty good over the last two days I guess this isn't the time to quit. If we have to give away free stuff then I guess that's what we will do. I mean that's what everyone is doing right?

SANDY

Exactly Teller, you are just going with the flow. So do you want to offer everyone free weed?

TELLER

NO! Let's slow down while all this speeds up.

BUM NUMBER 1

So are we getting the cots or not?

6 BUMS TOGETHER

Yah how about those cots? We should get cots.

BUM NUMBER 1

How about some new clothes?

6 BUMS TOGETHER

Yah we want new clothes too!

BUNNY

Don't push your luck or you will be buying your own cots.

6 BUMS TOGETHER

Hey Sandy you going to be here tomorrow?

SANDY

Sure guys see you tomorrow.

Teller, Cash, Bunny and Tanner also say their good byes to the collection of bums as Teller closes and locks the door.

TELLER

How do they get in every night anyway?

CASH

Who knows and frankly I'm too tired to figure that out. Maybe tomorrow we can ask them. We know they will all be here.

Teller, Tanner, Sandy, Cash and Bunny all leave.

EXT STOREFRONT OFFICE DAY

Teller, Tanner, Cash, Bunny and Sandy all arrive at the same time in the morning and find a crowd of bums at the door.

TELLER

What's going on here?

BUM NUMBER 2

We heard we can all sleep here every night and get some pretty good weed too.

TELLER

NOOOOOOOOOOOOO!

BUNNY

Okay everyone it's only the first group of bums that get to stay here overnight. The rest of you have to find another business to stay in overnight.

All the bums moan their disappointment walking away, the main characters walk into the office to find the bums inside have cots and are making a home out of the office with pictures hanging as well as their personal things and trash strewn around.

Teller, Tanner, Cash, Bunny and Sandy sit staring blankly at all of them wondering what they should do next as the phones all start ringing.

BUNNY (CONT'D)

Okay maybe the cots weren't such a good idea.

END FIRST EPISODE.

SECOND EPISODE

INT. STOREFRONT OFFICE DAY

They are all seen busy on the phones and everyone is talking. Teller takes a break standing up and walking to the coffee station and Tanner follows.

TANNER

So this is beyond great Teller. I have booked you with fifty interviews on news channels, streamings, podcasts. I can't believe how your popularity took off. You are in demand!

TELLER

So fifty interviews? Is that like over a few months or something?

TANNER

No, they are all next week.

TELLER

A week?! Are you kidding? I can't do that many in a week! What were you thinking? You are going to have to call them back and rearrange it to something I can actually do.

Sandy walks over to Teller and Tanner.

SANDY

Hey Teller I have you booked for so many interviews. This is so good for the campaign!

TELLER

Don't tell me it's all for next week?

SANDY

Yah how did you know?

TELLER

Okay look you guys, I know you mean well but I can't possibly do that many in one week. So you will have to cancel some, juggle them out to the future, something, but I can't do a hundred, fifty or whatever insanity you scheduled me for in one week!

TANNER

Hey wait you are going to just have to bust them out. I don't want to send back all the presents I'm getting.

SANDY

They sent you presents too? Wow and here I thought it was because I was getting girl privilege.

TANNER

What are they sending you? One of mine is a surf trip to Hawaii it's awesome!

SANDY

I am getting a brand new bar-b-cue I guess my girl privilege is an illusion. I always kind of thought it might be but I was hoping.

TELLER

Guys, look I get it they are throwing presents at you. A bar-b-cue?

They all start laughing. Bunny and Cash gets off the phones and come over to them.

BUNNY

What's so funny? Wow those phones are brutal but I get to go to Paris!

SANDY

Paris? Hawaii? I got robbed.

TELLER

Okay everyone you can call all those people back and tell them you aren't taking their gifts to get an interview with me.

CASH

I don't want to get rid of the Harley it's a beauty! No, sorry Teller you are going to have to do every interview we set for you.

CASH, TANNER, BUNNY AND SANDY TOGETHER

Yah, you can do it Teller! We believe in you buddy!

BUNNY

Hey how about we line them up and they all get a 5 minute interview. Teller you can do that in a week. I want to keep my Paris trip.

CASH, TANNER, BUNNY, SANDY TOGETHER

Yah that sounds good, how about it Teller that sounds like it would work.

EXT STOREFRONT OFFICE DAY

It's a thick line of reporters outside and the line goes out of site around the block. The bums are doing crowd control while Cash is riding his brand new Harley back and forth along the line.

Teller is in a corner with Sandy, Cash and Tanner and everyone is crowding in waiting for their turn at an interview when Bunny breaks through the crowd again.

BUNNY

Time's up! Next, next reporter, podcaster, YouTuber, streamer, whose next in line?

REPORTER WHO WAS IN THE INTERVIEW

Hey 5 minutes isn't enough. I didn't know all I would get is 5 minutes! This is an outrage.

BUNNY

Don't be upset, Teller is a hot property and this is called fair to all of you. Don't you see that? No one is getting more than 5 minutes.

Tanner breaks into the conversation moving towards the reporter like a bouncer.

TANNER

Time's up c'mon now just go away, don't go away mad, but please go away. There are people lined up around the block and this was the only way we could accommodate all of you.

Sandy walks over and hands Newsreporter 1 a joint.

SANDY

Here take this you will feel better.

NEWS REPORTER 1

Hey thanks, did I give you the Paris trip? I hope it was you.

SANDY

No I got the bar-b-cue. But hey I like Paris too. How about it?

NEWS REPORTER 1

That's a shame but hey how about I get your number?

SANDY

You don't have a weed connection?

NEWS REPORTER 1

Yah that too but I was thinking..

SANDY

Nah, you know I don't mix business with pleasure but thanks.

NEWS REPORTER 1

Okay then as a weed connection this stuff smells great.

SANDY

Sure here's my number.

TELLER

Can you not transact that part of your business here?

NEWS REPORTER 1

Give the girl a break so do you smoke too?

TELLER

Rarely but yes, so is that the next big story?

NEWS REPORTER 1

You called it not me. Gotta go, thanks Teller I got what I wanted.

TELLER

And I thought the interview with that one was one of my better ones.

SANDY

Forget it Teller my word on him is he smokes more than his fare share so he won't remember it.

TELLER

Well, what if he does? I mean I don't stand against it and definitely wouldn't punish anyone for it.

SANDY

That's why you would make a great Supreme Leader for me Teller. You are the great weed warrior.

TELLER

Not quite what I wanted for an image but hey maybe I should just be me. I guess I was trying to be who I think they wanted me to be, everyone wanted me to be.

SANDY

Did you smoke Teller? Listen you are doing great! Keep it up. Once you are Supreme Leader it will be smooth sailing from there. Just have to fulfill the million promises to everyone to get there.

TELLER

Yah I guess you're right.

Bunny breaks in to bring the next interviewer a podcaster with a big fuzzy mike connected to a small tiny nerd box on his hip recording it all.

BUNNY

He is from podcasts all about the Supreme Leader. About 10K followers so reach is good. You ready Teller? We still have a big line outside but I sure am glad my Paris deal already got through the line. I just got my tickets and reservations!

PODCASTER

You take bribes?

TELLER

What? I haven't taken anything except legitimate campaign contributions.

PODCASTER

This job is for Supreme Leader so it's important to know the truth.

TELLER

What's your truth then? Campaign contributions are bribes? If they are yes, I am guilty and I guess everyone running for Supreme Leader are too.

PODCASTER

Okay, okay I get it relax. So what are you going to do for the technology world? What are your plans there? Be honest if you can be.

TELLER

I don't like you suggesting I'm going to lie. But yes, the technology world that's a great question and one I am excited to answer.

BUNNY

Five minutes are up, time to go podcaster NEXT!

TELLER

Hey Bunny I would like to answer his question.

BUNNY

Yah I know Teller but the line is too long to spend any more than five minutes or the whole thing falls apart. I'm pretty sure Cash's Harley hasn't gotten through yet and I don't think he's giving that back. I know Sandy's bar-b-cue came through but not so sure about Tanner's Hawaii trip and you know how he would feel about that.

PODCASTER

So I guess you aren't getting anything directly but your team is cashing in. You would consider them your inner circle right?

TELLER

Your five minutes are up but I would be happy to continue our conversation at another time right now all I have is 5 minutes to be fair to everyone.

(MORE)

TELLER (CONT'D)

I take campaign contributions and my team are my friends who have helped me before all the attention and they helped get me here so don't talk bad about them. You don't know them like I do.

BUNNY

Thanks Teller but you are sounding too sappy now.

TELLER

Yah I agree, but I am going to be an expert before we finish today. Let's do a watch party tonight?

BUNNY

You mean just you and me?

TELLER

Sorry Bunny no, with everyone. But why did that no sound so wrong? Okay no, no with everyone.

BUNNY (LAUGHING)

Okay Teller with everyone it is. I will tell them later. Next! C'mon don't dilly dally we have to get to everyone!

EXT STOREFRONT OFFICE DAY

Outside campaign headquarters the crowd has grown so large the bums are trying to control the unruly line and it creates a ruckus that brings a swarm of police in cars and on foot into the fray.

INT APARTMENT NIGHT

Teller's apartment upscale but not rich, and it's late night and Teller, Sandy, Bunny, Tanner and Cash have just finished watching all the interviews from that day.

TANNER

I have to say Teller, you did an awesome job with most of them.

TELLER

Well thanks Tanner I tried my best every 5 minutes I spent with all of them.

CASH

Yah thanks Teller my Harley is amazing. You did do a good job, I am kind of surprised.

TELLER

I get it Cash, I am surprised too.

BUNNY

Good job Teller I am going home, it's another big day tomorrow.

SANDY

Yep, me too. Good job Teller.

CASH

Hey your Twitter followers are up to fifty thousand!

TELLER

Thanks guys I couldn't become supreme leader without you all.

TANNER

Well you might not become Supreme Leader because of us all.

Teller's phone rings and it stops them all from leaving out the door. Teller looks at the phone not wanting to answer it but he does.

TELLER

Hello? Really? Now? How is that my. Okay no problem I will be right there.

CASH

Where are we all going now?

TELLER

To the jail to bail our bums out.

BUNNY

How did they become our bums? But this will make great press for you Teller. I'm in let's go.

SANDY

Maybe we should tip off one of the reporters to cover it?

TANNER

The reporter that gave me the Hawaii trip should get it.

BUNNY

No, no it should be the one who gave me the Paris trip.

SANDY

I don't care about my bar-b-cue guy

CASH

The Harley gift is the best it's the gift that keeps on giving.

TELLER

Okay pick one already but let's go it's going to be a long night.

Bunny, Tanner and Cash hurry and call the reporters they want to have the scoop at the same time.

INT AUTOMOBILE NIGHT

We are inside Teller's car and he has the regular bums all squeezed in with him.

TELLER (CONT'D)

So where to?

BUM NUMBER 1

The usual place, your place that's now our place.

ALL THE BUMS TOGETHER

Yah it's our place now!

TELLER

Okay, well during the night, maybe.

EXT STOREFRONT OFFICE NIGHT

Teller drops the bums off at his office. They say their thank yous and start walking around the corner. Teller thinks about following them to see how they are entering his locked campaign office but decides not to and drives off.

INT. STOREFRONT OFFICE DAY

Just as Teller arrives a truck pulls up and starts dropping tons of bags filled with mail envelopes.

TELLER

Excuse me, what is this?

DELIVERY DRIVER

It's mail, for the Teller Lowder campaign. Are you Teller Lowder?

TELLER

Mail? Who uses mail still? Yes, I'm Teller Lowder.

DELIVERY DRIVER

Well okay then so it's all for you. What are you campaigning for?

TELLER

Supreme Leader, you should vote for me.

DELIVERY DRIVER

Supreme Leader? You? This little office? Well you sure got a whole lot of mail for some reason. What do you stand for Mr. Teller Lowder?

Teller is pleased that he finally gets to explain his platform to someone. Just as he starts to speak Tanner, Bunny, Sandy and Cash show up and all the bums start exiting the office from the front door.

DELIVERY DRIVER (CONT'D)

Well, I guess you will tell me some other day. I gotta go anyway. Good Luck Teller Lowder.

(He chuckles about it and leaves.)

CASH

What is all this? Who uses mail?

BUNNY

I still use mail, I love the cute cards and envelopes.

SANDY

I really like the cards you send me Bunny.

CASH

So do I Bunny.

Tanner and the rest grab a few bags and the bums start doing the same. Teller walks over to the bums and grabs the envelopes out of their hands drops them back in the bags and starts pushing the bags all away from them.

BUM NUMBER 1

Every time I start liking you, you do something like this and we all change our minds.

TELLER

You aren't part of the official campaign so you shouldn't be reading our mail.

BUM NUMBER 1

We did crowd control for the campaign yesterday or did you forget?

TELLER

How could I forget? I bailed you all out of jail remember?

Sandy walks over to the bums and hands them each a joint. They collectively leave.

TANNER

These are all donations! But it looks like every one of them has a list of promises you have to keep if you cash their check.

INT. STOREFRONT OFFICE DAY

It's hours later and we see Teller and the rest all sitting in front of bags with tons of checks piled up along with the letters that came with them.

CASH

Well every one I have looked at says you have to keep a promise for the money.

SANDY

Me too, every single one.

TANNER

Same problem here, but is that really a problem?

Teller pulls one up that is from his grandmother

TELLER

Oh here is one from my grandma I am sure she is just helping and not asking for anything.

When Teller pulls out the check he smiles but when he opens the letter it is such a long list of demands when he becomes Supreme Leader for the money that it scrolls to the floor.

TELLER (CONT'D)

Well, I guess we know why it all came in the mail.

SANDY

So what does this mean? I mean they can't hold you to all of this. So let's just figure out how much money this is and then decide what to do with it that will help Teller become Supreme Leader. That's what those donations are supposed to be for so let's treat it like that.

TELLER

Well, I don't want to let all these people down if I can't keep all the promises they think I made to them.

BUNNY

Oh Teller you are sweet, you really should become Supreme Leader but honey forget about that. This is politics everyone trying to buy you off with their money. Who will they complain to? So let's forget about the small stuff and I'm with Sandy let's find out how much this is and decide what to do with it.

It's the end of the day and they are at counting the very last check.

CASH

Wow this campaign idea is a real moneymaker. You hauled in two million three hundred fifty five thousand dollars and two cents.

TANNER

Two cents?

TELLER

That was from a kid I think and it was a check for two cents.

BUNNY

We have to find that kid, that's a great story Teller even the kids support you! We have to find that letter and find that kid!

They all start going through all the letters looking for the kid with the two cent donation. Cash finds it hours later.

CASH

I found it, here it is, this is definitely a kid it's in crayon.

TELLER

Yah I think that's it I remember the crayon.

CASH

Looks like this kid lives in the Valley. Oh how sweet Maddy says he loves you.

BUNNY

I'm calling my reporter for the scoop and I said it first.

CASH

Let's just bring them all there. I bet we get another explosion of donations.

SANDY

Maybe I should call the bar-b-cue reporter and ask for a better present for this scoop.

TANNER

So are we going? I called my reporter he is giving me a jet ski for this scoop.

EXT SUBURB DAY

There is a massive showing of reporters with news vans etc including the podcaster with the big furry mike when they arrive. There is a middle-aged midget on the lawn talking to all of them but when they see Teller arrive they all come running up to their car.

INT AUTOMOBILE DAY

TELLER

What's going on here? Whose the midget?

The reporters are now screaming and shouting at them through the closed windows.

REPORTERS

What do you think of why Maddy sent you only two cents? Are you in a relationship with Maddy? Are you related to Maddy?

CASH

That can't be Maddy, that old guy on the lawn?

BUNNY

Let's just all get out and see what's going on. I'm sure it will be fine whatever it is.

SANDY

So what did that letter say?

Tanner looks down at the letter in his hand and reads it again as the rest of them get out of the car.

TANNER

I guess Cash should have read the whole thing.

The old midget comes running up to Teller and jumps up, Teller instinctively catches him ending up with the midget straddling his torso.

All the reporters start shooting pictures of Teller's face of shock as the old midget is kissing his face.

TELLER

Please get off me sir. This isn't appropriate. Please.

REPORTER COLLECTIVELY SHOUT TOGETHER

So are you anti-gay? Are you gay?

Teller struggles to get the midget off of him and Tanner and Cash come to help along with Sandy. Bunny stays back. The midget is a great wrestler and they can't get him off Teller as the reporters keep shooting and barraging him with questions.

BUNNY

Teller isn't gay and he isn't against gays. He's just not into any midget straddling him.

REPORTER COLLECTIVELY SHOUT TOGETHER

So you are anti-midget? Do you have a midget phobia? Is this your father?

They all fall to the floor together as the reporters continue clicking and filming all pushing and shoving each other fighting for the best shot. Teller finally gets free of the midget and stands up his clothes are in tatters he is scraped up and disheveled.

TELLER

I am not anti-gay or anti-midget I came here to meet one of my supporters that apparently has a deep affection for me. I understand!

The midget starts crying and jumps up on Teller again straddling him once more causing Sandy, Bunny, Tanner and Cash to jump on Teller trying to dislodge the midget all falling to the ground again while the reporters crowd around them desperately wanting the best shots and quickly begin tripping on each other falling onto the pile. The only one left is the podcaster with the large furry mike speaking at the side.
