**TIME 1.00**

SMASHCUT:

1 INT. MASS SERVICES CENTER - SECONDS BEFORE REANIMATION 1

SPLITSCREEN: VERTICAL

Left: JourneyJay is prepared to capture Skeptical Rick on his phone once they reanimate. It's animated in the Rick and Morty style.

Right:

Donald, the Nerd, and Goofy are still frozen, the Nerd having just hit the ground. It's animated in the Robot Chicken style.

TEAM MEMBER

We go live in 5, 4, 3, 2, 1...

The scenes continue, as if they were never frozen:

- LEFT:

New JourneyJay walks back somewhat. Skeptical Rick waltzes out of his end of the portal, back to the services center. He's carrying a pixie:

SKEPTICAL RICK

Hey look what I just got my hands on.

(Portal Closes)

These devils almost never come out into the open.

Yep, I'll get a pretty penny for this one.

PIXIE

Let me go! ... Ugf ... you'll pay for this

(Continues to struggle)

- RIGHT:

Off screen, we hear Drunk Rick yelling for Morty. He, along with FANBOY RICK shoot Donald and Goofy into plasma goop while rushing into frame:

DRUNK RICK

Morratty! I gotchu Morty, I  
(burps then starts puking)

- BOTH - Skeptical Rick walks past New JourneyJays camera, which follows to see all the ricks, the plasma goop, and the Nerd. The pixie camera, which should be in frame, is invisible again, so we can't see it.

FANBOY RICK

I did all the shooting thank you very much. Heeey, there he is, the one and only JourneyJay!

(CONTINUED)

The pixie camera follows Fanboy Rick over to New JourneyJay. Skeptical Rick continues over to the NERD and wakes him up with some smelling agent. You hear the Nerds grumbling(Background):

FANBOY RICK

heh, wubba lubba dub dub am I right?

NERD

huwaha? Where am I?

NEW JOURNEYJAY

You think i'm the only one?

NERD

Mickey!

Both cameras pan to KING MICKEY, but they keep their current focus in frame. Mickey is preoccupied with a boss heartless, oblivious to the obliteration of donald and goofy. New JourneyJay pans back quickly.

SKEPTICAL RICK

There can be only one am I right?

A giant portal opens and a full length trolley comes smashing through, into the boss heartless. Mickey avoids it.

- LEFT:

The back end slides outwards into New JourneyJay's frame, rolling on its side and almost smashing through Skeptical Rick and the Nerd. They jumped through the portal in the knick of time. Drunk Rick is nowhere to be seen. The trolley car stops short of mowing down Fanboy Rick:

FANBOY RICK

Shit!

He's incredibly shaken, as is New JourneyJay:

FANBOY RICK

Now I know how Beth feels!

New JourneyJay is too shaken to hold the phone, it drop and cracks on the ground. We see a Doctor Strange portal open and Doctor Strange exiting the portal. He launches a shield to protect himself from blasts we can't pinpoint...its suddenly a warzone. JourneyJay3 runs out of the portal and guides the two shaken comrades into a split open part of the trolley. It is clear that the heat is too hot to escape through the portal. The camera is shot dead by some stray rounds.

(CONTINUED)

- RIGHT:

The pixie camera zooms in on Gangsta JourneyJay phasing through the wreckage unscathed and with much confidence...holding his magic wand. It tumbles to see JourneyJay2, (The JourneyJay that had sex at the end of 002), clawing out of the wreck with a wand that's dull in color and bent over like string cheese:

JOURNEYJAY2

Why! Why did we have to converge,  
now of all times!

As the camera goes back to Gangsta JourneyJay with the quickness, he's landing on the ground with his backwards hat on in shock over what he's done...we also start hearing cries from other passengers:

DEEP VOICE

ha ha my nigga...

GANGSTA

JOURNEYJAY

oops...oopsies

He notices the Pixie on the camera, the camera is knocked over on its side and shuts down.

Two new vertical frames open from their horizontal centers, immediately. They are animated in The JourneyJay Show style.

- LEFT:

SCENE MUTE

JourneyJay3 is turning down pleas for help inside the cab. He's commandeered Ricks damaged laser gun and is carving an opening to the side opposite they entered. Fanboy Rick can barely stand and New JourneyJay is looking around as though he just lost an arm.

FAVOR ON JOURNEYJAY3 HARD AT WORK

- RIGHT:

We can see the laser gun carving through the trolley car, it takes a second for them to make an opening. A group of Ninja Pixies has the pixie cameraman in a restraint. He's struggling as Gangsta JourneyJay approaches.

GANGSTA JOURNEYJAY

What are you doing pixie, why you  
wobbling around on the ground like  
that?!

(CONTINUED)

One of the ninja pixies tosses the camera pixies phone at Gangsta JourneyJay. It decks him in the face, which makes it ding. That ding brings forth the head pixie as Gangsta JourneyJay hits the ground. Upon impact with the ground, Gangsta JourneyJay drops his wand, and all but ome ninja pixie pounce to grab it.

GANGSTA JOURNEYJAY

Nigga my wand! I dropped it oh no,  
where'd it go! Where is it!

HEAD PIXIE

This better be import-  
(Notices situation)  
Uh oh, first the "faries" with that  
other JourneyJay and now this.  
Ninja Pixies, we had a deal.

Gangsta JourneyJay keeps stumbling around like Velma Dinkly without her glasses. The one remaining ninja pixie has stuffed the camera pixie into a balloon. He raises his mask just above his lips. The frame boundaries slide until just the eyes are showing. It then shows the head pixies eyes, and then the frame returns to normal. Both pixies glide from opposite directions into the center of the frame.

NINJA PIXIE

We meet again rich one

HEAD PIXIE

You told us that we'd never have to  
deal with your shenanigans if we  
stayed out of your universe  
cluster, yet here you are.

NINJA PIXIE

Times have changed, the multiverse  
has conspired against us!

HEAD PIXIE:

...That's nonsense. whatever you're  
doing here is nonsense. I see he  
has a wand...are you trying to  
destroy our universe or do you plan  
on dusting your way out first.

The Ninja Pixie goes to speak:

HEAD PIXIE

I don't want to hear it,  
(Dings up a pixie security  
team)

(MORE)

(CONTINUED)

HEAD PIXIE (CONT'D)  
leave us the wand and be on your  
way, the ninja council has some  
explaining to do...

NINJA PIXIE  
Of course...

The Ninja Pixie lowers his mask and sends a signal to the  
ninja pixie group to relenquish the wand. They do so very  
reluctantly.

- BOTH FRAMES:

A very unfruitful effort JourneyJay3 snaps his fingers...and  
the side melts away.

JOURNEYJAY3  
Holy shit it worked!

Doctor Strange goes flying over the trolley cab which blows  
into two. He slips into another one of his portals just as  
he's about to hit the ground. The side of the trolley cab  
closest to right frame spins towards it, obliterating the  
camera and all of the pixies.

END SPLITSCREEN

JourneyJay3, New JourneyJay, and Fanboy Rick see  
JourneyJay2. The warzone has returned behind them and is  
approaching:

NEW JOURNEYJAY  
No way he's got a wand!

SKEPTICAL RICK  
Not the time we gotta move!  
My portal gun is toast!

New JourneyJay pulls on the wand and the half of JourneyJay2  
we saw coming forward earlier is actually detached from his  
lower portion. New JourneyJay shrieks.

SUPER ON BLACK: Meanwhile...

2 INT. ROBOT CHICKEN UNIVERSE - DAY

SETH GREEN 2:

NERD

Oh master i'm so sorry but I have  
failed you! Don't feed me to the  
sharks!

(Winks and smiles)

SKEPTICAL RICK

You have a master now? You're the  
lowest Morty i've ever met!

NERD

I, am not...MORTY!!!

SETH GREEN 2:

Wha you're not?! Well you sure as  
hell had me fooled! What about your  
classified add on backpage.com the  
one you...you know, sent

BACK TO SCENE:

4

INT. ROBOT CHICKEN UNIVERSE - DAY

4

SKEPTICAL RICK

Wait...backpage?!

NERD

Yeahhh, i'm the real reason it was shut down. They tricked me...a lot of times Rick-

SKEPTICAL RICK

hahahahaha, you got yourself fucked...like how many times?!

NERD

Shame on me for thinking I could find love, instead I get left out in the rain...everytime.

SETH GREEN

tisk tisk, i don't know this seems a bit in poor taste. I kinda need my Morty to be clean enough to not become the next burt and ernie you know? Are you saying you got raped a bunch...or are you saying...you, did the, nevermind forget I said anything. The point is, you had us all fooled!

(CONTINUED)

NERD

...I'm the Nerd...from your show,  
and you can't recognize that!

SETH

...um...no?

SKEPTICAL RICK

Alright Morty what i'm hearing is  
that this guy created you, then  
that means he created that drunk  
fuck you care so much about. Let me  
guess, he's the reason we look like  
someone crapped out toys of  
ourselves.

SETH GREEN

That would be me. I sent Morty here  
to get your portal gun so I could  
spy on my associate JourneyJay, for  
I heard he was creating a  
multiverse and by darnit only I can  
have a multiverse!

Peter griffin enters, so does homer simpson, and bob from  
bob's burgers.

PETER

Hold it right there! I've got a  
multiverse too!

BOB

Yeah me too!

HOMER

Yeah and me!

A pause. Skeptical Rick starts a slow clap.

SKEPTICAL RICK

bravo...you all forget that I'm the  
one he needed. Me, the Rickster,  
the head honcho, I'm the one that  
actually travels the multiverse so  
he needs me and my genius to get  
anything done.

SETH GREEN

That's why I paid Morty here a  
fortune to eliminate you and take  
your portal gun so I can rein  
supreme.

(CONTINUED)

The Nerd hits Skeptical Rick over the head with a rock.  
Peter giggles:

PETER GRIFFIN

A rock...

NERD

What have I done!

ARC MANY TIMES AROUND NERD:

NERD

whhhhhhhhy!

CUT TO:

5 EXT. PIXLY INC. - DAY

5

The head pixie appears with the security team, tattered and disoriented.

HEAD PIXIE

This just won't do. Something big  
is going on.

He calls up a new security team.

HEAD PIXIE

Alright listen up boys, the  
destruction of the universe is at  
hand.

He begins to go over a detailed plan in mute while a  
splitscreen slides in from the right side.

SPLITSSCREEN: VERTICAL

6 RIGHT - NINJA PIXIE COUNCIL - DAY

6

The ninja pixies approach.

COUNCIL MEMBER

what is it?!

NINJA PIXIE

The oath we have to honor the  
barrier, it is weakening! The time  
came to offer wand as tribute, now  
we are forced to sacrifice that  
gift to harbor our plans.

(CONTINUED)

COUNCIL MEMBER

Are the pixies onto us?! We must  
act now if we're to-

The wand reacts...

NINJA PIXIE

Oh no, get this back to JourneyJay  
now!

A rush of assailants come bursting into the chamber. As one  
speaks, the frame slides left into darkness, replaced by  
another frame that slides in beyond that darkness:

ASSAILANT

Damn pixie ninjas thinking they can  
keep hiding from us!

SLIDEFADE:
