TOM

Welcome to PC center can I help with something.

ANGIE

Yeah, I bought this laptop a few months ago and something is wrong with it. I have very important work on here, so please don't erase anything off of it.

TOM

No problem we will have her fixed, before you can say spam!

ANGIE scratch her chin sarcastically.

ANGIE

Spam. You have failed sir that's going to cost you buddy. Now you must do something to redeem yourself.

TOM

I'm sorry!

TOM looks confused.

ANGIE

Well let me take you out to dinner.

TOM

Um? OK I have to redeem myself somehow. I would hate to give my employer a bad name.

ANGIE

Then it's a date. Meet me at the Mexican restaurant across the street in a hour.

TOM

How do you know if I am off at that time?.

ANGIE

You leave everyday at five you get off of work the same time as me.

Angie turns the computer around and turns it on.

TOM

Hey it turns on I thought that was the problem.

ANGIE

Wow I guess your a better pc tech then you thought I will see you in a hour.

Angie walks out of the store and she is so excited she throws up her arms and drops the computer on the ground . The Screen breaks. Angie walks back into the PC store she looks back at Tom.

TOM

What seems to be the problem?

ANGIE

I broke my screen I need to get it fixed. I'm sorry I have a confession, I did not need to get my computer fix I just think your a cute nerdy guy.

TOM

I was wondering why did you bring a working laptop. Your a very pretty lady and it would my honor to join you. I have parts for your computer at my house. No charge.

ANGIE

Thank you very much, sorry what's your name I don't think I got it before.

TOM

My name is Tom Lemur.

ANGIE

My name is Angie Sweden Samuel.
