EP101
"OH A WEREWOLF"
BY
DOMINIC TURNBULL

PODCAST

Open with strange music playing, epic, cool and very X-files like. It slowly fades as the sound of the titan rise am morning show plays out.

The sound of TOMMY, a sixteen year old inter is hosting the show.

TOMMY (V.O.)

Helloeveryone and welcome to the first ever show of the titan rise am new morning show. You're joined by me Tommy and man what a hell of a place we have here.

As if on cue, the bleeper is heard.

TOMMY (V.O.)

And as if that more to say that would be the first record in the show. My lovely producer has just managed to beep me in the first minute of the show.

MIKE (V.O.)

Language please, there are kids listening to this.

TOMMY (V.O.)

It's six in the morning. Most kids do not get up till seven, believe me I know.

MIKE is an older person, with a cool jazz loving voice that helps his nineteen year old producer credit.

MIKE (V.O.)

My brother doesn't get up till six thirty. And if I were you, I wouldn't want to disappoint him.

TOMMY (V.O.)

Of course, but still... This town is amazing.
(beat)

It has everything you ever want in a place like this. Car sales that never go over a thousand pounds. A sweet bakery that somehow stays open all night, even that weird diner that also stays open is tasty.

MIKE (V.O.)

You've been to the diner?

TOMMY (V.O.)

Yes, it is the only place near my house. Why do you ask?

MIKE (V.O.)

eh, it just that place happened to be rated the worst place to eat out of all of titan rise council of commoners rating. No one knows why they put it there but some have conspiracy?

TOMMY (V.O.)

I eat there, there is nothing bad about the food. In fact, it tastes like a professional strip of meat any place can cook up. Maybe have some chips with my Hoggie wrap.

MIKE (V.O.)

Ok. Let's back it up. What is a Hoggie wrap?

TOMMY (V.O.)

A wrap with Donner meat and chips in it, with some cheese thrown in. It was tasty.

MIKE (V.O.)

Ok. Maybe not think about having it in the future.

TOMMY (V.O.)

Moving on, there is something I want to ask you as a personal question for a long time Titan rise resident.

MIKE (V.O.)

Those meats do sound nice but with chips it sounds...

TOMMY (V.O.)

Mike, are you listening. I wanted to ask you something.

MIKE (V.O.)

Oh right. Sorry, I got a little occupied. What do you want to ask?

TOMMY (V.O.)

The town. Why is it called titan rise?

Scillence.

MIKE (V.O.)

I don't know what you're asking about Tommy. The town has always been called Titan rise.

TOMMY (V.O.)

Yeah but I had some reports of what the town came to be in the past. It was all around the radio? Why not call it something else like Phoenix flies or turtlenecks?

MIKE (V.O.)

Well those are bad names for a town. And anyway, it is not like the ghosts and wolves of this town will come out and scare you at night. Or maybe was it the day?

TOMMY (V.O.)

Wait, so there is a supernatural connection now. Man, I should have gone into that mailroom job.

MIKE (V.O.)

Oh no, it's nothing to worry about. It is impossible that they will be coming out on the day. The night guys do that.

TOMMY (V.O.)

There night guys, as in people who deal with the night time radio. How the blazes do we get people into this radio station? It 's so old and that...

MIKE (V.O.)

Well I believe that if you live and earn well, you get somewhere.

(notice something)

Soot, were already late for a commercial. Folks we'll be right back after this ad.

The sound of texas ranch music is now playing. The sound of a cowboy voice RANDY is heard. He seems simple but the ad will say otherwise.

RANDY (V.O.)

Hello folks, and welcome to another randy snake tree ad. We have some good news folks, our new dead neck snakes are helping to bring back the community favours snake toe White snake's back on the market. Think of all those gals that you want to impress. Pulling up in your car with a hundred pound tail that looks like a snake. It would make all the girls look at you and say now.

EMPLOYE (V.O.)

Eh boss, I think those snakes are not dead.

RANDY (V.O.)

What do you mean there not dead? Of course they're dead. I ordered them to be killed by a wild hunter.

EMPLOYEE (V.O.)

Well they are about to start getting cranky as they are now starting to bite the customers.

RANDY (V.O.)

What the...

(noticing)

Oh beep we have to move. Triss got those snake dead stuff out the way. I think we have some possessed snakes in our shop.

TRISS (V.O.)

Where to boss?

RANDY (V.O.)

Anywhere. I'm heading to the bunker, this has to be the worst ad we have done in a long time. Why does this keep happening to us?

Ad ends. CUT BACK INTO THE SHOW.

TOMMY (V.O.)

What the (bleep) is that?

MIKE (V.O.)

Possessed snickerdoodles? Maybe they were trying to find the mice that stay in the store.

TOMMY (V.O.)

Eh no, the snake tree. What the heck is a snake tree? I happen to be around people who own snakes and they never talk about it like that? Heck, Indie will be terrified if he found something like that?

MIKE (V.O.)

Who Indie?

TOMMY (V.O.)

Indian Jones. They guy who hates snakes, who ended up sitting with one when they took off in the first movie. Have you not seen that?

MIKE (V.O.)

Is it in the Blue dorm?

TOMMY (V.O.)

Blue dorm. I am not going to ask like that as we have a show to run in. Coming up on the show we have Tilly from the recent bakery as

they try to build the biggest cooke house in the world, that comes at what should be the nine o clock hour. And till then we have time for calls.

MIKE (V.O.)

Hit us up on the old twit machine and also remember our number is 0000245 597883 252. Oh and don't forget to leave a like on ths when we put it up on our website at WWW.TITARISE.COM.

TOMMY (V.O.)

Well before we get the lovely listeners, I like to give a shout out to the lovely Mindy wWestlin. She is a great officer of the law and helped me get to the radio station yesterday before I made it down today.

MIKE (V.O.)

So you stopped and asked a werewolf police officer for direction. Typica of a human who lost?

TOMMY (V.O.)

Is she a werewolf?

MIKE (V.O.)

Yes, her family came from the England area in the north. We are near them to the point you can hear them hallow at night. They keep the kids up all night those flea biting dog humans.

TOMMY (V.O.)

Eh, Mike?

MIKE (V.O.)

Yes, Tommy?

TOMMY (V.O.)

I'm a werewolf.

Scillence. Mike soon begins to let out a huge jazz like laugh.

MIKE (V.O.)

Very funny. You seriously can't be a werewolf with that plain and very off putting..

TOMMY (V.O.)

I'm hiding my ears. And my tail is behind my seat. I can shake my tail to show you proof.

Tommy tail is soon heard being wagged, loud and very cheery like. Mike sits back in his seat annoyed with himself.

TOMMY (V.O.)

See.

MIKE (V.O.)

I can see that. Tommy, how long have you been a werewolf?

TOMMY (V.O.)

Almost as much as I was a prince. HAHHAHA!

MIKE (V.O.)

Right but still, how long?

TOMMY (V.O.)

All my life, they have been there since birth. Anyway, not to get into more details but we have callers coming in. Don't want to stir the pot baby.

MIKE (V.O.)

Right you are. Pick a line.

TOMMY (V.O.)

Any line?

MIKE (V.O.)

Yes, that's the point of something like this.

TOMMY (V.O.)

Line five, you're on with the newly made, always fresh Titan rise am morning show.

The sound of MINDY MAKER, same age as Tommy but has a very sweet and nice voice. Ones you would find in scotland or america. She speaks on the other end of the phone.

MINDY (V.O.)

Hello there Mike, Tommy. Good to see that the radio host got to his work on time.

TOMMY (V.O.)

Mindy. How are you?

MINDY (V.O.)

I'm fine, just out on patrol. Just my tail was needing a wag after the whole shake up at city hall last week. Well, besides meeting you yesterday.

MIKE (V.O.)

Ladies and gentlemen, Mindy Maker. How is life treating you there?

MINDY (V.O.)

Just fine but still... The whole demotion to being a officer of the law

(beat)

It ain't right for my whole outlook on life.

TOMMY (V.O.)

Wait, you got demoted last week? For what?

MINDY (V.O.)

I don't really know. Maybe it was me putting out that file on Breakfast being stalked by the gay guy or something. I hope it wasn't that. I was just doing my job.

TOMMY (V.O.)

Breakfast? Are you saying that a gay guy stalks every breakfast food item in the shops for fun? That's weird.

MIKE (V.O.)

Eh Tommy? Breakfast is a person.

Scillence.

TOMMY (V.O.)

Oh. I do apologize for that, I was... Why would someone name their child Breakfast?

MINDY (V.O.)

Why? Well he was named that because he was the first born out of his set. He has two other siblings, Lunch and desert. And before you ask, Desert is a girl.

TOMMY (V.O.)

Not going to ask that at all.

(beat)

Hey, listen. Are you free tonight?

MIKE (V.O.)

As in me or Mindy?

MINDY (V.O.)

I think he's talking to me. I guess, since he seriously wagging his tail about like it a helicopter trying to take on without it passengers and seems to have the thrill to chase those stupid Garbeg bears.

TOMMY (V.O.)

Eh... Yes, I was asking you if you were free. No to my tail, it seems to be having a mind of its own.

MIKE (V.O.)

Well can you stop it, I don't want to get the water bottle we use to calm werewolves down here.

TOMMY (V.O.)

Ok.

MANDY (V.O.)

And to get back to the question you asked me, before the whole "tail wagging thing"

happened. Yes, I am free. What do you want to do?

TOMMY (V.O.)

Maybe get a meal, by that diner place. They make a great burger there. With the cheese, chicken and bacon that you can easily wolf down.

MINDY (V.O.)

Is that a serious proposition or is this some kind of ad. You know that no one goes to that place anymore. Well, if you are people who don't want a nice fried meal from kfc.

MIKE (V.O.)

I think what Tommy here is saying is that he wants to take you out to a meal that is not the diner. Maybe the one that is in the middle of the town. Right Tommy.

TOMMY (V.O.)

I don't know what you're talking about...

(kicked in the knee)

Ow. Why did you hit me?

(another kick in the leg)

Oh, right. That's right. I was meaning that. Isn't the barbecue place, with the name Smokey in it.

MINDY (V.O.)

Smokey tree? I love this place. Though this town could seriously do with some of the stores being named something that isn't a tree.

TOMMY (V.O.)

So that a yes?

MINDY (V.O.)

It's a yes. Pick me up at my place at 6?

TOMMY (V.O.)

No problem.

MINDY (V.O.)

Oh shoot, Lockland is busy trying to steal
Breakfast away from Diana. Have to go, boys.

TOMMY (V.O.)

See you late Mindy.

MIKE (V.O.)

Stay safe out there on the roads. It is
freezing this springtime and ice can easily
catch you off guard.

MINDY (V.O.)

See you all.

The phone ends. Tommy lets out a sigh, a sort of cute I got
the girl sort of sigh.

MIKE (V.O.)

Ladies and gents, if you're just tuning in I
can happily confirm that you have just heard
the sigh of the blushing new radio host, Tommy
Jones.

TOMMY (V.O.)

Oh stop. It was nothing.

MIKE (V.O.)

In the meantime, while we let Tommy come down
from the moon we are going to take another
caller. Line seven.

LINE SEVEN CALLER (V.O.)

Hey I was here to say... SUCK YOUR WEREWOLF
TAIL, (BEEP).

The call ends.

TOMMY (V.O.)

Well, that was enough to remind me of the real
life world. Lets see, Line nine. You're on
with the titan rise breakfast show.

The sound of heavy breathing, clearly from running as shouts are heard, as BREAKFAST is heard. A person in his mid thirties, not so bright but big heart kind of guy.

BREAKFAST (V.O.)

Hey, can you call the police now. That gay guy is after me again and it driving me crazy.

MIKE (V.O.)

Breakfast. Is that me?

BREAKFAST (V.O.)

No, it is the ghost of Larry king. What the bleep do you think I am?

TOMMY (V.O.)

Breakfast, huh. First time speaking to the guy I only heard about. What is going on?

BREAKFAST (V.O.)

Well you see, there's that guy who keeps stalking me... French like all... He seems to be trying to start a fight between Diana and me.

MIKE (V.O.)

About the chickens coming from outer space.

TOMMY (V.O.)

What?

BREAKFAST (V.O.)

For your information, chicken nuggets are coming from space. Not aliens. Where do they get made anyway?

TOMMY (V.O.)

In the factory or food outlines. Where else?

BREAKFAST (V.O.)

Well I'm busy trying to get out of this situation by running. I'm real fast that I was away from the situation within minutes. The only problem now is that I don't know where I am.

MIKE (V.O.)

Ok can you describe the place you're in. What does it look like?

BREAKFAST (V.O.)

Well it says it is charles street but it ain't like charles street.

TOMMY (V.O.)

And why is that?

MIKE (V.O.)

Breakfast, it is Charles street. You probary ended up in that alleyway that you hid in after the events of each argument.

BREAKFAST (V.O.)

Yeah will it ain't charles street alleyway. It got some kind of weird symbols in it. Penta-gorans.

TOMMY (V.O.)

Prentegrams. Demotic things. Em, why is that?

BREAKFAST (V.O.)

Well if my hunch is correct then it means that no good demon cult is back and it is stirring up trouble. AND I HATE IT WHEN THEY COME INTO MY TOWN AND START PROBING PEOPLE.

(BEAT)

Are you guys ok?
