ON BLACK

FADE IN:

**INT. CHILD'S BEDROOM - NIGHT**

Posters of wrestlers. Character figurines. Horror books.

TOBY, 10, comic strip pyjamas, drools over the edge of the bed.

A figure rocks on a wooden chair opposite him.

Burlap sack on the carpet.

BOOGEYMAN.

7ft tall. Ash grey dreadlocks topped off with a dusty bowler hat. Blinding yellow eyes and veins pulsating like lightning across ancient flesh. Trench coat that could well have belonged to a corpse.

BOOGEYMAN

Oh yeah. You'll do nicely kid.

He puffs on his cigar and let's out a cloud of red smoke.

MOMENTS LATER

Dumpf! Dumpf!

A pink spark from behind the curtains knocks on the window.

BOOGEYMAN

(Squinting)

Wha?

**EXT. WINDOW - NIGHT**

The spark flies towards a tree and perches on a branch.

A shapely figure in sickly pink frills. Well-endowed and not afraid to show it.

TOOTH FAIRY.

She reaches into her clutch bag made of candy floss, takes out a pocket mirror and fixes her purple frizzy hair.

TOOTH FAIRY

(Shivering)

How am I expected to work in these condition?

Boogeyman slides the window open.

BOOGEYMAN

Psst. Hey! You on the tree, ya  
can't be here this is my spot,  
get lost.

TOOTH FAIRY

Eugh!

She flies to a higher branch.

Repulsed.

TOOTH FAIRY

Oh my god your hideous!

BOOGEYMAN

Hey I may have let myself go a  
lil but I still got some dignity.

A creepy-crawly makes a frantic getaway out of his nose.

TOOTH FAIRY

Look I need to come in and  
collect a tooth, and I'm  
freezing my tits off out here so  
let me in what--ever you are.

BOOGEYMAN

No way, he'll wake up with two of  
us in here I'm tellin ya.

TOOTH FAIRY

So I'll wave my wand and put a  
spell on him, god!

He glances back to Toby.

Still sound asleep.

BOOGEYMAN

Alright fine. But ya gotta do  
somethin for me first.

TOOTH FAIRY

(Huffing)

What?

BOOGEYMAN

Take ya magic wand and put it--

An owl hoots from the tree branch above.

TOOTH FAIRY

Arrgghh! You vile disgusting--

BOOGEYMAN

(Slowly closing window)

See ya around then.

TOOTH FAIRY  
No no wait.

Boogeyman raises an eyebrow.

Tooth Fairy sighs and proceeds to lift up her dress.

The owl watches the dirty act. His pupils roll back and he fall backwards off the branch.

**INT. BEDROOM - NIGHT**

Tooth Fairy flies in leaving a trail of fairy dust on Toby's bedsheets.

Boogeyman closes the window.

TOOTH FAIRY  
You so much as stroke a wing--

BOOGEYMAN  
Relax sugar.

TOOTH FAIRY  
Don't call me sugar, it's Tooth Fairy to you.

He taps his cigar and adds ash to the pool of dust.

TOOTH FAIRY  
(Gagging)  
It's like we just had sex or something.

BOOGEYMAN  
Hehehe.

TOOTH FAIRY  
Now just step back, and please don't breathe on me.

She flies down to the pillow and waves her wand.

TOOTH FAIRY  
That should do it. He won't suspect a thing. Right.

She struggles to lift the pillow.

Boogeyman bends down, blows smoke in her face.

BOOGEYMAN  
Need a lil help there missy?

TOOTH FAIRY  
(Spluttering)  
Get out of my face.

He reaches under the pillow and grabs the tooth.

TOOTH FAIRY

Hey!

BOOGEYMAN

Ya know just thinkin, maybe ya should put another spell on him so they all fall out.

TOOTH FAIRY

What?

BOOGEYMAN

I mean ya eat the cherries ya don't eat the pips do ya?

TOOTH FAIRY

What are you on about?

BOOGEYMAN

Well I want my food to be just right.

TOOTH FAIRY

Ha! Yeah, like you're really going to eat him.

BOOGEYMAN

Oh ya don't believe me huh?

He points to a book on the shelf above Toby.

BOOGEYMAN

Book on the end, go on.

She goes to grab the tooth off him.

He puts his hands behind his back.

BOOGEYMAN

Ah ah ah.

She rolls her eyes and flies up to the book.

BOOGEYMAN

Tell me, what's the title?

TOOTH FAIRY

Beneath the Bed: An In-Depth Monster Guide.

BOOGEYMAN

And who's that on the cover?

TOOTH FAIRY

Oh. What a surprise. It's you.

BOOGEYMAN

Ya see?

She flies back down to him.

TOOTH FAIRY

Whatever, just give me the tooth.

BOOGEYMAN

Not so fast. Ain't ya forgettin somethin?

He coughs and holds out his hand.

TOOTH FAIRY

What are you doing now?

BOOGEYMAN

Waitin to receive what's rightfully mine that's what I'm doin.

TOOTH FAIRY

Er, I think you'll find the reward goes to the boy.

BOOGEYMAN

Oh yeah? And how's he gonna spend his reward from all the way in here?

(Points to stomach)

Hehehe.

TOOTH FAIRY

There is just no way you're going to go through with it.

BOOGEYMAN

Oh but I am. And ya know what? I think it secretly turns ya on. Do I make ya wings wet missy? Hehehe.

TOOTH FAIRY

Tooth Fairy!

She waves her wand aggressively.

Boogeyman drops the tooth and froths at the mouth.

BOOGEYMAN

Gaarrhhh! What's this?!

TOOTH FAIRY

Soap and water.

She grabs the tooth from the carpet.

Boogeyman relentlessly scratches his tongue.

BOOGEYMAN

You're insane ya now that?!

TOOTH FAIRY  
It'll do you good.

She makes a coin appear and slides it under Toby's pillow.

MOMENTS LATER

Pop!

A rabbit appears. Dapper but a dumpling. One carrot away from bursting out of his red leather braces.

EASTER BUNNY.

He places a rainbow-coloured case on the bed. Recoils at the sight of Boogeyman.

EASTER BUNNY  
Strawberries and cream!

TOOTH FAIRY  
Repulsive isn't it?

EASTER BUNNY  
My goodness wh-wh-what are you doing in this child's bedroom?

BOOGEYMAN  
Oh not another one!

TOOTH FAIRY  
Take no notice sweetheart he's all talk.

BOOGEYMAN  
Look, I'm here to stuff this child in this sack so I can take him home and feast on his flesh. Not that it's got anythin to do with you.

Nervous smile from Easter Bunny.

EASTER BUNNY  
I-i spread joy and chocolate eggs hehe.  
(To Tooth Fairy)  
Would you like one my dear?

TOOTH FAIRY  
No thanks, I've got to watch my figure.

EASTER BUNNY  
Well may I say you look wonderful.

TOOTH FAIRY  
Awww thanks.

Boogeyman mutters to himself and walks around the bedroom.

EASTER BUNNY  
Must be hard carrying around a  
bag made of candy floss hehe.

TOOTH FAIRY  
Honey, it's torture.

Easter Bunny smiles.

Boogeyman picks up a Klingon figurine from a shelf.

BOOGEYMAN  
Ah man get a load of this guy.  
(To Tooth Fairy)  
Honestly if ya had to pick  
between me or this thing who  
would ya go for?

EASTER BUNNY  
I think I'd choose--

BOOGEYMAN  
I wasn't asking you, idiot!  
(To Tooth Fairy)  
Well?

Tooth Fairy is busy checking her appearance in her mirror.

BOOGEYMAN  
(To Easter Bunny)  
She wants me.

TOOTH FAIRY  
I dunno. Maybe I have my heart  
set on someone else.

She ruffles her hair, gives Easter Bunny a sexy wink, waves her wand and...

Ping!

A pair of glossy red lips appear in mid-air and float down towards him.

EASTER BUNNY  
Oh look at that hehehe.

BOOGEYMAN  
Pfft. Slut.

Boogeyman spots a Catwoman figurine on the shelf. He stuffs it in his coat pocket.

EASTER BUNNY  
Thing is, er, I'm gay.

Tooth Fairy curls her lip and rest her hand on her cheek.

Gutted.

Boogeyman burns the lips with his cigar.

BOOGEYMAN

Now will ya deliver ya eggs and  
get the hell out? My food's  
gettin cold here!

EASTER BUNNY

Y-yes of course.

Easter Bunny opens his case.

A golden glow pours out.

Tooth Fairy salivates at the sight of a row of chocolate  
eggs.

Easter Bunny arranges them on the bed.

TOOTH FAIRY

Em, Easter Bunny?

EASTER BUNNY

Yes Tooth Fairy?

TOOTH FAIRY

Could I, possibly, trouble you  
for a--

BOOGEYMAN

Ya just said ya gotta watch ya  
figure!

TOOTH FAIRY

Shush!

EASTER BUNNY

Well...

TOOTH FAIRY

Just a small chunk? It's tiring  
flying around out there, bitterly  
cold, nothing to eat.

EASTER BUNNY

Seeing as it's you, gladly.

LATER

Boogeyman sits with his head buried in his hands.

Easter Bunny on the carpet next to him.

BOOGEYMAN

This night just get's better and  
better.

Tooth Fairy lies inside half an egg.

She's eaten the rest and is now grossly overweight.

BOOGEYMAN  
Any ideas whiskers?

Easter Bunny is in a deep trance.

Boogeyman prods him.

BOOGEYMAN  
Hey?!

EASTER BUNNY  
Oh sorry. Got a little distracted  
with er...

He points to a poster of a wrestler.

Tooth Fairy groans.

Boogeyman strolls towards her.

EASTER BUNNY  
Oh this is most unfortunate. H-  
how on earth will you fly now?

TOOTH FAIRY  
Eurgh. Don't worry I've got back  
up.

Boogeyman shakes the egg.

BOOGEYMAN  
Woooo! Keep ya hands and feet  
inside the egg at all times!

EASTER BUNNY  
Oh no please be careful.

TOOTH FAIRY  
Daaaah! Quit it I'm gonna hurl!

He stops.

Tooth Fairy takes a miniature iPhone from her clutch bag and starts dialling.

EASTER BUNNY  
Yes well er, I-I better get  
going, make some more chocolate  
eggs and--

BOOGEYMAN  
Yeah yeah off ya go cotton tail.

EASTER BUNNY  
R-right.

Easter Bunny hops over to his suitcase and fastens it.

EASTER BUNNY

It was a pleasure meeting you  
both. Hope you feel better soon  
Tooth Fairy and er, sorry.

TOOTH FAIRY

Tha--eugh-thanks.

Pop!

He disappears.

BOOGEYMAN

Unbelievable. Can you believe  
that guy? Travellin around  
deliverin eggs I mean, where's  
the challenge? Where's the  
danger?

TOOTH FAIRY

I'm on the phone!

Boogeyman taps his foot impatiently, grabs Toby's hand.

BOOGEYMAN

Not much fat on ya is there.

TOOTH FAIRY

Yeah hi, listen I need some  
assistance.

BOOGEYMAN

She's too fat to fly!

TOOTH FAIRY

Shut up! No I've got Boogeyman  
with me. No no I'm fine, if he  
tries anythin I'll be ready.  
Okay, get here as soon as you  
can.

She hangs up.

BOOGEYMAN

Who dya call? The Rescue Fairies?  
Pfft.

LATER

Two male fairies in blue overalls and caps knock on the  
window.

RESCUE FAIRIES written on their backs.

Boogeyman opens the window, breathes smoke into their faces.

BOOGEYMAN

Over on the bed fellas.

RESCUE FAIRIES  
Uh-huh! Argh! Phhh!

RESCUE FAIRY 1  
What the hell are you supposed to be?

BOOGEYMAN  
Ya worst nightmare now c'mon get queen roly poly outta here.

They fly down onto the bed.

RESCUE FAIRY 1  
Oh just at look at her.

RESCUE FAIRY 2  
Pretty embarrassing if you ask me.

RESCUE FAIRY 1  
(To Boogeyman)  
Why would you give her chocolate?  
Don't you know she's trying to watch her figure?!

BOOGEYMAN  
Hey, I ain't got nothin to do with this alright? If ya wanna blame somebody it's Easter Bunny.

RESCUE FAIRY 2  
Easter bunny?

BOOGEYMAN  
Yes now will ya hurry up?!

RESCUE FAIRY 2  
I don't like the look of this guy.

RESCUE FAIRY 1  
No me neither. Let's just get on with the job and get out as quick as possible.

They push on the egg with all their might.

Tooth Fairy rolls out and into the cigar ash/fairy dust.

RESCUE FAIRY 2  
Ooops, sorry your highness.

RESCUE FAIRY 1  
Idiot! Quick get her out of there!

They pat her down, pick her up and proceed to fly towards the window.

RESCUE FAIRY 1  
We'll have you back to normal in  
no time your highness.

RESCUE FAIRY 2  
Yeah don't worry.

Boogeyman laughs at the indignity of it all.

BOOGEYMAN  
Hey guys?

The Rescue Fairies turn to him.

He holds up a phone.

BOOGEYMAN  
Smile.

RESCUE FAIRIES  
No, don't!

Flash!

MOMENTS LATER

All three Fairies plummet to the carpet.

BOOGEYMAN  
Shit.

Dumpf!

A door closes.

Boogeyman hears the footsteps of mum and dad.

He scampers to the bedroom door, opens it a crack, sees them  
approaching.

BOOGEYMAN  
No no no not now!

He clears away his smoke, rushes to the bed, flicks the egg  
off and brushed away the cigar ash/fairy dust.

MOMENTS LATER

Pop!

Easter Bunny's back, case in one hand and a book in the  
other.

Sorry I--

Get down!

He leaps towards Easter Bunny, grabs his braces and pulls him  
underneath the bed.

EASTER BUNNY  
Tooth Fairy not here?

BOOGEYMAN  
What the hell are you doin back  
here?!

EASTER BUNNY  
I-I thought you might like this.

He hands Boogeyman the book.

The Boogeyman's Guide To Going Clean.

BOOGEYMAN  
Are you kidding me why would I  
want this?!

EASTER BUNNY  
Well I just thought it might me  
nice for you to find something  
else to do besides...you know?

Boogeyman gives him the death stare.

EASTER BUNNY  
So, y-you won't accept my gift?

MOMENTS LATER

The door creaks open.

BOOGEYMAN  
Quick!

Boogeyman and Easter Bunny edge further back.

DAD (O.S)  
Look at him, sound asleep.

MUM (O.S)  
Bless.

The door closes.

BOOGEYMAN  
Okay we're good c'mon.

Boogeyman crawls out and checks on the state of the fairies.

BOOGEYMAN  
Ohhhhhh great.

Tooth Fairy has been crushed by the egg.

BOOGEYMAN  
(To Easter Bunny)  
Will you get up here?! What's  
takin so long?

EASTER BUNNY

Ooof. I er, don't seem to be able to.

Boogeyman drags his hand across his face, gets on his hands and knees and pulls the rotund rabbit.

BOOGEYMAN

Heeeee! Hup! Push ya furry freak!

EASTER BUNNY

It's no use, you're going to have to lift the bed.

He stomps over to the bedpost and lifts until red in the face.

BOOGEYMAN

Heeeeeee!

One of the Rescue Fairies regains consciousness and drags himself towards Boogeyman.

EASTER BUNNY

Almost there. Just a bit more. There!

Easter Bunny wriggles out and onto his feet.

Boogeyman let's go of the bed post and...

Splat!

EASTER BUNNY

What was that noise?

BOOGEYMAN

Oh don't tell me...

Easter Bunny hops over, looks down at the carpet.

EASTER BUNNY

Lemon meringues!

The Rescue Fairy has been crushed under the bed post.

BOOGEYMAN

Shit! Shit! Shit!

Easter Bunny starts to sway, eyes drooping.

EASTER BUNNY

Oh. I don't feel so--

BOOGEYMAN

Woah, hey waddya doin?

EASTER BUNNY

Feel a little lightheaded.

He falls backwards, Boogeyman catches him before he makes a thud.

He drags Easter Bunny towards the closet and frisks him for useful items.

He steals Easter Bunny's phone, drops him in the closet and props the chair against the door.

Turns around to find...

BOOGEYMAN

Gah!

...the second Rescue Fairy hovering an inch away from him, arms crossed.

RESCUE FAIRY 2

Nice job buddy!

BOOGEYMAN

Look I-I-I know it looks bad.

RESCUE FAIRY 2

Looks bad, you've killed our queen!

BOOGEYMAN

Alright alright, just cool ya wings.

RESCUE FAIRY 2

You're a disgrace! When headquarters hear about this they're gonna--

BOOGEYMAN

Ahhhh! I can't take anymore!

Boogeyman furiously puts the Rescue Fairy out with his cigar.

Tssssssss!

The worker falls to the carpet in grainy bits.

BOOGEYMAN

You fairies ya nothin but flamboyant moths!

Boogeyman slumps onto the chair and breathes heavily.

BOOGEYMAN

This was supposed to be my night and mine alone.

He glances up at the roof.

BOOGEYMAN

If I hear sleigh bells...

He then turns his attention to Toby.

BOOGEYMAN  
 Alright kid. Let's do this.

LATER

**INT. HAUNTED CASTLE - NIGHT**

Various monsters have a party.  
 Severed fingers dipped in blood.  
 Breakdancing werewolves.  
 Invisible man pinching bottoms.

**EXT. HAUNTED CASTLE**

A morbidly obese witch twitches outside the door.  
 Black gown styled with maggot print. Murky green feather boa.  
 Skin as pale as the moon. Purple bob haircut.

HATTIE.

A motorbike comes screeching onto the premises.  
 It's Boogeyman.  
 He cuts off the engine and grabs his sack from the sidecar.

HATTIE  
 (Raspy)  
 Where the hell have you been?!  
 I've got guests starving in here!

BOOGEYMAN  
 Ah don't start yellin at me ya  
 old bag 'o' pus.

She slaps the cigar from his mouth.

BOOGEYMAN  
 Peeugghh!

HATTIE  
 Show some respect!

He flings the sack in front of her feet.

Here.

She peers inside.

HATTIE  
What the hell is this?

BOOGEYMAN  
What ya asked for.

HATTIE  
Why has it got half a head?!

BOOGEYMAN  
I got peckish whaddya want me to say?! Jesus ya never satisfied, the bones too brittle, the bloods too thick yada yada yada!

HATTIE  
Did you remember to get the rabbit?

BOOGEYMAN  
Ah shit! I knew there was something else.

HATTIE  
How the hell am I supposed to make my famous rabbit pudding now?!

BOOGEYMAN  
I told ya it's been a rough night! I got caught up in this whole situation with the Tooth Fairy and--

HATTIE  
Tooth Fairy?!

BOOGEYMAN  
Yes! Are we gonna go and prepare this food then or what?

She grabs the sack, storms into the castle and slams the door.

Boogeyman waves his arms and kicks his motorbike.

BOOGEYMAN  
Daaah! Got ya broomstick up your ass or what?

He then remembers something.

BOOGEYMAN  
Wait a minute.

Takes out Easter Bunny's phone from his coat pocket.

Dials the number.

BOOGEYMAN

C'mon pick up...

Easter Bunny? It's Boogeyman.

Yeah yeah, look, just shut up for  
a second and listen, how would ya  
like to come ova to my place for  
a lil party?

FADE OUT.
