WES(V'O)
 This has been the day, I start the
 pursuit of happiness, which is
 chasing Angel who i don't know if
 she's gonna blast me or what.

LES
 Look Wes. You have to be calm and
 relax without all that nervousness
 and all that. Then make your dream
 to be come true.

WES
 You make it look easy bra, while it
 isn't easy. What if I go there and
 she rejects me like a piece of shit
 or something?

Wes doesn't believe in himself, while his friend does.

LES
 Everything worth a try bra. Who
 knows what is going to happen
 unless they try. Even though Angel
 is the coolest lady than her
 friends bra. Take this chance
 before it slips away.

Wes is afraid of Angel like how Theo does, but he can be the best guy for her.

WES
 I guess you don't know her.

LES
 It doesn't matter. What matters
 gonna be you,going there and make
 her loose her mind.

He moves slowly and go where there's Angel and Princess. He finds them at their best behavior.

WES
Hey girls.

ANGEL
Hi. How are you doing Wesleyan?

They laugh at what Angel has just said.

WES
Who knows if i might be here to botch her? Just messing with you.

They laugh and they move. Angel looks at Wes. Wes seem unapproachable but he's nervous to what he has to say.

ANGEL
What do you want Wes?

WES
Oh! Just like that?

ANGEL
Sorry.

She smiles when he looks at her. It's start to click that there's a bit of connection between this two.

WES
There's been something i have been meaning to say for some time now, after all i wasn't comfortable to say it until now, because of how cosy you've been lately with David, it has given me no chance to say it and...

ANGEL INTERRUPTS

ANGEL

Yes. I had been cosy and all, but things aren't going well between us and i think it's time to move on. What's up?

WES

I have feelings for you. It has been a while I've been hiding my feelings to you. And I thought this might be a good timing to reveal how I feel about you and what i wish would be if you could take sometime and think about it than blasting me right away.

Angel looks at Princess and sees her laughing at her.

ANGEL

OKAY. Lemme think about it, but i am not promising you anything, and i don't wanna see you and David fighting for me.

Meaning violence from David. But Wes seems to understand what she's trying to say.

WES

Does he beat you or what?

ANGEL

Nothing compared to that, but he can kill for me without thinking.

WES

I guess I'm gonna hear from you. Don't get me killed.

Angel leaves cool and Wes looking happy. Without a minute Princess ask about the freeze Wes had put Angel to during their conversation.

PRINCESS

Princess very happy on how Angel is feeling about Wes.

PRINCESS

Oh ho.. This is very bad. What did you say to me?

ANGEL

I said I'll think about it. But I do love him. I'm still with D remember? And i don't wanna complicate Wes life with nothing.

PRINCESS

Angel. You love Wesley? I wonder why you've been sulking about him yesterday. What are you going to do with David?

Princess isn't liking the idea at first. Angel face says it all that she loves Wes.

ANGEL

Uh that jerk. David is cheating n me. I'm just tired of licking the doughnut i didn't pay for.

PRINCESS

Wow. Though, they are good boys, but Wesley isn't your type.

Angel surprised to see that her friend is not supporting the idea of her dating with Wes...

ANGEL

I am everybody's type. You can have David if you want him. Can't you see, i am tired of that life? Why don't you be friends with Lesley, maybe you'll see what I'm seeing?

PRINCESS

I will see about that. Wesley Brown though.

ANGEL

You're only happy when you are
hurting people.

DAVID

ANGEL
It has been long you've been
sneaking behind my back, while i

ANGEL

 deserve better than what you are
 offering. I want your time and
 attention. You are not giving me
 that.

David very surprised that she no longer cares about all his
 success and all that.

DAVID
 I'm not cheating. I swear Angel,
 baby look at me.

Angel gets out of his car trying to walk away from him
 before add more lies... David pulls out of his drivers seat
 and goes to her. He grabs her by a hand.

ANGEL

 doings.

ANGEL
 GEEZ!!! Who was that girl I heard
 on your phone saying "hello baby"
 and you ask me to hang up then you
 decide to drop it yourself? Is this
 how you love? Cheating on me? It's
 over. We're done here.

He takes a look at his room from his bed view, He starts to sweep it while the song is reaching it's end.

INT. WESLEY HOUSE "SHOWER"- NIGHT

Wesley gets inside the shower while his Bruno Mars music is still playing, now it's "When i was your man" and he's singing with the song while showering. He seems to be a happy teenager in love with the lamb, something he can eat.

INT. WESLEY'S HOUSE - NIGHT

Wesley's mother is busy cooking while his father has just gotten in from work. Renny is on the table trying to prepare it for supper. His mother hears him singing from the shower. She stops to cook and goes to his father who's enjoying the music without hearing Wesley. She taps Mr Brown from the behind.

MRS BROWN

Terry. Do you hear what I'm hearing from Wesley's shower?

MR BROWN

Wesley is singing deep. I guess he had a great day.

MRS BROWN

Terry no... The boy is in love with someone can't you hear. Go and talk to him.

Terry very surprised with insinuation of Wesley's mother. He doesn't wanna go.

MR BROWN

No. What would it be all about? Let the boy have some fun. Wesley is older enough to be in love. Isn't this his last year at the tertiary?

MRS BROWN

Terry come on. Wesley is easily heartbroken. If he gets all depressed here is all on you.

Terry very surprised. Renny listening from the distance and surprised with the assumptions. She goes close to the talking parents holding a tray.

RENNY

The table is ready mother.

Terry and his wife stops talking and separate with tension between them as Renny looks at them. Mother looks at Renny as she's waiting for the answer.

MRS BROWN

You can wait for me at the table.
I'm coming with the foods.

Renny looks at her wanting to ask something about her talk with Terry. She bows away as she turns against her heading back to the kitchen.

EXT. CLUB OUTSIDE - NIGHT

DAVID with MAX outside the club waiting for everyone to get inside, but still wondering who might be dating with Angel as he's just got Max too, they haven't talked much.

DAVID

Bro. How was the schooling day went?

MAX

It was cool man as we witnessed the unforseen. Wesley went out with Angel during the break time.

DAVID

(choked)

What? Tell me that you are joking bro. This can't be true.

David is very shocked with the news that Angel dumped him for Wesley. Though David knows that Angel and Wesley has gone way back, as their history states they were friends from toddles.

MAX

It's true man. Wesley was driving her with her car heading for lunch. That's just my assumptions.

DAVID

I thought their history was dead buried as they were apart for like 10 years bro.

MAX

Wow... Back me up here. Wesley and Angel was a child friends from toddles until you met her at the boarding school?

David annoyed with the question Max has just asked, he facial changes and looks like he's about to snap out of it.

DAVID

Where you at? Are you living in the 80s? I met Angel in school, she used to live here and she was very close to Wesley because he's stupid.

MAX

Cool off man. Are we getting in the club or we're waiting for Calvin and Mike?

DAVID

Let's wait. There's more to come tonight i can feel it.

Max a little bit amused waiting to see the unforeseen happens again.

.

INT. WESLEY'S HOUSE - NIGHT

.

The dinner is ready, everyone is gathering around the table, but waiting for Wesley who was taking a shower a moment ago. Renny gets impatient with the waiting game for the golden boy.

RENNY

Can we eat? The least we can see that Wesley isn't in the mood for dinner with us.

MRS BROWN

Renny. Can you please go and check him?

Renny hating the idea, but she stands up as she shows some respect. As she's about to leave to his room, he's Coming, dressing to kill. This shows pretty well that he's got a date. His parents and little sister stares at him while sitting.

WES

Hey mom and dad. Why is everybody staring at me?

RENNY

You've got plans tonight. Where are you going?

WES

Movie Night with friends. I guess everyone was waiting for me. Can we eat?

His mother staring at his father, trying to push the questioning Renny has just started. Most definitely about his singing earlier at the shower. His father closes his eyes.

MR BROWN

Gracious God. We can eat now.

Wesley staring at his food eating slowly and kept on looking on his phone like a dude who's waiting for an important phone call.

MRS BROWN

Are you waiting for a phone call son?

WES

Nah. Just wanna check the time because we agreed on leaving at 6pm.

As he keeps on staring his phone eating slowly, the car bell outside hoots. Wesley startles and gets up, he checks by the window, who is it. It's Angel and she's looking at him if he's coming. His parents are very surprised.

WES (CONT'D)

Dad, I have to go. Can you put me my food on the oven mom? Please.

Wesley leaves running and opens the door of the house heading into the gate. Renny stands up and tries to look who's calling Wes. It's Angel, she closes her mouth very surprised.

EXT. CLUB OUTSIDE - NIGHT

At the club in the evening outside, we see CALVIN and MIKE heading to where there's David and Max, as they're waiting for them. They finally reach there as David is having a strong drink, showing that he's groaning over his break up with Angel.

DAVID

You finally have made it huh? We've been waiting here like a sales car, the whole evening.

CALVIN

Kinda had the hiccups with our transport because of the traffic coming here to the club. It's gonna be lit tonight. What are we waiting for? Let's get in.

Max looking at them while he looks at David who's waiting to see Wesley and Angel to come in. Calvin and Mike not understanding the silence.

MIKE

Let's get in guys. David, are you coming with us?

DAVID

You can get in, I'll find you inside. Save my space.

Calvin and Mike looks at each other wondering what the heck is happening here, while Max knows everything. They leave him with his Tequila bottle.

CALVIN

Are you going to tell us what the hell is going on with David?

MAX

He can't believe Angel made a childhood reunion with Wesley. He's waiting to confirm it.

MIKE

That's humbling. Though, I didn't see this coming. Wesley and Angel guys. Come on. This isn't going to last.

Max laughs Mike who's really jealousy about Wesley and Angel newly romance. Calvin isn't laughing, but thinking.

CALVIN

If Angel is hanging out with Wesley
it means there's still a lot of
chance for me to get her.

Mike and Max laughs the unthinkable that Calvin has just said, because they know that Calvin doesn't stand a chance on getting Angel mostly because in the picture there's still David and Wesley near by. Their histories counts.

MAX

Good Luck With That...

Max tapping Calvin's shoulder. As they get inside the club, Angel's car lights towards David who's standing on the way. Wesley is driving and he can see David.

INT. CAR DRIVING -

Wesley looking at Angel and trying to see if she sees what he's seeing. She does see David on the way.

WES

What the hell is wrong with this
dude? Do you want me to remove him
from the way?

ANGEL

Nah, don't worry. Let me get out of
the car and talk to him, while you
reverse the car to the parking lot.

Angel gets out of the car and going where David is standing in front of their car, Wesley turns the car trying to avoid the up coming car and parks the car.

ANGEL(CONT'D)

What the hell was that David? When
are you going to stop with this
with this madness?

DAVID

(angry)

I have madness now because am
trying to fight for what i deserve?
Tell me how should i react seeing
you with another boy just after our
break up?

ANGEL

Wesley and I have history, you
should have known better that I'll

ANGEL
run back to him if you mess with
me. He's matured than your stupid
nonsense. Leave me alone David.

Angel tries to walk away from David. He pulls her back as
Wesley sees it. Wesley goes there unpleased.

WES
Let her go man.

DAVID
What are you going to do? You are
weak like your old man who run from
being a soldier to a policeman.

WES
You don't worth my argument or a
fight. Let's go baby.

Wesley catches Angel by her hand and walking inside the
club. David looking at them while he's drinking his vodka.

DAVID
This thing isn't over. This is war,
i want my girl back.

INT. CLUB FLOOR

Inside the club on the dance floor THEO, CHRIS and LESLEY
are all together waiting for Wesley to get in with Angel.
They all see them getting in and walks to them while they're
searching with their eyes. Lesley waves his hand going
there.

LES
Hey Wes. We're over here.

WES
(agitated)
Hey, what's up man? Where are the
drinks boys?

Wesley isn't a club young man. He's into hanging out where
there's least of booze because he hates drinking, he likes
movies out where there's least noise and trouble.

CHRIS
Wow. Look who's asking for beer
tonight. You seem to be in the
right mood.

WES

You forgot something. Where are your manners boys? I'm no longer your boy, am her boy now.

They seem a bit confused until they notice that there's Angel next to Wesley whom they seem to forget because of Wesley...

CHRIS/THEO/LES

Ooh no...We're really sorry Angel. How are you doing?

ANGEL

You seem to be very excited and barely notice that i am here with you. Can i order drinks? Let's go and sit down.

THEO

Where are your friends? I thought they'll be here with you.

Angel laughs, because she knows that this talk has something in it. They all walk towards their sits.

ANGEL

They gonna be here in no time. you seem to like them huh, is it?

CHRIS

Your friends are cool, of course we gotta like them, like any boy.

WES

Oh oh...New subject please.

Their drinks gets to their table. The girls gets inside the It's Evan, Faith and Princess. Princess and Faith heads to the top floor where there's David and his friends and some other girls. Evan comes where there's Angel.

EVA

Hey boys. What's up girl? You seem a little bit annoyed. What's going on?

ANGEL

Kinda got annoyed before i get here by David, who's acting all obsessed.

EVA

Don't worry about him, he's going to learn it the hard way that you're with Wesley now.

ANGEL

I wish he does and as soon as possible, he moves on.

Angel turns her eyes to the boys, she sees Theo staring at Evan while they're talking like she's the topic.

ANGEL(CONT'D)

Why is Theo staring at you?

Evan waves her Weave and smiling a little about the idea that Theo seems to be interested in knowing her.

EVA

(smiling)

I don't know, but he looks hot tonight.

Angel laughs tapping her shoulder. We see the boys are still talking about her while looking at her.

THEO

Evan is a fine young woman, of course i would walk a mile to get her, why are you saying that i might find it hard to get her?

LES

Because Max is into her. You know how violent he can get just for a girl.

WES

It doesn't matter here Les, violence cannot get you a girl. It worked for me as we all knew that David can kill for Angel.

The boys seems to be in a quite interesting argument even though it hasn't been clear who's Lesley's eyes are with whom, he's still playing a protective friend.

CHRIS

If it was all about you. Who would you let Theo get instead of Evan?

LES

Princess. Princess is unique and kinda reliable than Evan. I'm not criticizing because Evan is more fun, but more fun more trouble.

THEO

Because you've been crushing on Princess for months doesn't mean, we're all see her as an ideal. Come on. I like fun and playful, i think she's great to me.

WES

Come on guys. Let's stop this. If Theo is into Evan let it be, if you prefer Princess get her. That's it. Case close.

They all laugh, while the camera goes to the top floor where everyone is dancing. It's Mike with Faith and Calvin standing with Princess and Max, while David is sitting down with quite few girls.

MIKE

Why isn't Evan came with you at the top?

FAITH

I don't know, maybe she hates your boys because they're so violent.

Max hears it from the distance and intervenes going there. Not pleased with what Faith has just said about them.

MAX

Excuse us. Why would she say something so strong about us?

CALVIN

Max calm down man. She didn't mean it like that. Evan prefers Angel's company than us.

PRINCESS

I agree with that, i think am gonna head down stairs too. We gonna talk soon.

Princess leaves them in peace, Lesley staring her while she's coming down stares. She goes where there's Evan and Angel.

PRINCESS (CONT'D)

What are you two discussing?

ANGEL

The boys are talking about Evan and you. Let's go and sit down. What's going on up stairs?

PRINCESS

David is getting wild with a couple of bitches. He's very drunk.

EVA

I saw this coming. I wish we could leave this early than last Friday. He's gonna cause some fights here don't you see?

Angel and her friends gets to where Wesley is sitting with his boys. Evan goes and sit close to Theo while Angel sits with Wesley and co.

WES

I think we have to leave early tonight, before David starts his antics. He's really drunk and he's been screaming all the way.

Angel not in the mood to leave but she gets what Wesley is trying to say. We see Evan getting closer to Theo.

THEO

Let me take you out tomorrow. Are you game?

EVA

Where do you wanna take me?

THEO

There's a horror sequel at the cinema tomorrow late.

Evan surprised that Theo suggested a horror movie and she's scared of horror films. But she seems excited with the idea of going out. She looks him to his eyes agreeing with doubts.

EVA

Okay. We will go, but i am very scared of the horror movies. Let's get up and dance.

The party is starting with a slow jam of R&B song. From the top to the bottom everyone is dancing. Lesley grabs Princess hand away from Chris who doesn't have a partner to dance with. Pretty gets there to him while she's smiling at him.

PRETTY

Looking for a dance partner. Let's hit the floor baby boy.

CHRIS

How can i say no to such an offer?

He puts his hands behind her and she does the same. Wesley looking at them from the small distance while dancing with Angel.

WES

Is that Pretty dancing with Chris?

ANGEL

Yes, it's her. It's surprising because she's got high horses. She should be on top right now playing to console David.

Everyone keeps on dancing while the other are blowing up the smoke while dancing.

From the up stairs David is standing over the Balcony staring at Wesley and Angel who are dancing, while he keeps on drinking his bottle. He breaks the bottle down and everyone screams. The music stops.

DAVID

Look at that bitch, he's really into it with my woman. Are you having a good time Wes?

CALVIN

David, come on stop this man.

Calvin trying to stop him as he's too drunk. David goes down stairs while walking like a crawling man, because he's heavy drunk. Everyone opens the way for him as he's going to Wesley and Angel.

DAVID

Like i said earlier, this shit ain't over man.

David with his broken bottle, he tries to stab Wesley with it. Wesley pushes him to the side and he falls he gets cut his hand a little.

WES

Let's leave. He doesn't worth it.
He's trying to embarrass himself.

Everyone is staring at David. Angel, Wesley, Lesley, Theo, Evan, Chris and Princess leaves the floor heading towards the building exit. Pretty looking at Chris.

PRETTY

Are you going to leave me just like that? Chris, i am talking to you.

CHRIS

Do you wanna come with us?

Angel turns around and look at her, agreeing that she can come with them.

ANGEL

You can come. Let's go. You'll use Chris and Theo's car with Evan, I'll leave with Lesley and Princess.

WES

Where are we going exactly?

ANGEL

To my home. My mom just went out of the town for a couple of weeks, let's go and cool off this horrifying night with a movie time. The night is still young.

They all leave and head to the parking lots. Pretty can't take off her hands from Chris, and Theo is loving it, while Evan is laughing it.

EVA

Pretty is nasty, she doesn't beat around to take what she wants.

THEO

You can say it again.

They laugh getting in the car while Pretty looks at them laughing.

INT. WESLEY HOUSE - EARLY MORNING

WESLEY gets inside the housing, he looks around to see if there's anyone who's seeing him. He is sneaking towards his room, he doesn't notice his mother can see him. She looks at him surprised.

MRS BROWN

Wesley!

WES

Oh shit...

Wesley turns around. It's his mother, she's coming towards him, he ran out of options.

MRS BROWN

Where are you coming from this morning?

WES

I was with Les. Can i take a quick shower? I am going to be late for school.

MRS BROWN

This Les of yours is less a man. Why did he kept you the whole night knowing you've got a class in the morning?

WES

Can we please do this some other time please mom?

He gets to his room and grabs his shower gel and towel. He heads to the shower.

.

INT. ANGEL HOUSE - MORNING

Everyone is good as dead, We see Chris has put his big head to Pretty's butt on the couch, Angel on the floor with Princess, Theo is still cuddling with Evan, they can't get their hands off each other. Princess kicks the bottle by a mistake and it makes a noise, Angel happens to be the one to wake up first. She wakes up Princess.

ANGEL

Princess wake up.

Princess wakes up fixing her face and hair, she looks at Chris and Pretty.

PRINCESS

What the hell happened between those two last night? They're sleeping wildly.

ANGEL

Wake them up. Where's Wesley and Lesley?

PRINCESS

I guess they're gone. Lesley told me, he has a class in the morning.

Evan hears voices and gets her head up. She looks around, it's Angel n Princess trying to pick up the bottles and sort out the mess.

Theo hears the whining and wakes up. He looks at the time and kinda notice that he's getting late. He panics.

THEO

Oh no... The time is flying. Chris get the hell up, we gotta go.

CHRIS

(lazy)

You can go man, I'll follow up. Tell Mr Morgan that I'll be late today.

THEO

What the...? Get your ass up, we're going to school.

Theo drags Chris up while everyone is laughing, Pretty wakes up having a headache. She looks horrible, her hair is east and west. Angel looking at her smiling. She's grabbing her head like it's a heavy rock.

ANGEL

Do you want some painkillers Pretty? You seem to have had a great night last night.

PRETTY

That should help my head. Where are the boys going?

EVA

They have morning classes. Let me make everyone smoothies. Come and help me Angel.

INT. WESLEY'S HOUSE - MORNING

Wesley coming from his room with a bag on his shoulder. He finds his family having a breakfast as his father is finishing his.

WES

Good Morning.

MR BROWN

Morning son. We already know that you had just got here this morning.

Wesley looks at his mother trying to intimidate her. She stares back not intimidated.

MRS BROWN

Your father had to know son. It's unacceptable to come home in the morning. We kept on wondering where you at, what are you up to and why are you doing it.

WES

I am very sorry. It won't happen again.

His father leaves the table and get out of the house. As he steps out of the door Lesley with a car is parking at the gate.

.

EXT. STREET - DAY

MR Brown asking Lesley about what happened last Night. Because of Wes who came home in the morning.

MR BROWN

I believe you'd tell me the truth. How are you doing boy?

LES

I am good dad. What do you wanna know?

MR BROWN

What happened last night? Why Wes came home in the morning?

The cat caught the boy tongue, because he doesn't know what Wesley has told his mom and dad.

LES

We had a long night at Mrs Morgan house with Angel and her friends.

MR BROWN

Is Mrs Morgan around?

LES

No. She's out of town for a couple of weeks.

Mr Brown not surprised to hear that Wes might have slept there. Though sometimes he should let the family know he won't come home.

MR BROWN

That's cool. Next time you should report that you won't come back home, because there's a lot of bad things that happens in the evening.

LES

I'll keep that in mind dad.

MR BROWN

Alright. Enjoy your day at the school. Please take care of your brother son.

Wes leave the house, but he is coming looking at Lesley, wondering why his father was standing there with him for some time.

WES

Why was dad standing here?

LES

He wanted to know your whereabouts. Last night madness. What did you told him?

WES

Nothing. I only spoke to mom and told her that i was with you. What did you said to him?

Oh shit... Lesley spilled the truth to Terry, because he was caught off guard.

LES

I told him the truth, but he thinks we should let him know everything so that he doesn't get worried.

WES

Have you heard from Chris and Theo yet?

LES

No. Get in the car, we gonna be late.

They get into the car and start leaving. Wesley picking his phone as it's ringing. A call from Angel

INT. CAR DRIVING - DAY

Wesley stares the phone and wanna ignore it, but he picks up as Les was surprised.

WES

Hey Love. What's up?

ANGEL(O'S)

Why didn't you woke me up when you leave?

WES

I am really sorry. I was scared to disturb you from the peaceful sleep. You were like a child last night when you're sleep. So innocent.

Angel laughs over the phone.

ANGEL

Your friends are going to get late. Are you with Lesley?

WES

Yes.

ANGEL

Princess was very worried about him. We gonna see each during lunch.

She hangs up. Lesley looking at Wesley to wanna hear what she said about Princess as he heard a little.

LES
(smiling)
What did she just said about Princess?

WES
(laughs)
She was worried about you. I guess she cares about you.

LES
Did you just said you guess? She actually does. Why don't we double date tonight? Theo is going to the movies with Evan and Chris of course.

Wesley laughs as he can see the brother man is really into Princess and there's nothing he can about it. He's not scared that he might be dismayed.

WES
Let's do it. I'll confirm later when i meet with Angel for Lunch.

LES
Alright, If you can convince Angel for the double date, i guess it's game on.

They arrive at the varsity as they're still outside. Lesley pulls the car slowly so that the students would get in, He gets in riding slowly.

INT. VARSITY - DAY

Wesley and Lesley gets out of the car as few girls staring at them as they walk onwards to their class. Wesley wondering what could be happening.

WES
Why are people staring at us?

LES
Ask. I don't know. Maybe it's because of last night incident with David.

Wesley loses it and goes to another to ask what is really going on with people staring at them.

WES

Why are people staring at me like some tabloid?

GIRL

They think you're the reason David tried to commit suicide last night.

WES

(shocked)

What the fuck? I didn't even touch the man. He broke up with Angel because he cheated on her.

GIRL

Your relationship with Angel should have not been public so far. It's all happening so fast.

Lesley bored that Wesley is even listening to this good crap of advice. Lesley goes to them.

LES

Wesley let's go to the class. David made this all himself.

WES

Tell everyone that I've known Angel my whole life, I love her unlike David.

CUT:

INT. CLASS ROOM

Wesley and Lesley gets inside the classroom and finds Mr Morgan waiting for them not happy with the rumours out there, including their late arrival.

WES

Good morning Mr Morgan.

MR MORGAN

Morning to you to boys. What got you so late today? Where are the others?

LES

They're coming sir. Can we start working?

MR MORGAN

We have to deal with this lateness. You won't win this Engineering Competition if you keep on sleeping at the clubs. That's unlike you Wes. The rumour for fighting for a girl. It doesn't worth it.

Wesley looking sad that his mentor knows what he was up last night which is something he regret.

WES

I am really sorry sir. It won't happen again. It wasn't my intentions to see David hurts. He made it to himself, but i feel like it's my fault.

MR MORGAN

Don't apologize to me. Start working on the engine. The skull from Tokyo is coming to check it next week.

LES

Let's get the ball rolling Wes, they gonna get us working, I'll be decorating and you'll be with the engine.

MR MORGAN

I'll be at my office if you need some help with spraying.

A COUPLE OF MINUTES LATER

The boys are combined working on the given car for their task. Theo is the one fixing the engine now, Wesley is measuring the engine measurements.

THEO

Do you think i have what it takes to keep Evan with me for some time?

WES

What are you talking about with what it takes? There's no such. Just do your job as her boyfriend, all will work out for you. Is anything intimidating you?

Theo pauses and thinks of how Max was looking at him last night at the club when he was with Evan.

THEO

It's Max. I thinks he loves Evan.
I've seen how he was looking at us
last night. I was like something to
eat to him.

WES

They're all like that bro. He has
been chasing Evan's ass for some
time now. I don't think he'll ever
get her.

THEO

Why do you say that?

WES

I've seen how she looks at him and
you. She likes you and dislike Max
with his bad boys antics. In this
world my man, it's not what you
have to make a girl feel special,
it's about how special you treat
her, it doesn't matter how much you
worth, just be there for her all
the time and keep her smile. Look
at me, David is a rich basket team
owner but Angel chose me over him.

THEO

Wow. You can say that again. I
thought they were meant to be
together until you happened. I'm
double dating with Chris later on
for this horror sequel movies,
would you be with Lesley tonight?

Wesley laughs because Theo hasn't heard that him and Lesley
are double dating either tonight.

WES

(laughing)

Yeah, I'll take care of him.

Les on his job talking alone inside the car, He's fixing the
seats of the car and it's decor. He switches to it's stereos
and speed meter where he's trying to work a little bit of
magic as he's trying to plant the laptop.

LES

I want to make this car change.
Making new things inside can be a
great idea. We have to nail this
competition. This is our only way
to graduating

Chris looking at car new color with Morgan as they are
spraying the car from the outside. The colour has changed to
blue, which looks more new and beautiful.

CHRIS

Sir! What do you think about this
color?

MR MORGAN

BLUE! But is cool. Call Wes and
Theo. Hey Les! Get out of the car
and see what i see here.

Wes and Theo are sleep because of the load work they've been
doing for the deadline which is next week where the skull is
coming to see the car and it's engine

LES

Yes sir. I'll be there just give me
a second.

MR MORGAN

Get out of the car and check a look
at this new color.

Chris is where there's Theo and Wesley who are sleeping on
their tables still wearing the overall.

CHRIS

Hey Wes! Wake up man. Theo lets go.

Wes and Theo coming in hurry as we can see Wesley's eyes are
still sleepy.

CHRIS(CONT'D)

Look at the new color. How is it?

WES

It looks great man. Great job guys.
Sir we need to take a break.

Theo looks at Morgan agreeing with the idea of taking a
break.

THEO

I think we do indeed. We're done with the engine. Can we leave please sir?

MR MORGAN

Switch off the lights Les. Wait for me. We will bounce together.

CHRIS

(laughing)

Oh! Where did you heard that?

Morgan laughs because they know he works with them daily and they always talk that slang language in front of him.

MR MORGAN

I heard it from you saying it. Wes loves it.

Lesley comes from fetching his bag and couple of stuff.

LES

Lets bounce guys.

MR MORGAN

Did you heard it?

They leave laughing.

EXT. VARSITY APARTMENT

Wesley and his friends walking to their cars as Wesley is heading to his with Lesley while Chris is going to his with Theo. Chris sees Evan talking to Max, as it seems to be a little bit of argument outside the school fence.

CHRIS

Hey T... Isn't that your girl with Max over there?

It grabs Lesley and Wesley's attention...

THEO

It looks like it's her. Can we pull over there before leaving?

WES

Hey Theo. Relax man. There's nothing happening there, he's just trying to force himself to her. Ask her out when you get there.

LES

I hate this situation man. We gonna talk later on. Can we go already Wes?

Wes gets inside the car worried about Theo if he'd be able to handle Max who's hard hitting all the times like a boy high on weed. Theo gets to his car with Chris, they start the engine and drives through the gate to where there's Evan and Max.

Theo pulls the window down as he's looking at Evan, as it stands Max has hold her hand.

THEO

Hey love. Are we still going to catch that movie sequel later on?

EVA

Yes, Can you give me a lift to home?

CHRIS

(smiling)

Hoop in. Let's go.

Everything leaves Max pissed off and asking himself, "what the fuck did just happen?!". Evan gets inside the car, that's it, they're gone.

EVA

Max is so harassing, he's been after me for years now. He doesn't wanna understand that I don't want him.

THEO

Don't worry, once we hang out more, he'd understand that he doesn't stand a chance.

EVA

You think so?

THEO

I know so. Wes and Les won't be joining us tonight, he's going out with Princess and Angel.

EVA

I thought it's Angel and Wesley...I didn't know that there's Lesley and his crush.

Evan gets Chris laughing who is at the drivers seat. Chris doesn't need to comment at anything, but listen.

THEO

We gonna be joined by Chris and Pretty, since the horror sequel is scary, we gonna need their fun jokes.

EVA

Chris. Are you really into this girl? I thought I'd hook you up with Faith. Pretty is nasty. Better handle her.

CHRIS

I am just trying to see where this gonna take me... We're still experimenting. I know that Pretty is a typical girl.

INT. WESLEY'S HOUSE - DAY

MR BROWN talking about Wes with RENNY and MRS BROWN about his relationship with ANGEL and his school work. His father agrees that he's heading to the good direction while his mother begs the differ.

MR BROWN

I don't think Wesley is that stupid that he could date a girl he knows she doesn't love him.

MRS BROWN

Wesley hasn't known a thing about what he's doing so far. Angel is his first girlfriend remember? If he gets heartbroken, he's gonna melt like a weak chocolate.

MR BROWN

So, What's your point with all this?

MRS BROWN

I think he should take it slowly and finish his degree in three months time, that way he can go back to her.

RENNY

Mom. Wesley is 21. He knows what he's doing. He wouldn't had chosen Angel if he knew she's going to hurt her. Wesley always adored Angel since they were kids. That's what i know and heard.

Mrs Brown stands up and goes to the fridge where she takes refreshments to drink and eat when they continue talking.

MRS BROWN

I am very scared of how he'd take it when he's heartbroken that's it.

MR BROWN

Wesley is stronger than he looks. Though being heartbroken is a good thing, so that he doesn't experience it when he's like me.

RENNY

Dad is right. We all learn from our mistakes.

MRS BROWN

How much do you want from your father Renny?

RENNY

I am just supporting brother man mom.

She stands up and goes to the fridge. Terry staring at Mrs Brown wondering, why does she hates this affair between Angel and Wesley.

INT. OUTLET RESTAURANT - DAY

Wesley sitting with Lesley and Princess inside the outlet waiting for Angel who isn't answering her phone and kept Wesley wondering where she could be. Wesley decides to call the waiter. He orders, Lesley and Princess orders.

WES

If she gonna be this late, do you think this late night date gonna happen?

PRINCESS

I think she has a logic explanation on why she's late, but i know she gonna be here.

WES

She has to be here. We've been here for like an hour now. in two hours time we would be going to that date.

LES

Calm down man. People gets held all the times. She's coming.

Wesley starts to look around to see if she's really coming without noticing that Lesley is just giving him a hope.

WES

Where is she?

Princess sees her pulling over her coming in hurry.

PRINCESS

Here she is parking her car.

WES

Oh finally.

Wesley calms his nerves down a little before he faints over nothing. Angel gets in with a rusty face because she was in hurry.

ANGEL

Has everyone ordered their meal already?

WES

We already did. We thought you stood us up. What's up?

Wesley caught Angel off guard, she wants to lie to where she was and what made her to be late. They all stare at her, as she stares Wesley wondering how he'd take what she's about to address.

ANGEL

I went to see David to his place, he has just got discharged.

Princess reaction says it all that she made a bad decision, because that's not what she should be doing for an ex that she has just left, even though she thinks it's her fault that David had hurt himself..But she should stay away from him because she's giving him false hope unless there's more.

WES

You are giving this guy a false hope and taking blame for his reckless action. That's what he wanted, for you to feel sorry for him.

PRINCESS

He's right Angel. You shouldn't be running back to your ex who's obsessed with you mostly to console him.

ANGEL

I am really sorry Wesley. I thought he needed someone to be there for him.

LES

It's okay girl. He forgives you and understands. You have a great heart. It takes some guts to go back and see a guy like David who almost stabbed someone with a bottle last night.

Wesley hates David, from the moment he heard for the first that he's dating with Angel a year back, because he always sees Angel as his soul mate.

WES

(annoyed)

New subject please. Are we still going out at 6pm tonight?

PRINCESS

Yes.

ANGEL

It's only an hour left Wesley. Can we change it to 7pm? We came here for lunch which we haven't yet finished and it's gonna be like 30 minutes left when we finish.

WES

Alright. Let's eat Les and bounce...

Princess and Angel looks at Wesley who is very cold today, wondering if it is still all about David.

ANGEL

Wesley, I am here because of you. I wouldn't be having this lunch if it weren't for you... Do you remember when My father and your father met for coffee with you and i 19 years ago?

This is the moment where Wesley met Angel in 1999. Wesley wearing a vest for LA Lakers, Angel on a small white dress looking like an Angel from heaven falling down for him. That moment, they couldn't stop staring at each other.

Wesley smiling wondering why does she still remember this old thing. It's more like two decades ago.

WES

(smiling)

Oh man...

Wesley gets a little bit emotional like an emotional cracker woman. He keeps on staring his foods without raising his head.

ANGEL

That's where and how Angel met Wesley. I knew that day, that this boy is the love of my life... His eyes contacts said it all and still says it all. No body looked at me better than you, Wesley. I'll always love you.

PRINCESS

Wow. You guys comes way too long. Lesley, do you have Princess charming from your past coming to snatch you away from me?

That gets Lesley laughing as he didn't knew that Princess likes...It felt awkward but great to Lesley who's into Princess.

LES

Nah. I was the coolest boy on the planet earth. No girls no problem.

They all get laughing, to know that Lesley was scared of girls until he reaches his youth status.

WES

He was scared of girls...

ANGEL

You're not different to him. You let me leave to boarding school while bottled your feelings for me.

WES

(laughing)

I wasn't scared of you. I knew that you love me, but telling you would had just hurt me more, because i didn't want you to leave to the boarding school.

PRINCESS

Enough with that. Look. I am very glad that you and Angel have this strong connections. Tell him how much i hated your recently ended affair. Now you have found your King...

Angel looks a bit shy when Princess describes Wesley as her King. They keep on eating and talking.

.

INT. DAVID APARTMENT - DUSK

DAVID on the chair with MAX and CALVIN who are there to support him over trying to commit a suicide last because of the lost love Angel who is currently dating with Wesley Brown. Calvin isn't buying the story that David was trying to kill himself which isn't like him, mostly because of a girl.

CALVIN

We heard the group of people talking about you at school. How is it going?

DAVID

I thought you knew me already, clearly you haven't. I am not sick man.

MAX

What the?...

Max very shocked that this guy landed into the hospital and doesn't call that a sick.

DAVID

I am not sick. I've done that to grab her attention from Wesley. She was here not so long. She's very caring and that's how i am planning to win her heart back.

CALVIN

How about Wesley? You painted him with a horrible brush man, people think he tried to kill you when he takes Angel from you that's why you tried to kill yourself.

DAVID

That was the plan all long. Wesley gets dirty, and i clean my image with his. All those who sees him as this precious boy, they gonna be on my side, which means Angel gonna be on my side again because she hates bad reputation.

MAX

And if that doesn't happen?

David looks at them trying to figure out how he should say what he's thinking at the moment.

DAVID

I'll set him up and make him look like he cheated on Angel like i did.

CALVIN

Do you really love Angel, or you just don't wanna see her happy?

DAVID

More like a bit of both. I've been nursing her little ass for some time always knowing that we gonna end up together just for what? To raise her to run back to Wesley.

CALVIN

I think she looks more happy with Wes than with you.

It didn't sit well to David stands up and looks at Calvin over what he has just said. Max stands up and get ready to stop them if they gonna fight.

DAVID

Which side are you on Calvin? Is it Wesley or me?

MAX

Come on guys. Calm down D. He's on your side.

CALVIN

I am just trying to be a good friend before you regret the mess you'd cause while you didn't get the upper hand. I'll see you around.

Calvin stands up and intend to leave them, Max follows him. They reach to the exit of David house door.

EXT. STREET - NIGHT

Calvin pissed off with how David was trying to frighten him. Calvin is his own man unlike Max who's David puppet. Calvin isn't scared of anything.

CALVIN

Who the hell is he trying to tell me to pick sides? I'll always pick the winning side. Wesley is a good boy not the enemy here. Whatever beef he has with him it ain't my business.

MAX

We both know that whatever Wesley has for now, we all want it but certain people can only get it away from him.

Calvin laughing to hear that Max is on David side even though he has just mentioned that he does like Angel too.

CALVIN

Yeah, but it's very unlikely to me that David gonna snatch back Angel from Wesley. He played his part, it's over. I bet he didn't smash her, did he?

MAX

That's none of my business bra. What i could tell you is that, we should stay at our lanes. Where's

MAX
that idea of you wanting to kick it
with Princess?

CALVIN
That was like a year ago man. Now
she's with Lesley. The winning
team. What happened between you and
Evan earlier at school?

MAX
Theo came and took her away from
me.

Calvin has nothing to say from there. Wesley and his boys
are on the winning team because they uses their heads not
hands.

MAX(CON'D)
Why are you so quiet?

CALVIN
Those boys are smarter than your
dirty tactics with David. I am done
with chasing those fourpence girls.
I am going to look for something
new.

MAX
You kinda sound right.

The admission of rightness from Max has got Calvin smiling
because he knows he's right and always been, It's just hard
to accept the truth.

INT. WESLEY ROOM - NIGHT

WESLEY VS Mirror, he can't stop to stare himself in front of
the mirror trying to fix his tie. He's so stunning tonight,
stunning man, looking great young man, he's going on a
double date with Angel and his brother n his girlfriend
Princess. He's playing "Justin Bieber - Believe" song, which
says he didn't believe everything that is happening to his
life at the moment. He's singing with the song, he's father
is on the door staring at him bounce left and right looking
like a groom who's getting ready for his wedding. He's gets
closer to Wesley and touches his shoulder.

MR BROWN
Son. I am here to wish you the best
of the night. This suit reminds me
of my first school dance during

MR BROWN
this time of the year. This was the
day, i first done it with your
mother.

Wesley laughs moving away from him, thinking what can happen
if he does it Angel tonight, this could mean he's following
his father's foot steps and found the woman for his life to
spend the rest of his life with, he's wondering.

WES
So, you and mom done it like today
decades ago and she never done it
with anyone?

MR BROWN
I am her first and last son.

WES
Wow. Fairy-tales does exist. First
boyfriend and first husband on a
single day. I wish.

MR BROWN
It isn't fairytale son, love comes
from the heart. Once you deeply
love each other, there's no way
anything can block you from getting
married to your first girlfriend.
Treat your girlfriend with respect,
love and loyalty. That's the
language of love. Enjoy your night.

Terry leaves his son encouraged with his sweet and
encouraging words. Wesley's wraps up tying his tie. He
leaves to the dinning room. His mother and sister can't stop
to stare at him, his mother is smiling for the first time
since he's been involved with Angel.

MRS BROWN
Have a wonderful evening my boy.

RENNY
Come back with her Young Brown.

Their parents laughs. As Wesley hugs his mother and sister

ANGEL
Almost done.

PRINCESS
It's going to be a long night.
Don't be nervous, everything is going to work out very smoothly.

ANGEL
(laughing)
I am not nervous.

Her phone rings. It's Angel's Mother Mrs Morgan, who's away on trip standing over the Balcony that night wanting to hear her only child voice.

INTERCUT

ANGEL
Hi mom. How have you been doing?

MRS MORGAN
I am very good baby. You sound a little bit nervous. What's going on?

Angel pauses a little thinking if she could tell her that she's going out with friends.

ANGEL

I am going out with friends
tonight.

MRS MORGAN

You should be excited with that, is
it something bigger than i know?

ANGEL

I am hanging out with Wesley and
this is our first official date and
i am very nervous.

MRS MORGAN

(excited)

Oh my baby... You finally got your
man back. Finally dumped that
garbage kid, what was his name
again?

Mrs Morgan is very excited like hell. She always saw and
still sees Wesley as Angel's perfect match and the only boy
she has always approved as a good n well raised young man.

ANGEL

David. I am not here to talk about
him. Are you going to wish me a
wonderful night?

MRS MORGAN

You have my blessings tonight.
Enjoy your night. Oh hey. Say hi to
Wesley. I am so happy for you two.

ANGEL

(emotional)

I am very happy too mom. Enjoy your
holiday.

Angel full of tears of joy after having her mom's blessings
and approval of Wesley. Princess behind her smiling. She
gives her a tissue to wipe her tears before it ruins the
makeup.

PRINCESS

Are you ready baby? Let's go,
they're waiting outside.

ANGEL

(deep breath)

Let's go.

Angel on her red small beautiful dress while Princess is on the black one, while the boys are on the black suits, Wesley opens the door for Angel to get in as Lesley does the same for Princess.

INT. CAR DRIVING - NIGHT

Wesley staring Angel with the front mirror of the car like she's a yummy needing to be licked right away and smiling back to him.

ANGEL

Where did you reserve us Wes?

WES

The Hot Pot Restaurant down town.
It's kinda of East Asian food.

PRINCESS

(excited)

Like Korean BBQ?

LES

Mmh. It seems like you already know what he's talking about. Yeah. Have you been there?

PRINCESS

I have been there once.

Wesley and Lesley looks at each trying to ask Wesley to let them know that they're going to watch to John Legend at the Microsoft Theater after wards. Angel notices.

ANGEL

Why are you two staring at each other?

WES

It's nothing.

Wesley winks at Lesley, to stop him from ruining the surprise as they both know the girls will go frenzy over John Legend. They love him... Princess and Angel stares at Wesley wanting some answers.

WES(CONT'D)

Oh shit. We bought the ticket to see, John Legend at the Microsoft theater.

The girls screams out loud and even try to disturb the driver over the excitement to see John Legend.

EXT. CLUB OUTSIDE - NIGHT

Outside the Club in the parking lot we see CALVIN with his best friend MIKE talking as they keep on looking to the passing girls who are getting inside the club.

CALVIN

Have you heard from Max or David just yet?

MIKE

Nah. What's up? Did you went to see him at his place?

CALVIN

Yeah i did with Max. The man is tripping bra. He thinks he owns everything. He wants to get Wesley dirty to win Angel back.

MIKE

How does he wants to do that, because we all know that Wesley is squeaky clean?

Calvin pauses and starts to think if it's a good idea to talk about it, but who cares Mike is his best friend right, he won't snitch.

CALVIN

He wants to set up Wesley and look like he cheated on Angel with some low life girl who he's gonna pay.

MIKE

That's nothing bra. Do you think Angel would fall for that? That's child play he should try harder.

Calvin using the close eye to see if it's Faith who's walking towards the Club Veranda with some guy.

CALVIN

Isn't that your girl man? Check a look at the Club entrance.

Mike looks at the girl trying to analyze her. It happens to be his girl Faith. Mike starts to walk towards them.

MIKE

Hey babe. What's up? I didn't know you'd come to the club tonight.

FAITH

Hey Mike. Meet my cousin Jason.

MIKE

Cousin huh! Jason. What's up man?

Mike looks a little bit jealous, but kinda relieved that it's a cousin not a boyfriend like he thought. Jason shakes Mike hand.

FAITH

He's new in town. So, i thought i could introduce him to the girls.

Mike looking at her wondering if she doesn't know that her friends went out with their boys.

MIKE

Don't tell me that you didn't know that all your friends went to dates with their new boyfriends, didn't you?

FAITH

That cannot be true! Where did they go?

MIKE

Chris and Theo just checked in to the cinema there's a horror sequel with Evan and Pretty. I saw Wesley and his brother on Instagram on suits as it seems like they're on serious business adventure. Formal dinner dates with Princess and the queen.

Faith very surprised that she got omitted to this dates though she has to understand that she doesn't fit to any of it, because her boyfriend isn't quite the favorite to Wesley and his friends, but she could have fit in to the horror date.

FAITH

Let me go. I'll see you tomorrow at school.

Faith leaves with a sad face as it is something Mike doesn't like, because he's not that different to Wesley and his friends. They're studying the same Course, but Mike isn't the favorite because of his bad boys antics and he's got a different tutor who's not good as Mr Morgan.

INT/EXT. VISTA THEATRE - NIGHT

The night is still young to the boys and girls who are coming inside of the Vista Theater to watch the Horror Sequel. Theo can't keep his hands off Evan as they are holding hands coming out, as we see Chris and Pretty are showing off with a little bit of kissing.

EVA

Should we be going home this early babe?

THEO

Nah. I just saw something on Instagram recently. Keep on guessing.

Theo gets Evan wondering that what is it that he has just saw on Instagram.

EVA

David has a new girlfriend?

THEO

(laughs)

Nah. It's John Legend at the Microsoft Theater tonight.

EVA

(Excited)

What? You gotta be kidding right. You aren't. Do you have the tickets?

THEO

You should be asking a valid question, which is "Are we going there right now?"

Theo gets Evan smiling like she saw a honey melting from the tree. She hugs him and kiss. Chris and Pretty looks at them wondering if it's an engagement celebrations or what.

EVA

I love you baby. You are the best.

Chris and his girl gets closer to where there's the love birds kissing.

CHRIS

What's up? Did Theo poop the big question?

THEO

Nah man. We are going to the Microsoft Theater there's John Legend performing live.

Chris looks at his girl thinking like "Does she wanna go or not because he's going with them?"

CHRIS

Babe. Do you wanna go?

PRETTY

Oh yes. What are we waiting for, it's only thirty minutes left to kick start?

THEO

We game. Let's bounce.

EXT/INT. MICROSOFT THEATER - NIGHT

.
It's boys and girls out as the double date continues, we see Wesley, Lesley and the girls outside the theater (Angel and Princess) talking n walking slowly as the crowd gets in. Angel walks in front of Wesley.

ANGEL

You were very shy to eat earlier than you were eating just now.

WES

I wasn't shy, i was just not hungry. I've seen how you eat, are you trying to get fat?

ANGEL

(smiling)

No man. That's how i eat, i take vitamin pills everyday for appetite. You should take them too.

WES

Yeah. I think they can help, but i don't need them. I'll get fat.

Wes looks at her wondering if it was it that made her to stand in his way. She gaze at him thinking like is she pushing what she wants to ask or it is nothing but a minor step they want to take.

ANGEL

Are you going to crush at my home tonight?

WES

Yeah, why not? Are you feeling safe? Is someone watching you?

ANGEL

No silly. I was just wondering on how you feel about it, maybe like we're rushing things. We've just met again and we are already on our forth meeting in two weeks.

WES

Look. We've known each other for years, we've been best friends for half our entirely life, we leave at the same neighborhood and study at the same school. We are supposed to see each other whether we want or not. I won't feel happy to just look at you like a stranger rather than getting close to you and say hi.

ANGEL

You right.

Angel hugs Wesley as the camera shifts slowly to Lesley and Princess who are coming from the parking lot to where the couple are.

LES

I didn't know that you are this fun. I eventually used to look at you walk the whole way to the class and other classes. Why haven't you dated with any guy at school yet?

PRINCESS

I couldn't find any good guy until i met you. I thought of dating with Calvin during Angel and David relationship, but he was acting like a stupid bully. So, i thought focusing on school stuff is a great distraction from dating.

Lesley looks at her wondering that she would be with Calvin right now if he didn't come a little earlier.

LES

That's great. I didn't see the Angel and David relationship ending anytime soon until Wesley happened.

PRINCESS

I didn't see it either, but it was due to end as David was cheating a lot of times when he was away from Angel, but the replacement as Wesley, i was completely lost. But the connection they have is something i only see on the fantasy movies.

We see Wesley and Angel getting close to each other talking as they are waiting for Lesley and Princess.

LES

Wow. Look at them, they are like two vampires craving for each others blood.

PRINCESS

Let's go where they are.

Lesley and his girlfriend gets where there's the lovebirds, they are dinning and shinning light in the beautiful evening outside the theater where everyone is happy to arrive on time to see the performer John Legend.

ANGEL

Are you ready for the concert? I can't believe that we are here to watch John Legend.

LES

What are we waiting for? Let's hoop in the arena.

WES

We have just started the night brother man. The main course is coming in two hours time.

Angel looks at Wes smiling and couldn't wait for the main course Wesley is talking about. They walk inside the arena as the concert has just started. Everyone is sitting down as it's the slow jam the performer is singing.

As we see on Angel facial the happiness is written all over the cherry red mouth, she smiles looking at Wesley who's staring the performer.

ANGEL

I just feel like i could die in your arms Wesley Brown. I wish it be like that forever and ever.

WES

He's a great performer right? He's good for the couple night.

Angel can't stop staring at Wesley who is like something to eat when he calls them a couple.

ANGEL

I like the word couple. It makes me feel like i am an adult.

WES

You are crazy. Even young adults can be a couple. It's very hot in here.

ANGEL

I feel cold.

She looks at Wesley who takes off his Jacket and hang it over her shoulder to keep her warm and cover her with his hand. She lays her head on his shoulder as if she's sleeping while taking a deep breath and keep on watching the performer.

EXT/INT. MICROSOFT THEATER - NIGHT

It's outside the Theater, we see Theo, Chris, Evan and Pretty who have just got to the theater from the horror sequel show downtown. Evan getting close to Theo who she holds his hand at the theater entrance.

EVA

Do you think the show is close to the end?

THEO

Yes. It's only left with thirty minutes. It started an hour behind the movie, we've been watching.

EVA

Is there an after party after the show?

Evan gets Theo laughing, because she knows that the performer gotta get somewhere after his performance.

THEO

No, but we can have our own after party after his show.

EVA

(extremely smiling)

Our own after party? My mom won't allow me to do that.

THEO

(laughing)

I love your mom. She dearly let you go with me to the movies at night, actually, really late. Why would she say no to the after party?

EVA

(gering)

You are very silly young man.

They get inside the theater laughing. They find the performer left with a couple of songs to close the concert.

20 Minutes Later

EXT. THEATER PARKING - NIGHT.

At the parking lot of the theater, the boys and girls have gathered to wrap up their night, We see Wesley and all of his friends and their girls.

WES

What was the plans guys after this amazing night? There's no after party?

They all look at Wesley laughing, because they know there's something that has to happen unless they have planned to go separate ways like how their dates were.

THEO

We're having our after party with my lady. Was there something planned?

They all look at each other as they agree with Theo that they should just part ways and meet tomorrow.

CHRIS

There's nothing man. Let's get on the car Pretty, what are you doing right there?

LES

Get your head on the car Angel, no after party.

ANGEL

Let's go babe.

Angel grabs Wesley's hand and push him into the back seat, Princess and Lesley gets at the front seats. The car engine starts. They leave the parking lot.

INT. CAR - NIGHT

It's Wesley and Angel at the back seats, they're kissing each other hard like they wanna do it right there inside the car. They start to get nasty with the touching, Lesley is looking at them with rear mirror.

LES

PRINCESS

Wesley takes off his pants and he gets on top of her touching her vagina, brushing it, while she can't hold her breath anymore.

Angel takes off her underwear and throws it down to the floor. Wesley put it in, as if she wasn't a virgin anymore because she's very wet. He ride it with a care tender, going slow so that he doesn't hurt her, a few minutes while he's still going like that, she goes in charge and get to the top and ride him off like a pro.

INT. SHOWER ROOM

Wesley and Angel at the shower still continuing with their doing, kissing each other dearly as the water is flowing over their faces, but they can't stop to smooch each other.

WES

What's up? Are we leaving already?

LES

No. I came to see what you are doing here. Is it enough for all of us?

WES

Yes. You can dish up, we are leaving in an hour.

LES

About last night!

Wesley laughs before saying anything that crosses his mind about last night.

WES

(smiling)

Let's talk about it going to school.

As Wesley holds his tray and heads to Angel's room while Lesley is looking at him shaking his head.

ANGEL ROOM

Angel hasn't woken up yet, Wesley gets in singing and puts the tray next to her head by the head bed. Wesley gets closer to see if she's still asleep. He brushes her head to wake her up. She opens her eyes slowly and smiling.

WES

Good morning baby. I made you
breakfast, wake up and eat.

She wakes up and acting a bit shy to look at him as she can't believe they done it last night and it was amazing.

Angel gets closer to her breakfast, wearing nothing on the body, but her panty, she takes her T-shirt nearby and wears it.

ANGEL

Don't you wanna join me?

WES

Alright.

Angel starts eating as Wesley is looking at her deeply on her eyes, she gazes him as she's eating.

ANGEL

Why are you looking at me like
that?

WES

(singing)

*"Your hand fits in mine like it's
made just for me..."*

He continues to sing grabbing her hand. He's singing (One Direction - Little Things).

She can't eat anymore, she's staring at Wesley who's singing for her, while she's smiling and smiling looking at him, as he's wrapping the song, her tears falls from one eye, through joy and happiness towards Wesley.

ANGEL

I love you Wesley.

WES

You better. Let's eat.

ANGEL

I do. I didn't see myself falling in love so deeply so young. But you made me do. It's really hard for a woman to express their emotions, but with a man like you around, it's just easy. You're an ace.

WES

When you realize you want to spend the rest of your life with somebody, you want the rest of your life to start as soon as possible. I'm going to the shower.

It was amazing sir. We had a great time last night.

MR MORGAN

I thought so. Give me that chieftain. That's David car Isn't it? What could he be doing here?

Wes bored to see David car coming, because he knows they have bad blood to each other.

WES

Yeah! Does he often come here?

MR MORGAN

No... This could be some kind of test. He never been here.

Wesley changes his face expression as the car approaches near them. Morgan looks at him closely.

MORGAN

Here's coming here because of you, right Wesley?

WES

Yes. I stole his girlfriend and he really hates me for that.

MORGAN

And who's that you're talking about?

WES

It's Angel sir.

Morgan holds his breath as David has just got where they're. He gets out of his car and walks towards Wesley and Morgan.

DAVID

Good day Mr Morgan. How are you doing?

MORGAN

Hey David. How can i help you?

DAVID

My car is having a problem with it's carburettor.

MORGAN

That should \$1200.

David pauses because his money shorts, and it looks like they don't use speed point here.

DAVID

I have thousand bucks.

MORGAN

We both know it doesn't work like that, does it? Get the money and come back.

Wesley just standing there and shaking his head knowing that David is just messing with them he doesn't really need a help.

WES

David, cut the chase and say what brought you here and stop messing with the old man.

David looks at Wesley and thinking like "I'll kill this stupid boy if he wants to mess with me".

DAVID

I want you to stay away from my girlfriend Wesley and even stay away from this one too.

WES

Angel is over you. You should get over her too and please be a man and stop trying to ruin my good reputation with your horrible brush of bad news. Did you thought people would fell for your trap and think that you wanted to commit suicide because of me?

DAVID

Wesley stay the hell away from Angel or else, I'll...?

MORGAN

Or else what? If you let my daughter go now David, that will be the end of it. I will not look for you, I will not pursue. But if you don't, i will look for you, i will find you and kill you.

Wesley shaken and David quiet with what Morgan has just said to him, the most definitely thing is that Angel is his daughter. Nobody knew about it. David looks at him and leaves to his car. Wesley can't even look at his mentor.

MORGAN(CONT'D)

Be calm son. You complete her.

EXT. STREET - DAY

As THEO and EVAN have just stoop out of the school gate, they see Angel coming with Faith.

THEO

Look who is coming. I forgot to tell you something, we are having a get together with my friends. We are celebrating the results of the engineering competition later on today. Would you be able to come?

EVA

Yeah, I'll be there. Does Angel and other girls know about it?

THEO

I don't know yet. But i think Wesley and Lesley should have told them already.

EVA

Alright. See you later babe.

Evan hugs Theo who avoids Angel who is coming with Evan. Angel and Faith arrive close to Evan walking in hurry.

ANGEL

Hey. Where is Theo going looking like he's avoiding us?

FAITH

It could be something to do with me maybe.

Faith acting like a girl who need some sympathy. Angel looks at her kinda a bit surprised.

ANGEL

Everything cannot be about you friends. What's up babe?

EVA

He told me that they're planning a celebration later on, it would be just us. It's about the engineering competition results.

FAITH

Does that mean that some of us aren't invited because, since our

FAITH
 boyfriends aren't friends with
 Wesley and his buddies?

EVA
 Can you stop with this crap Faith?
 Come to the celebration and we will
 take it from there okay. Let's go.

EXT. STREET - DAY

Wesley approaches Theo and Chris who are coming from the tuck shop holding the coffee at their hands drinking, as he rushes to them before they disappear.

WES
 Chris...wait up.

Chris and Theo turns their heads around and see Wesley who's at the tuck shop. They turn back and goes to him.

Wesley talking to the coffee shop owner.

SHOPKEEPER
 Dark as usual?

WES
 Yes. Make it double.

Theo and Chris looks at him wondering why is he ordering two coffee.

THEO
 Double?

WES
 Yeah, Lesley is on the way. We have
 to discuss about the celebration
 since it's gonna be just us
 celebrating.

THEO
 I have just let Evan know about it
 and she will let the girls know
 about.

CHRIS
 Where are you coming from?

Something crosses his mind about how Mr Morgan threatened David earlier and his revealing that he's Angel's father.

WES

I was with Mr Morgan, we were about to discuss the competitions results and we didn't.

CHRIS

You didn't? What happened?

WES

David happened and upset Mr Morgan.

THEO

That's unlike Mr Morgan. How did he upset him?

Wesley pauses and imagine how Mr Morgan face was when he informs David about messing with Angel.

WES

He said something like, "If you let my daughter go now David, that will be the end of it. I will not look for you, I will not pursue. But if you don't, i will look for you, i will find you and kill you".

THEO

Do you know what that could mean?

WES

I thought he said "He's Angel's father".

The boys are amused with what Mr Morgan has said, Wesley goes to the shop keeper and collect the coffee and goes back to the boys.

CHRIS

David may have just ran away after that threat.

WES

What else he could have done?

THEO

So, what do you say about the celebration?

Mike and Calvin who are coming on the way, heard about the celebration and they're going where Wesley and his friends are sitting.

CALVIN

How about the celebration? Are we also invited?

WES

It's open to anyone who wants to come, it's nothing big really, you might get bored.

CHRIS

Yeah, he's right. It's like what goes down at the club.

Mike looks at Chris who's trying to push them to not coming.

MIKE

I wish i knew how to quiet you. Where is it going down?

CHRIS

If i had some strengths to beat up people i would had beaten that bad crap out of you.

CALVIN

I don't think he's bad, he's just drawn that way.

Wesley laughs spilling his coffee as his sips it hot and sweet. Wes looks at Calvin and Mike over their eyes like a snake wanting to bite.

THEO

Are you shaken Chris?

CHRIS

Shaken, but not stirred. Let's go guys. We hope to see you there.

WES

(laughing)

You gonna get your small heard whipped, because you're a failure to communicate. You almost begun a fight.

They leave Calvin and Mike laughing, Calvin and Mike goes to the shop keeper and order their milkshakes.

CALVIN

The last time you drank my Milkshake.

INT. DAVID APARTMENT - NIGHT

David with some strange girl inside his house seemingly to be coaching her to do some dirty job and we are about to find out where and why.

DAVID

Look Reina, if you do me this job, I'll forget about the money you stole from me okay?

REINA

What is it that you want David? I told you that my parents wants me home in Mexico by Friday night.

DAVID

You seduce this boy to fell for you tonight at the party and I'll give you the money to Mexico.

David shows Reina the picture which there's Wesley in it. She takes the pic and look at it closer.

REINA

What did this innocent boy do to you now?

DAVID

He stole my girl like you stole my money. Angel gonna be there too and i want you to act fast and do it while she's watching, she'll be jealous and she's quick to judge, make his fall for you, use your charm, flirt with him, this boy is a minor and still new to this life.

REINA

How did a minor steal your girl?

DAVID

Shut up and listen. The greatest trick the devil ever pulled was convincing the world that he can create you your own shinny world. You do what i say and i make you rich.

Reina left without words as she sees that David can do anything to get the girl back, but what is it that he wants the most at Angel?!

EXT. STREET - NIGHT

THEO, CHRIS, WES and LES in the evening at the street as they're about get inside the bar where everything is cool and calm because it's adults bar. Wesley keeps on looking around expecting to see some of the girls to arrive soon.

LES

Is everything okay man?

WES

Yes, I am just wondering where the girls could be by now. Let's get to the bar.

Wesley is pretends to be patient, but he's impatient himself. He's trying to see if Angel is coming or not. Chris is standing with Theo from a small distance

CHRIS

Guys, can we get inside the bar already, I heard everything is ready?

LES

(loud)

Yeah we should. Let's go they'll be here at time from now on.

They walk towards the bar, while Wesley is walking slowly looking looking behind. His phone alerts inside his jeans pocket. He removes it and stares. It's a message from Angel.

ANGEL(V'O)

"Wesley, i have received a call from Mrs Stevenson to come and prepare my last dance to the finals, that is taking place this Friday night. Please forgive me, I'll make it up to you. Oh hey, can you pick me up at 9pm at the Arena?"

As Wesley is reading the message, Theo is looking at him and goes to him after wards, wondering what could be going on with his sad face.

THEO

Is everything alright Wesley?

WES

She's not coming.

Theo gets a little bit confused, wondering who he could be talking about, who isn't coming.

WES(CONT'D)

Angel is not coming, she had received a last minute call to come to the Ballet practice, to prepare for her final dance.

THEO

Does this means that even the other girls might not make it?

WES

We gotta wait and see, she said I should pick her up later on.

INT. BAR - NIGHT

We see Mike and Calvin inside the Bar drinking their selves to the party sitting down and seeming very cony. They're staring at Wesley who's sitting alone. They tend to walk where Wesley is sitting.

CALVIN

This is the beginning of a beautiful friendship. Where is she?

WES

The Ballet Arena, practice.

MIKE

Don't you think she could be with David?

That question arouses Wesley and he starts to wonder, but he shakes his head denying it, he trust her.

WES

Nah, she won't do that to me.

Mike as he wants to respond back, Faith stands on the way and calls him.

FAITH

Mike.

Mike leaves Calvin and Wesley sitting together and bromancing for the first time. Calvin finishes his drink. Wesley looks at him wondering if he wants anyone, because it's on the house.

CALVIN

I'll have what you're having.

Wesley hands Calvin another can of a beer. He opens it and sips, while Wesley is still looking at him.

CALVIN

Why so serious? Let me tell you something young Brown?

WES

I'm all ears.

CALVIN

Prepare to be set up by David. He's going dirty to get Angel back.

WES

How is he going to do it?

Calvin tries to remember the details, but he's just blank because of the alcohol he's been drawn into.

CALVIN

I can't remember everything, but just prepare for it. Look, Of all gin joints in all the town, she walks into yours. You are very lucky.

Wesley is amused with the words Calvin has just said, but wondering how he would be set up.

INT. BALLET ARENA - NIGHT

Inside the Ballet Arena, Angel wearing her dance shoes. Mrs Stevenson walking towards her to see if she's not worried about anything at the moment.

MRS STEVENSON

Free your mind Angel, breath and sip a bit of water to let your blood flow as usual. You may begin with your first dance moves. Attitude Attitude. Let's go

Angel does her dance moves Attitude Attitude, as Mrs Stevenson is directing her change of moves to Echappe' Echappe.

MRS STEVENSON(CONT'D)
Let's go Angel, move your feet.

on Angel. What's going on?

Angel is dragging her feet as she's thinking about Wesley is kinda sad that she missed his celebration.

MRS STEVENSON(CONT'D)
Angel stop. Get here.

Angel walks to where Mrs Stevenson is standing.

MRS STEVENSON
Angel, what is wrong my dear? You
know you can't drag your feet now.
We're preparing for the finals.

ANGEL
I've missed someone's important
celebration tonight. He won the
engineering competition.

MRS STEVENSON
Look at it this way. How do you
think he's going to feel when he
finds out that you lost your dance
competition because of him?

ANGEL
He'll feel bad of course.

MRS STEVENSON
So, get to the floor and show him
that it was worthy to skip his
celebration and win the dance, that
will make him proud of you.

Angel smiles and goes back to the dance floor and does her dancing. Mrs Stevenson continues to direct her moves as she dances while changing them

MRS STEVENSON(CONT'D)
Attitude Attitude, Echappe Echappe.
Arabesque Arabesque.

.

INT. BAR - NIGHT

Wesley at the Bar stands looking a bit sad while drinking his beer and struggling on why fate took Angel from his celebration. Could it be true about what Mike said that she's with David or he's trying to upset him? That's the questions Wesley is asking himself. Wesley looks at the Bar man who is wondering what could be going on with him.

WES

I want another one.

Wesley asking another beer as he finishes the one he had on hand. Spaniard young woman with red hairs, heads to his way inside the bar. It's Reina. She sits a bit distance from him, but looks at him.

REINA

¿Por qué el hombre guapo está
tomado una copa solo?

Reina is asking Wesley that "Why is the handsome man having a drink alone?.." Wesley seems to a bit confused with what Reina has said because he doesn't know Spanish. Wesley looks at the bar man and turns his eyes back to Reina before answering.

WES

Excuse me?

REINA

(loud)

Why are you having a drink alone on
a celebration?

Wesley can't hear either because of the loud music. He looks at bit confused. That gives Reina a chance to get closer to him.

WES

Hey. What's up?

REINA

I'm Bella?

WES

Like Italian?

REINA

More like Italian Mexican. Why are
you having a drink alone on a
celebration? Are you having
girlfriend issues?

Wesley looks at her wondering if he should answer the last question of girlfriend issues to a stranger, but with how she's looking at him and the beauty, he gotta answer the Q.

WES

Kinda have been stood up by someone close to my heart. This celebration was supposed to be more special with her, because this is my celebration with my friends.

REINA

That sounds interesting. What have you achieved?

WES

We've won the annual world wide mechanic engineering. That's for tertiary students.

REINA

Wow. That's amazing. I can help you forget about her tonight only.

Wesley starts to see that she's starting to throw herself into him. He looks at her with suspense.

WES

Nah, don't worry. I'm good. I am going to pick up her later on tonight.

Reina get's more closer to Wesley and wanna whisper to him while her other hand has got a perfume which she's spraying at Wesley's jacket at the back of his Shirt.

REINA

Tú eres un hombre muy guapo Wesley. No mereces la soledad durante este tipo de celebraciones.

WES

Please speak English woman, you said you are again?

REINA

Would like to dance with me, while i teach you spanish?

Wesley looks at his friends who are laughing besides Lesley who thinks what he is doing is wrong, even though they can see that It's Reina who's acting all seducing.

WES

Okay.

Lesley and his friends are talking about Wesley and the red haired woman who are on the stage sort of dance talking.

LES

Wesley shouldn't be doing that over the absence of Angel. If she hears it, she gonna think he was cheating.

PRINCESS

But that girl is throwing herself into Wesley. He did nothing wrong so far. I can backup him if that's needed.

EVA

But that's not how Angel is going to hear it and take it. Look at how Mike is looking at them.

Mike is really enjoying the lap dance Reina is teaching Wesley. Calvin isn't liking it because he's trying to look at Reina from a close angle as if he has seen her before. Reina kisses Wesley's cheek and leave the bar.

EXT. BAR - NIGHT

Calvin pounces out of the bar in hurry trying to see where Reina is ending up to. Reina get's inside the black Range Rover, as it has been written David on the number plate.

CALVIN

(annoyed)

Oh flip. That's how David was setting up Wesley. I didn't see anything suspicious Wesley had done there. I better stay out of it.

Wesley comes out too to see where Reina could be ending up, because she's acting like a sent ghost. He sees Calvin outside still staring that car.

WES

Where did that Spanish girl ended up?

CALVIN

She got on a car and left. Do you know her?

WES

I should be asking you that not the other way around, i saw how you came out of the bar just to follow her.

CALVIN

I thought i knew her. Let's meet at the street basketball tomorrow afternoon.

WES

Alright. I should go and fetch Angel at the Arena. See you around.

Wesley gets inside the car and starts the engine. He drives away while Lesley was looking at him and wondering what could be going on.

CALVIN

He's going to fetch Angel at the Arena.

Calvin taps Lesley's shoulder and passes him, he walks inside the bar. Lesley thought Wesley is following the red haired beauty.

EXT. BALLET ARENA - NIGHT

ANGEL waiting for Wesley outside the Arena with her small bag with dancing clothes inside while she looks at the time at her hand watch. She moves towards the road to see if Wesley is coming or not.

Few minutes later Wesley arrives with speeding up. She walks closer to the car. Wesley gets out of the car and wanna open for her the car door, while he's wearing his white shirt. Angel feels a woman perfume scent on Wesley's shirt.

ANGEL

Did you spray a woman perfume on your shirt?

WES

No. Why are you asking?

ANGEL

Take it off and smell it here.

Wesley taking off his shirt, Angel sees a red lipstick at the back of Wesley's shirt. Angel drags it all off with force and anger.

WES

Angel you gonna hurt me. What's wrong with you?

ANGEL

Did you enjoyed being with her?

Wesley kind confused because he has no idea, what is she talking about.

WES

Who are you talking about?

ANGEL

Wesley don't act like damn fool. You know what i am talking about. I meant this.

Angel shows Wesley a red lipstick close to the caller on his neck and even smell him the cheap perfume, while shoving it to his face.

WES

Oh shit. It's some Spanish girl who came to the celebration and ask to join me at the bar, I didn't see how she did all pf this to me.

ANGEL

Wesley look at me! Do you see a moron?

WES

Angel please listen to me. We had few drinks talking and danced a little and she stormed out of the bar like a sent ghost.

Wesley pauses and thinks a little while Angel is looking at him with disappointment at her face and angry.

WES (CONT'D)

(annoyed)

Fuck it. It was David.

ANGEL

Wesley stop making up stories... Wesley, don't i satisfy you anymore, don't i make you happy? Am i stupid to you? Do i really deserve to be hurt?

WES

Calvin tried to warn me about it earlier. I swear i had no idea she did this to me, everyone saw me dancing with her only.

ANGEL

Everyone including my friends?

Angel gets in the car as Wesley closes it for her. He walks into the driving seat and gets in.

INT. CAR - NIGHT

Angel throws his shirt at the back seats and let him drive shirtless.

WES

I didn't anything with that Spanish girl babe. Babe please. Nothing happened.

Angel is looking at him while he looks in front only and avoids him when he looks at her, while she's quite and don't wanna speak to him.

WES(CONT'D)

Angel keeps on looking at him while getting distracted by his body, while she bites her lip and looks at his chest.

Angel gets inside the house first and closes the door behind Wesley locks it. Wesley keeps on knocking the door.

WES

ANGEL

No... Wesley go away. I wanna be alone.

WES

Baby let's talk about this please.

Angel is sobbing behind the door, while Wesley hears it. She's crying because she thinks Wesley was cheating on her, which isn't true.

Wesley decides to walk away and gets to his car. The car engine starts while Angel is watching from the distance. "Is he really leaving me like this?"

It's early on the morning Renny is in the kitchen having her early breakfast sitting alone and wearing the earphones. Wesley walks to the Kitchen and see Renny sitting alone and decide to join her. Renny notices him and takes off the earphones.

RENNY

What's up big brother?

WES

Guess who had early morning. Are you rushing to somewhere?

RENNY

You caused a little tension between dad and mom over dating with Angel, so it's hard to eat breakfast with

RENNY

them these days. Did you just showered late yesterday?

WES

Sort of.

Renny is very surprised that Wesley took a late shower because he only takes it when he's upset over something eating him.

RENNY

Is everything okay between you and your girlfriend?

WES

Not really. She thinks i've cheated on her with some Spanish girl last night. I don't know how she did it, she sprayed her perfume scent on me and even kissed my shirt.

RENNY

Oh that's bad man. What are you going to do? Because if it was me either, i would be furious at you thinking the same right now.

What? Wesley thought Angel is just over reacting when she thought he's cheating and giving him silent treatment. He's really surprised with what Renny has just said, but he should know she's a girl too and that's how they react to such situations.

WES

What should i do now to show that i was not cheating?

RENNY

Give her a space and text her late. Take her out late or just a small holiday for a weekend just the two of you. Go to camping.

Wesley loves the camping idea but it's kinda scary. Just imagine at the bushes at night just the two of them. The great thing is that it gives them the chance to be more close spiritually and intimate.

WES

(surprised)

I'll try to speak to her later on today.

RENNY
Want a juice?

Renny passes him the juice and he pours it to his glass, he drinks it smiling looking at Renny.

Angel gets her head up and see that it's Princess. Angel looks horrible, she's still with last night tears and her hair is looking across all the directions.

ANGEL
He cheated on me.

PRINCESS
Wesley didn't cheat on you. He danced with the girl. Everyone saw it.

ANGEL
Look.

Angel showing Princess the video of Wesley and Reina on the Instagram network dancing posted by some stranger.

PRINCESS
Have you spoken to Wesley since this incident?

ANGEL
No. I can't bare to talk to him. He's a cheater like David. I fooled myself and thought I've love while it was just all fake.

Angel keeps on crying and regretting the decision of giving Wesley a chance to be with her, while Princess is dialing on her phone.

PRINCESS
Here's Eva. Ask her, she will tell you the truth.

ANGEL
No, I'm not in the mood to talk about it.

Princess hangs her phone and look at Angel who's trying to make a minor situation big.

PRINCESS

I am going to the shop. Don't you
wanna come with me and get a fresh
air?

Angel shakes her head saying no to the shops.

PRINCESS (CONT'D)

Alright. I hope to see at the
street basketball today. He didn't

to go home.

DAVID

Not so fast Riri. I still want you
to do me the last job.

REINA

I have to go home first then I'll
be back next week and do it.

DAVID

Nah. It has to be today.

Reina looks at David with an angry face to show that she's
not afraid of him and she might expose him if he's trying to
act smart on her.

REINA

(Angry)

Voy a exponer tu estúpido trasero
si crees que soy un imbécil. Quiero
mi dinero ahora.

Reina is angry at David who's trying to test her like before
she used to deliver his drugs. Reina told david that, "I
will expose your stupid ass if you think i am a moron, I
want my money now."

DAVID

That sounds like an insult. Here's
your money.

David hand her the money she wants wrapped with a brown
envelop.

REINA

I'll see you next week.

She stands up and leave him sitting at his couch, while is
getting in. Max notices that it's her who was dancing with
Wesley last night.

MAX

You sat Wesley up. Oh wow...

DAVID

The boy deserves what's coming on
his way.

David sips his Whisky and smiling, while Max looks at him
disappointed with him and shaking his head.

.

EXT. STREET BASKETBALL GROUND - DAY

It's the street Basketball time with the home boys playing
with the visiting team from nearby. Wesley walks inside the
ground with Chris and Theo who are along side him, they're
handling the Coca-Cola drinks with their hands.

Everyone is standing around the ground while others are
behind the fence surrounding the ground. We see the girls
coming from the parking lot without Angel. Calvin is looking
at them from a distance with Mike.

CALVIN

Where's Angel? Could she had seen
the video already?

MIKE

What do you think? Focus on the
game and stay out their business.

CALVIN

Come on Mike, we all know it's
David who's behind that video to
separate Angel and Wesley.

Max walks where there's the boys talking and wants to know what are they talking about before the game. Mike and Calvin cools off when they see Max around them.

MAX

Why you guys are quiet?

Mike looks at Calvin trying to avoid the question and move on, Calvin wants to answer.

CALVIN

(annoyed)

Oh hell no. Max, tell me here. Is it David who's behind the video of Wesley and that red haired girl?

MAX

I think so. I saw him with the Spaniard earlier. Let's get ready for the game. We can talk about this later after the game.

The team regroup and get ready for the match while we see Wesley searching through his eyes to see if Angel is here or not.

WES

(sad)

She's not here yet... I don't think she's gonna come. She's trying to avoid me.

THEO

Give her some time. She'll come around, trust me.

Wesley stares at his phone and decide to take Renny's advice of going to the camp with Angel. He sends her a text saying "Please park your clothes, we're going to the camp after the game, I'll pick you up. San Fransisco Beach."

INT. ANGEL HOUSE - DAY

Angel is making herself a breakfast inside her house, while the TV is on at the dining room, she hears her phone alerts the notification and goes there to open it. She holds her phone. It's a text from Wesley.

WES(V'0)

"Please park your clothes, we're going to the camp after the game, I'll pick you up. San Fransisco Beach."

Angel wants to reply, but she deletes the words she was typing. She smiles a little and tries to hide it. She goes back to her.

INT. STREET BASKETBALL GROUND - DAY

As the match is underway and David team is leading the scoreboard, David tend to walk where there's Wesley and his sad face and the phone he's staring.

DAVID

(smiling)

Love means never having to say
you're sorry. Look at you, you are
feeling sorry for falling In love
with someone's woman.

WES

Just because I drank your milkshake
doesn't mean you gotta play dirty
in order to get repaid for it. Are
you still bitter about her choosing
me over the mighty David?

DAVID

With how much they believes she
loves you, where is she now since
she's like a glue on your shoe? We
all saw the video Wes. It's over.
You cheated on her.

It gets Wesley thinking because he hasn't seen the video and he's trying to get some answers over what really happened with the Spaniard who kissed his shirt and pray him some cheap perfume.

WES

The set up video and a sent tramp?
Did had anything to do with that
girl because the truth should come
out anytime it wants?

DAVID

Wesley, I'm just one step closer to
reclaiming what's mine and shutter
your fantasy dreams.

WES

You ain't heard nothing yet, you
still gonna. If she wanted to run

WES
back to you, she would had done
just that last night, like she did
that night when she dumps you.

DAVID
So, she called you after our
breakup?

WES
I wish i knew how to quite you. You
ain't heard nothing yet. I've gotta
get home.

Wesley leaves David wondering if Angel was messing around
with Wesley while she was still with him or not, because to
him it could be the reason they fought.

.

INT. BAR - DAY

The Bar man is packing the bottles and the glasses inside
his Bar, Terry Brown walks in and calls the bar guy. Terry
gets the seat to sit and he sits close to the TV.

MR BROWN
I would the Scotch Whisky.

BAR
It's coming sir.

The bar man, pours Wesley's father the drink on the glass
and walks it to him.

MR BROWN
How was the boys celebration here
last night?

BAR
It turned out well, but there was
something suspicious about some
Spanish girl. Hold up, I'm coming
with my computer holding the CCTV
Footage.

The Bar guy walks to his store room and leaves Terry
thinking. He comes back with his laptop. He hands it over to
Terry to play the video.

BAR(CONT'D)

Take a look sir.

Terry plays the video and see Wesley dancing with that Spaniard girl, but he sees the part where she sprayed Wesley with the perfume.

MR BROWN

Why did she spray the perfume to Wesley?

BAR

That's the valid question.

MR BROWN

I have to talk to Wesley's when i get home, please keep the video, it might be needed.

Terry sips his whisky wondering what could had been all about to just spray the perfume on someone's shirt.

EXT. ANGEL HOME - DUSK

ANGEL

I feel very embarrassed to think that you could cheat on me.

WES

Anyone would had thought that. I didn't know what to do with the silent treatment anymore. I thought you wanna leave me.

Angel laughs at Wesley who's very scared of loosing her. That's how everyone can feel when they're in love.

ANGEL

Who came up with the idea of going to the camp knowing that i would love it, but i am really scared of insects and animals Wesley?

WES

It's Renny.

ANGEL

(surprised)

So, she told you to take me to the camp so that i won't be far apart from you because i am scared of the insects? She's smart.

WES

(smile)

What can i say? Things we do for love is very interesting.

Angel brings herself closer to Wesley as the tense rubber is getting tired apart. These two really love love each other, and It's really sad to see them apart. Angel leans with Wesley's shoulder while he's driving on the free way.

ANGEL

Chris is getting very emotional as his best friend is leaving the town without a warning.

CHRIS

(sad)

I love you so much Wesley, you did a lot of work on keeping me up with my school work and life focus, if it weren't for you i would have had my ass whooped thousand times. Take care man.

They hug each as Angel hugs her friends in tears of leaving them behind.

WES

Angel, it's time to leave my love.

Angel let go of her friends and walks close to the car.
Wesley starts the car engine while they wave hands to each.

They get in a car and starts hitting the road to Miami.

WES(V'0)

The love i am feeling for Angel
gave me strengths to fight against
the all odds. Revenge is the best
dish served cold like the Latin guy
on the "Star Trek". David is paying
his time in Jail while i live the
good life with my small family.
This is the beginning of the love
story between the two love birds
born throw the valley of the North
Beach.
