No Stop at the Bus Stop

(c) 2025

FADE IN:

EXT. BUS TOP - DAY

CHUCK SPUNT stands in the queue behind a tall MAN with a thin moustache who wears a bowler hat and carries a briefcase and umbrella.

A half empty BUS flies past without stopping. Everyone in the queue turn their heads in unison with a look of despair.

The tall Man turns to Chuck Spunt and utters in a posh voice.

MAN

What a cunt!

Chuck Spunt gasps.

CHUCK SPUNT

I beg your pardon?

MAN

I said what a cunt!

CHUCK SPUNT

Yes, I s'pose so.

MAN

Fucking gorillas. Make me sick.

CHUCK SPUNT

(perplexed)

Gorillas?

MAN

Yes. Fucking gorillas. They make me sick.

CHUCK SPUNT

Oh, I see.

The Man pulls out a banana and begins to peel it. Chuck Spunt shakes his head in discombobulation as the next bus stops and opens its doors.

The queue moves forward and one by one they climb onto the bus.

DRIVER

Sorry, we're full. You'll have to get on the next one.

The door closes in Chuck Spunt's face as he is about to climb aboard.

CHUCK SPUNT

Oh, well, that's typical, isn't it?

The Bus drives off. A new queue forms. And another bus flies past without stopping.

Chuck Spunt turns to the HOODY standing directly behind him who bites into a cheeseburger.

CHUCK SPUNT

Fucking gorillas.

The Hoody looks at him and snarls.

HOODY

You what?

CHUCK SPUNT

Fucking gorillas. They make me sick.

WALLOP!

CUT TO BLACK.

THE END
