yesterday and finally the court  
ruling was given to McFarland to  
12 years in prison. Jacob  
McFarland, who was indicted for  
fraud and corruption in football.  
that is why we invite Kyle  
Rogers, former Jacob McFarland  
assistant coach at Sunderland..  
Kyle tell me about the decision of  
the court was sentencing  
McFarland, Tell me whether he  
really deserved this sentence?

KYLE :  
Yes. McFarland 's absolutely  
deserves all condemnation.  
McFarland with forged documents  
and kind of impersonation, he  
became the the head coach of  
britian team that had long history  
in England football and he  
destroyed it. Although Me and Jacob  
earned consecutive win in one  
year. but all that winning were  
cheated by Jacob McFarland. Wish  
the club, me, people soon realized  
that Jacob're not the person who  
wants to Sunderland and other  
teams.

ENFORCER (TO KYLE):  
Tell Me about Jacob Personality.  
you wrote a sport article about  
Jacob McFarland in Goal Newspaper  
that you called him as a Dirty  
coach. Why did you hand him this  
title?

KYLE :  
Players, spectators and me saw  
that Jacob did stupid and  
unexpected things at stadium.  
(MORE)

KYLE : (CONT'D)  
you might not believe that he  
smoked in tournaments, he did very  
rude behavior.  
insulting, angry.... His behavior  
was never entirely as a coach.  
That's why I gave him the title.
