Things I want to do :-

1. Play football

CUT TO:A FOOTBALL GROUND WHERE IT'S RAINING/DAY

EXT/PLAYGROUND/DAY/RAINING

A playground is shown with a overcast weather

CUT TO DRESSING ROOM

INT/DRESSING ROOM

RAJ IS SITTING WITH HIS FRIENDS AND DISCUSSING FOR THE MATCH TO BE PLAYED AHEAD

RAJ  
We should win this game anyhow

RAHUL  
It's a piece of cake for me

RAJ  
The opponents are not that easy  
Rahul. We need to play hard

RAHUL  
Don't worry we'll win easily

CUT TO:GROUND

IN THE STARTING THE GROUND IS SHOWN THEN THE PLAYERS ARE GETTING READY

Game starts with ball with rahul moving towards opponent goal post. And opponents tackle it with counter attacking gracefully and Rahul stood their in shock

RAHUL  
Wtf!

RAJ  
Piece of cake? (taking to rahul)

Rahul's face turns dull

Now till halftime opponents have already scored 3 goals.

In the halftime,

Raj briefs the team for their strategy and pumps them hard to give their best. He dabs rahul too

After halftime Raj starts counter attacking very hard and slowly they score 4 goals

Rahul is shown from back at a goal post and is defending the upcoming attack

The good striker is clearing all the defenders with his class skills and goes towards the goal post where the Rahul is near the goalkeeper . The striker advances and hits a very good strike towards the post and raj defends it with a high jump towards his left .

(Whistle blows )

Match ends with all the teammates running towards the Raj and lifting him up.

2.Treking

CUT TO: MOUNTAIN BASE/DAY

ALL THE GUYS HIS GROUP IS HAS SURROUNDED JUST TO DECIDE HOW TO CLIMB THE GREAT MOUNTAIN

LEADER  
this is one the difficult track  
around the world to climb it you  
require dedication, determination  
and follow my rules  
First there is a trek of about 1.5  
ok which is slightly inclined .  
(MORE)

LEADER (CONT'D)

After that you have 700 m of  
straight climbing for which we  
require the certain materials and  
training which we have already  
taken  
Any doubt??

All in sync: No sir

RAHUL

It's not that difficult

RAJ

let's see

Leader looks at them talking

LEADER

pay attention now don't complain  
later. Alright,  
We will continue the 700m steady  
upwards trek then we have to cross  
a steep way 500 m which has a very  
less safety very slowly to reach  
our destination  
Okay so everyone's ready

Everyone: yess sir!

RAHUL:

piece of cake for me

RAJ:

(laughs) Good luck

All start the trek. With overconfident Rahul moving with  
higher speed than others

All move slowly towards the mountaineering. But Rahul already  
reached there and starts mountain climbing. Raj starts it  
after him.

Rahul rushes up and while holding on to one gap falls below  
and is held by Raj which helps him reach the top slowly using  
the safety net

Raj and Rahul reach the last part of trek where they have to  
follow the steep slope with narrow space to reach the  
destination

Rahul again starts with over confidence and trips into  
falling down but Raj comes running and holds him.

Raj again lifts him up and both complete the trek
