Harry puts his phone in his pocket and looks up at Emily.

HARRY
Well for one, we weren't even allowed in the fucking joint.

ALFIE
And then we met this homeless guy outside of the crib and we asked him to go buy us a sixer.

Emily smirks and then looks at the both of them.

Alfie slowly closes his phone but mid-way through...

GRACIE
July 2nd!

Alfie puts the phone back up to his ear. Emily and Harry look at Alfie, wanting to know what's going on and who's on the phone.

ALFIE
What did you just say?

GRACIE
July 2nd, that was the day I told you...

ALFIE
That you were pregnant. Gracie?

GRACIE
That's what I've been trying to say.

ALFIE
My god, it's been nearly 4 months.
GRACIE
Four months next week, I was released not even a half hour ago. Doctor says that there's nothing more he can do for me and that I'm "cured", whatever the hell that means.

ALFIE
Holy shit! Where are you?! We'll pick you up.

GRACIE

(Reading envelope)
Dear Miss Clarke, it has come to

Yellow Springs High's most

(MORE)
LIZ (CONT'D)
for all your hard work we've
decided to...

AMELIA
Go on! What have they decided?!?

LIZ
We've decided to let you represent
Yellow Springs High as one of our
foreign exchange students. This
means you get to travel the world
and study not only academically but
culturally as well. You would be
out studying for one semester due
to your financial problems, but
that being said this is an all
expenses paid journey. We'll give
you one week for your decision.
Sincerely Yellow Springs High's
Board of Directors...

AMELIA
Oh my god! This is great!

LIZ
Well wait, you aren't actually

This would be a great experience!
Why aren't you stoked?!?

LIZ
Well you'd be gone, what about me?
Shouldn't I have a say?

Amelia gets off the couch.

AMELIA
No, honestly. Liz this is a chance
for me to go places I'll never be
again, ever since my mom left dad
he's had to get two jobs and we're
still barely making it. Not
everyone's as lucky as you Liz. Not
everyone has a dad who can leave
them huge stacks.

LIZ
Amelia, I didn't me-
AMELIA
Look, I'll consider it. I got an Etymology quiz, see ya' at school.

Amelia leaves Liz's house. Liz hangs her head back.

LIZ

Shh, she's been through a lot, give her some time.

Alfie and Harry turn back to Gracie and smile widely.

GRACIE
Everything ok there guys?

ALFIE
No- I mean yes! Um.. yeah um.. baby everything's fine?

Harry stares at Alfie with a "The fuck dude?!?" look. Gracie looks at them with the look that says "I knew you were lying."

GRACIE
Something you fap sacks wanna say?

Alfie looks at his feet and rubs his eyes.
ALFIE
Look, we just think the new you is a little weird.. yeah?

GRACIE
Pardon? I'm sorry it just sounds like you've been shit ing me.

ALFIE
Not at all, look I-we've known you ever since we were little kids and this new you just takes some getting used to.

Gracie comes up to Alfie and cuddles up to his arm.

GRACIE
Alfie, I'm still your girl friend, you know the one, the same lovable girl, just.. better.. stronger, mentally that is.

ALFIE
Whatever you say.

Alfie kisses Gracie on the forehead.

CHARLOTTE
I'll get you back one day Alfie, I promise.

RAND BERGER, 16, average height, long brown hair, Alfie and Harry's best friend.

Rand sneaks up behind Charlotte and tickles her sides.

CHARLOTTE
Eek!

Charlotte drops the picture, it lands face down.
RAND
Surprise!

CHARLOTTE
Ugh, you piece of shit.

Charlotte picks up the photo and puts it back into her locker, she shuts her locker.

CHARLOTTE
Hey d'you see who's back?

Charlotte points over to Gracie. Rand's face explodes with a look of sheer joy.

RAND
Holy shit! Gracie!!

Gracie looks over to Rand and a giant smile covers her face.

GRACIE
Rand, you lug! Get over here!

Rand grabs Charlotte's hand.

RAND
C'mon Charlotte!

Charlotte rolls her eyes and then smirks.

CHARLOTTE
Alright, let's go.

Rand and Charlotte run over to Gracie, Alfie, Harry, and Emily. Charlotte looks at Alfie.

CUT TO:

E/I. SCHOOL - CONTINUOUS

Amelia rushes inside the school, her face looks all puffy and red, as though she was just crying.

CUT TO:

GRACIE
Amelia, are you ok sweety?
Amelia started crying a little bit.

    AMELIA
    Liz and I got in a fight.

Gracie fully hugs her back.

    GRACIE
    (Whispering)
    It's ok, you'll get through this,
    Liz still loves you.

    AMELIA
    But then why..

    GRACIE
    Hold on sweety I'm sorry.

Gracie takes Amelia by the hand and walks her over to the staircase.

    CUT TO:

    INT. SCHOOL STAIRCASE - CONTINUOUS

Amelia and Gracie sit down, Gracie sees Alfie who gives the "should I be involved with this?" gesture but Gracie shoo's him away.

    GRACIE
    Sorry about that. What are y'all fighting about?

    CUT TO:

    INT. SCHOOL - CONTINUOUS

Alfie walks away from the staircase, but in the other direction away from Harry and Emily. Harry and Emily look at each other. Harry's got wandering eyes.

    HARRY
    So... What now?

    CUT TO:

    INT. BATHROOM - MOMENTS LATER

Harry and Emily are up against the wall, making out and shit, Harry starts to kiss Emily's neck but suddenly...

    EMILY
    (Moaning)
    Alfie...
Harry gets up and looks behind him, he then looks up at Emily, who's covering her mouth with embarrassment. Harry's eyes widen.

**HARRY**  
(Panting)  
You've got to be shitting me.

**CUT TO:**

**INT. BATHROOM - LATER**

Harry and Emily are sitting up against the wall, Emily's twiddling her thumbs and looking around at the ceiling. Harry looks pissed but trying to keep his feeling from flowing out of him.

**EMILY**
This bathroom is much cooler than the girl's o--

**HARRY**
(Interrupts)  
You like Alfie.

**EMILY**
Well it's not exactly like that.

**HARRY**
Then please, do explain. I'd love to hear your excuse.

**EMILY**
Well ever since we performed that song in front of you guys three months ago, I don't know how to explain it, I just feel like we have a connection.

**HARRY**
Well we have a connection, don't we?

**EMILY**
Harry.. The only time we've ever been connected was when we plowed each other.

Harry smirks and then hangs his head down low.

**HARRY**
Fucking Alfie.
EMILY
It's not his fault.

HARRY
No Em, it is. This would be a second time he's taken someone I like away from me.

EMILY
Technically you drove Gracie away when you fucked me, he was just there at the right time and the right place to where she absolutely needed someone to talk to. He was there... when you weren't... look why don't you talk to him? Express your feelings Harry.

HARRY
You're one to talk!

EMILY
Excuse me?!!

HARRY
Hell you want him, but don't know how to get him because Gracie returned which basically demolishes your chances, and knowing Alfie being the faithful boytoy that he is, won't cheat on her with you. Lord knows we don't need to repeat history. I got an idea...

EMILY
What?

HARRY
Come with me if you want see o' sweet child o' mine.

Harry propels himself from his previous position and opens the bathroom door.

HARRY
Get ready for a hell of a show.

Harry deviously smirks and swings the door shut.

EMILY
Don't do something stupid Harry!
EMILY

Shit.

Emily gets up and runs after Harry.

CUT TO:

INT. SCHOOL - MOMENTS LATER

Emily finally catches up with Harry to see him standing on a platform.

HARRY

(Shouting)

Excuse me! Excuse me! I need everyone's attention.

Alfie and Gracie who are cuddling up in the far left corner, get up to see what Harry's about to say. Charlotte and Rand are sitting up on a box in the adjacent corner, Rand tries to hold Charlotte's hand but she pulls away and points toward her brother. Amelia is back in Alfie and Gracie's corner, she sees Liz walk in and pulls her over.

HARRY

(Shouting)

Thank you, well I'd first like to start this little 'announcement' on a good note, our class mate and my good friend, Gracie Lewis is back from her extended leave.

A group of people that surround Harry applaud.

HARRY

(Shouting)

Now it's time to get down to what I really wanted to say.

Harry looks at Emily and then at Alfie, Harry smirks.

HARRY

(Shouting)

I recently found out something shocking, Emily Smith loves Alfie White! And he loves her back but he also loves his girlfriend Gracie Lewis!

Alfie stands up, Gracie looks at him with somewhat sheer hatred.
ALFIE
Harry! What the hell are you doing?

HARRY
(Shouting)
I'm sick of you always taking the girls I love away from me! So you have to make a choice Alfie. Who's it going to be? The girl you've known since childhood and was going to be your babymama, or the girl who has been with you through every tragic, miserable part of her absence?

ALFIE
I hate you Harry. I really do. Go to hell.

Alfie walks out of the room with his hands balled into fists.

HARRY
(Shouting)
I'll be seeing you there!

Emily jumps up on the platform and hits Harry in the face.

HARRY
You wanted resolution, now you can have it, go get it.

Emily runs off the stage, after Alfie. Gracie sits in the corner, her head in her hands.

CUT TO:

EXT. SCHOOL - CONTINUOUS

Alfie stands against the school. Emily walks outside. Alfie looks at her and then away.

ALFIE
So is it true?

EMILY
Is what true?

ALFIE
Don't play coy, do you love me?

EMILY
What would my answer do? You love (MORE)
EMILY (CONT'D)
Gracie.

ALFIE
Just answer the question.

EMILY
... Yes.

Alfie walks up to Emily and kisses her.

EMILY
What the fuck?

ALFIE
I just need something that doesn't change. Gracie says she's the same girl I fell in love with, but that's the drugs talking, she's so far from who I used to love, she's basically become Courtney Love and doesn't realize it yet.

Emily and Alfie kiss again. Gracie see them from out the door.

CUT TO:

EXT. UDF - EVENING

Amelia stands at the pay phone with the phone up to her ear.

AMELIA
Um.. hi mom, it's Amelia. I need advice...
