THE TRUTH

INT. HOTEL ROOM.

PAUL is entering the room. He observes the room and checks that the room is empty and that there are no suspicious devices. There is no one else in the room. He looks at his watch.

PAUL

Fuck...

He looks out through the window. It’s busy outside. It’s a big contrast with the quiet hotel room. The phone rings. Paul answers cautiously.

PAUL

Hello?

We hear an indecipherable voice at the other side.

PAUL

Yes... Yes...

Paul hangs up and pauses. Suddenly he rushes to the door. He presses his body against it. He waits. Seconds like minutes, hours... the time passes. He hears footsteps walking to the door.

INT. HOTEL CORRIDOR

We see a pair of high heels with stockings at the other side of the door. They stop. Pause. A knock on the door.

INT. HOTEL ROOM.

Paul looks through the peephole on the door. He observes. He closes his eyes. Presses his head against the door. Paul decides to open the door.

INT. HOTEL CORRIDOR.

The woman walks in, she wears a raincoat and a hat. Paul stays by the door.

INT. HOTEL ROOM.
Paul closes the door. Turns around and looks straight at the woman. She turns around. We see her face.

CATHERINE
You bastard.

PAUL
I know... I’m sorry

Catherine lights a cigarette and stares at him. She is nervous. Very nervous. The cigarette shakes between her fingers.

CATHERINE
You should have never...

PAUL
I know... Couldn’t help it.

CATHERINE
We are leaving in an hour.

PAUL
I’m sorry

CATHERINE
You bastard.
(Pause)
Do you know I’m one month pregnant?

PAUL
No

CATHERINE
Of course not.

PAUL
Why are you here?

CATHERINE
How dare you? I’m here. It’s all you need to know.

Paul walks to her.

CATHERINE
One more step and I’ll beat the hell out of you

Paul stops. She puts her cigarette out.

(Pause)
Paul continues forward.

CATHERINE
I am warning you!

Paul walks closer

CATHERINE
Paul... don’t do this.

Paul walks right next to her. Their faces are really close. It’s too much for CATHERINE and she bursts out hitting him on the chest.

CATHERINE
You bastard... you bastard...
you should have never...

They fall to their feet and whilst Catherine beats him up he grabs her and starts kissing her passionately.

PAUL
I’m sorry. I really am.

CATHERINE
Shut up!

PAUL
I can't help myself.

CATHERINE
Just kiss me. Kiss me

He does. They make out on the floor.

PAUL
(While he kisses her)
How could you? How?

They intensely undress each other and make love on the floor.

FADE OUT

INT. HOTEL ROOM FLOOR.

They are both looking at the ceiling after making love. Too intense to look at each other. Long pause.

PAUL
What are we going to do?
CATHERINE
Nothing.

PAUL
Nothing...

PAUSE

PAUL
Catherine?

CATHERINE
Yes?

PAUL
I miss you already

PAUSE

CATHERINE
Paul?

PAUL
Yes?

CATHERINE
You must never see me or call me again.

PAUSE

Henry must never know.

FADE OUT

THE END
