He looks up slowly-- ( A BEAT )

A look of hurt, despair is on his face.

He walks slowly towards the park down the street.

Before Christopher can say anything---

A voice is right behind him, it's RONALD, pretty boy African-American late 30's, with him is PATTY African-American late 30's very pretty lady, they're arm in arm.

RONALD

CHRISTOPHER

RONALD

Just pitiful, you can't keep a job,  
you can't keep a lady, damn man,  
you might as well stay out here  
with this trash.

Ronald and Patty look at both of them with disgust as they leave.

HOMELESS MAN

Don't pay them no mind, God don't  
like ugly, they'll get what's  
coming to them very soon, now what  
about that coffee ?

Christopher looks at the homeless man, (A BEAT) he pulls out his wallet--

CLOSE ON THE WALLET :

Only a five dollar bill is in there.

The homeless man give's him the puppy-dog eyes.

Christopher sigh's in despair.

Christopher takes the five dollar bill out of his wallet and as he extends his hand to give him the money, a man walking by says-----

(Close Shots of each person walking by--)

MAN NO. 1

MAN NO. 2

Gutter Punk !

WOMAN NO.1

MAN NO.3

Looks at the Homeless man with sympathetic eyes. (A BEAT)

Extends the money to the homeless man--

He does not take it-- he point's across the street to the coffee shop--

HOMELESS MAN  
The coffee, get you one too.

EXT. COFFEE SHOP CONTIUOUS :

As Christopher comes out of the coffee shop, a man dressed in a dark suit and tie with sun-glasses stares at him.

Christopher comes to the homeless man with two cups of coffee, gives him one.

HOMELESS MAN  
Sit and join me.

Christopher hesitates (A BEAT) then, he sits besides the homeless man.

HOMELESS MAN  
Ahh.. the change (Holds his hand out)

Christopher stares at him (A BEAT) then gives him the change from the five dollar bill.

HOMELESS MAN  
What's your name ?

CHRISTOPHER  
Christopher.

HOMELESS MAN  
Christopher who ?

The homeless man cough's a few times. Then takes a sip of coffee.

CHRISTOPHER  
Christopher Cannon.

HOMELESS MAN  
Why thank you for the coffee  
Christopher Cannon

CHRISTOPHER  
What's your name ?

HOMELESS MAN  
Christ.

CHRISTOPHER  
Christ ? Like Jesus Christ ?

CHRIST  
Yes.

Christopher stares and smiles at him. Christ coughs again.

CHRIST  
This coffee is superior Christopher  
Cannon, you saved me from going  
thirsty today. You're my ST.  
CHRISTOPHER. Do you know who St.  
Christopher is ?

CHRISTOPHER  
No.

CHRIST  
St.Christopher is one of the most  
popular Christian heroes of Faith.  
He is listed as a Martyr by the  
Vatican. Best known for spending  
his life serving God and  
interceding on behalf of the  
faithful and especially the  
children,a tremendous helpful  
Angel, just like you.

CHRISTOPHER  
I didn't do anything, its' just a  
cup of coffee.

CHRIST  
It's more than just a cup of coffee  
to me Christopher Cannon. You saved  
me. God must have sent you to me.

CHRISTOPHER

I don't think so.

CHRIST

Oh yes, God puts certain people in your life for a reason, and he sent me you. You're an Angel.

CHRISTOPHER

God needs to send me an Angel, I could really use one about now.

CHRIST

What has happen to you today Christopher Cannon?

CHRISTOPHER

Where do want me start ? I lose my job, I lose my family, I have no money, my bills are mounting up, I'm about to get evicted.(sigh's)

CHRIST

(He coughs) You know, people say, you never know who you could encounter or who you could be talking to, cause that person could be your Angel right in front of your face.

CHRISTOPHER

I've got a world of problems in my face right now. The only thing that can save me is a miracle. So do you have one of those Angels around anywhere I could borrow?

CHRIST

Pray for an Angel Christopher Cannon. God will send you one. There's this famous poem called Angels Always There, it says, Whenever I'm in fervent prayer, I feel Gods holy angels there. Protective, loving, and serene, who stay nearby, tho yet unseen.

Christopher stares at Christ.

CHRISTOPHER

How do you stay so positive when  
you're.....

CHRIST

Homeless, a bum, a vagabond,  
banished. I have an Angel that  
helps me in many ways. Just  
because you don't see me with  
silver and gold or material things  
doesn't mean I'm not blessed, I'm  
blessed with  
love, compassion, sympathy and the  
well-being of my fellow man.

CHRISTOPHER

I see why they named you Christ,  
after all the things that put you  
here, you still keep the faith.

CHRIST

You should keep the faith too,  
Christopher Cannon. You're not the  
only one with problems. Look at all  
these people....

We go through a series of shots of the people in the City.

CHRIST (CONT'D)

Most of them are going through the  
same thing you are, but they  
continue to smile and keep the  
faith that everything will be  
alright. (He cough's )

CHRISTOPHER

But it's so hard, you try to do the  
right thing and still its not  
enough.

CHRIST

Maybe you're not praying enough,  
you know prayer changes things.

CHRISTOPHER

Yeah, I need prayer to change my  
whole life.

CHRIST

That's what prayer does.

CHRISTOPHER

Can it get my family back, can it  
get me money in my pockets.

CHRIST

Yes it can, just pray and keep the  
faith.

CHRISTOPHER

Well thank you Christ for the  
inspiration and all, but I got to  
go. I got to figure out how I'm  
going to get out of this mess I'm  
in.

Christopher gets up, dust his pants off. Christ coughs  
again.

CHRISTOPHER (CONT'D)

Hey, you're a good man, if I see  
you again I'll buy you another cup  
of coffee. Take care of yourself  
Christ.

As Christopher turns to leave....

CHRIST

Keep your head up Christopher  
Cannon, my Angel tells me things  
will get better for you. My Angel  
wants you to pray about it.

CHRISTOPHER

I will Christ.

Christopher turns and walks away .

Christ smiles and looks over to the man in the suit and tie.

Christ nods his head--

The man in the suit and tie nods back and pulls out a cell  
phone to make a call.

EXT. CITY STREET DAY

SUPER : A FEW DAYS LATER

A newspaper want-ads employment section takes up the frame.

(Slowly, we pull back) to see--

Christopher Cannon holding the newspaper.

He looks up slowly.

A look of frustration is on his face.

He balls the newspaper up looking for a trash can to toss it in.

Before he can do it, a voice.....the man in the suit and tie.

MAN IN SUIT & TIE

CHRISTOPHER

The man in the suit and tie extends his hand to shake, they shake hands.

The man in the suit and tie hands Christopher some papers...

Christopher looks at it--

CHRISTOPHER

MAN IN SUIT & TIE

CHRISTOPHER

MAN IN SUIT & TIE

Yes, it's all your's.

CHRISTOPHER

Oh my God, I don't.....

Christopher looks around and the Man in the suit and tie is gone.

Christopher looks down at the deed of the Mansion that takes up the frame.

(Slowly, we pull back) to see -- Christopher Cannon

Dressed in suit and tie----- he looks up slowly----

He smile's---
