TV reports going on

(Only audience watching
this)

We have a report that a woman was murdered in an isolated house and has been found murdered near her home in Pennant Hills. The suspect is believed to be a dark-haired male aged in his mid thirties. Police advise that those living in the area should exercise extreme caution and remain indoors.

JUSTIN

I can stay long but the taxi has just arrived. I can't miss my flight. Time is almost seven and mostly John won't come today

THERASA

Who is John?

JUSTIN

IT Service guy. You asked to check our modem. So I reported and got an appointment.

THERASA

Ooh ya, I called him yesterday and he said he would be here this afternoon.

JUSTIN

It's ok, tomorrow I will call him. Anyway, gotta go. See you in a few days.
Yeah. Bye.

THERASA

Justin picks up his bag, kisses THERASA, opens the front door, and walks out.

She is continuously seeing movies again

A short while later the doorbell rings.

(In the movie also doorbell rings with a voice saying "don't open the door")

THERASA

(She is full of tension)
(THERASA walks out and opens the front door.)

INT. FRONT DOOR. NIGHT.

VICTOR is standing there. There is a pause.

VICTOR

Hello?

Another pause and their eyes meet.

THERASA

Hi

VICTOR

My name is VICTOR. JOHN is unwell. He asked me to take over from him.

What is it that you need to be fixed?

THERASA hesitates. Looks uncertain. She shrugs her shoulders. Since she is in an uneasy dress.

THERASA

Come in. It's this way...

THERASA then opens the door fully and walks toward the HALL.

VICTOR follows her.

THERASA walks toward the modem in the HALL.

THERASA

It's the modem. It hasn't been working since yesterday.

VICTOR

I see.

VICTOR starts examining the modem.

THERASA stands next to him watching.

VICTOR

It could have something to do with your landline.
Or could also be related to your mobile phone.
Can you bring me all the phones in the house?

THERASA

(Surprised)
Really?

VICTOR

Yes, I need them all. You want this fixed, don't you?

THERASA

(Expression with hesitation)
Well, alright then.

THERASA shrugs her shoulders and hands Victor her mobile phone and brings him the cordless phone from the kitchen.

VICTOR
Is that all of them?

THERASA
There is one more. It's in the
bedroom. I'll go get it.

INT. KITCHEN. DAY.

VICTOR is standing by the modem. He looks slightly agitated. He calls out.

VICTOR
Can you bring me that last phone? Or
do you want me to come and get it
myself?
(Attitude tone)

INT. BEDROOM. DAY.

THERASA is standing in the bedroom. Pauses briefly.

THERASA
No. It's OK. I've got it.

(Very sharp knife is in placed near to the VICTOR)

INT. KITCHEN. DAY.

THERASA walks into the modem area carrying the phone and puts it down on a table.

THERASA
There, that's the last one.

VICTOR
Good.
(Attitude)

RECHAL the neighbour walks across the front lawn and knocks on the front door.

RECHAL
Hello. Hello THERASA. It's RECHAL.
Are you there?

INT. HALL. NIGHT.

Brief pause. THERASA and VICTOR's eyes meet. VICTOR frowns as he stares at THERASA.

THERASA trying to go out

VICTOR
Do you really need to answer that?

THERASA
No. I guess not.
(With fear)

EXT. OUTSIDE THE FRONT DOOR. DAY 9

RECHAL knocks on the door again.

RECHAL
THERASA!

RECHAL pauses but then walks away shaking her head.

INT. KITCHEN. DAY.

THERASA and VICTOR's eyes meet as RECHAL walks away.

THERASA
What was wrong with JOHN?

VICTOR
Why does that matter? I am here to
fix your modem.

VICTOR turns around and continues fixing the modem.

VICTOR

Suddenly thinks and tries to take sharp knife

THERASA looks around. (She got fear and shivering) She picks up a heavy stone vase and smashes it over the back of VICTOR's

head, knocking him out. He slumps onto the desk. (
Continuously hitting on the head)

THERASA stares at VICTOR who is slumped on the desk, not
moving.
