SCENE STARTS IN A THRONE ROOM IN THE CASTLE VIRES WHERE KING EDWARD IS THROWING A PARTY IN HONOR OF HIS BEST KNIGHT TOBIAH

KING EDWARD

Now everyone We all know why ive gathered you together today. Sir Tobiah

(King edward looks over and winks at Tobiah)

The great.

The camera zooms into tobiah blushing like a girl

KING EDWARD

Has once again slayed another monster. What was it this time an angry centaur?

TOBIAH

Well it was an Onocentaur, part human part ass. Well if you ask me it was more ass than human.

The whole throne room has a rich person chuckle

KING EDWARD

Oh you're always so silly Tobiah, But back to the ceremony I have a gift for you Tobiah

TOBIAH

(under his Breath) It better not be stockings this time.

KING EDWARD

For your services to the kingdom Vires I present you the Sword infectorem or inte for short. Made by the finest steel in the sweatshop located in Vulcan.

TOBIAH

I am honored my king, the little brown kids in Vulcan are the best Blacksmiths.

King edward hands tobiah the sword and he starts swinging it very recklessly.

KING EDWARD

You really should'nt swing that in here

TOBIAH

Why is this sword called inte, it should be called badass ass smasher destroyer sword.

Disregaurding all his surrondings, swinging his new sword recklessly, he accidently slices the princes neck .

TOBIAH
Uh-oh spaghetti-os

KING EDWARD
My son, YOU IDIOT you just killed
him.

TOBIAH
Now Ed please lets not be rash in
my defence your son was a big dick.

The king goes to his dead son and starts to cry on his dead
sons chest.

KING EDWARD
KILL HIM! And put his head on a
pike!

Tobiah pulls out inte and fights the ten knights that were
in the throne room. After he kills them all, he bolts out
the door, with the whole city chasing behind him he runs for
his life. In the distance he sees a sea and a raft by the
shore. He gets on the raft and floats away from the mob,once
he gets a safe distance he pulls down his pants and moons
all the townspeople.

THE SCENE GOES INTO TOBIAH SUFFERING FOR FOUR DAYS STARVING
AND DEHYDRATED ON THE RAFT.

TOBIAH
(Talking to himself) On the bright
side everyone grows awesome lost at
sea beards when their lost at sea.

Tobiah rolls over to see his reflection, only to see he has
no facial hair.

TOBIAH
Shit bare as a babies ass. No thats
okay beards are overated anyway!

Tobiah starts to throw a tantrum

TOBIAH
Damn it all I wanted was a beard
but no the gods or genetics wernt
on my side I guess. Which ever one
exists.

In his pissed off stupor Tobiah nearly misses an island in
the distance. But catches sight of it in the distance.

TOBIAH

Ah-ha land, it seems my luck has
changed... Wait im not floating
over there

Tobiah starts thrashing trying to steer himself over there
but the tide is too strong. While he was focusing on the
land ahead he didn't look where he was drifting, which was
more land. Tobiah strikes the land hard and since it caught
him off guard he was thrown at the feet of a peasant.

TOBIAH

Where am I?

PEASANT

You're in my shit hole

TOBIAH

Lovely

Tobiah gets up out of the peasants shit hole

TOBIAH

Now where am I?

PEASANT

Gullible asshole land!

TOBIAH

Thank you kind sir.

Tobiah shakes the peasants hand and walks past him with a
big smile.

PEASANT

(under his breath)Dumb
shit

TOBIAH

Damn im hungry who do I have to
give a handy to for food around
here.

Tobiah starts walking through the city looking for a pub, he
passes bards singing a song of a prophecy, he passes a witch
selling potions and then he finally see's a pub and walks in
And takes a seat the bartender walks up

BARTENDER

You're not from around here are you
what brings you to greenbridge

TOBIAH

Whats greenbridge?

BARTENDER

TOBIAH

I thought this was called gulli...
Nevermind, Can you tell me about

BARTENDER

Its filled with mystical creatures
and assholes what do you want to
know?

TOBIAH

Well whose king here

BARTENDER

Actually thats pretty intresting
we have the first black king, King
Steve

Tobiah lets out a chuckle

BARTENDER

Something funny?

TOBIAH

(cowardly) No Steve is a very okay
name for a black man to have

BARTENDER

what is you're name traveler

TOBIAH

My name is Tobi...

BARTENDER

Toby?

TOBIAH

Yes... my name is Toby.

BARTENDER

Why do I always serve the weirdos.
Okay what are you ordering

TOBY

Some red wine and mutton

BARTENDER

Alright it will be out soon enough

While Toby is waiting for his food he notices that a table
across the room from him are staring him down, at that table
he see's a cloacked man concealing his face, an ogre with
really small legs, an elf, a fool, and a mage. They seem to
be talking about him but before Toby gets too into it his
food gets there. Toby eats his food but see's that table is
still talking about him, right before he stands up to go
talk to them the bartender stops him.

BARTENDER

That will be five silver coins

Toby reaches in his pocket and feels nothing, he looks up and smiles at the bartender.

TOBY

You see the thing is

Toby runs for the door but gets side tackled by a guard. Toby gets up quick and draws his sword into but before he got in a fight the cloaked man drops five coins in the bartender's hand and says it's on him. The cloaked man grabs Toby and throws him in a backroom.

TOBY

Okay thanks and all but I'll be fine get out my way!

CLOAKED MAN

Sit down Toby

The man grabs Toby before he gets out the door and throws him in a chair.

TOBY

Okay how do you know my name?

The cloaked man removes his hood to show he is Toby's brother Bernard.

TOBY

Bernard this is where they sent you when you were banished from Vires?

BERNARD

Indeed why are you here?

TOBY

Well I accidentally slit the prince's throat so I ran away to here.

BERNARD

Oh that guy was a dick

TOBY

Agreed

BERNARD

That's way worse than what I did

TOBY

You banged the king's horse

BERNARD

I wanted a centaur child damn it.

TOBY

It doesn't work that way!

BERNARD

Then how does it work?

TOBY

Well you see... Well I dont know
either but I know thats not the way

BERNARD

Anyway are the kings soldiers
looking for you?

TOBY

I don't know probably so call me
Toby for now on incase they are.

BERNARD

Kind of similar dont you think?

TOBY

I guess but I really like my name,
it's not gay like the name Bernard

BERNARD

Whatever man screw you lets just go
sit at the table.

TOBY

Yah I want to meet your weird
looking friends.

Toby and Bernard walk to the table full of Bernards weird
looking friends.

BERNARD

This is Cedric the elf, Bob the
mage, Draug the Ogre, and Terrin
the Fool. Guys this is my brother
Toby

TERRIN

Well Im a Jester, not a fool

CEDRIC

Same thing! You fool

DRAUG

Hey Toby you and your brother seem
to have a lot in common your both
ugly as shit.

Toby pretends to laugh but turns around real quick and sheds
a tear.

TOBY

So, Terrin whats it like being a
fool

TERRIN

I'll kill you!

Terrin jumps across the table and grabs Toby trying to strangle him. Draug picks up Terrin and sits him down.

BOB

Yah umm... Terrin has anger issues

TERRIN

Sorry, sometimes I lose control I do have an anger problem.

TOBY

Well You could've fooled me

The whole table looks at him like he's retarded for that joke. Toby turns around again and sheds another tear.

TOBY

So Draug whats life like being an ogre

DRAUG

Well im an ogre so try to guess. Did you guess pretty shitty?

CEDRIC

Draugs life consist of Drinking, working out, and eating out asses

DRAUG

I don't eat booty no more

BERNARD

For good reasons too

THE SCENE GOES TO A FLASHBACK SHOWING DRAUG DRUNK GOING INTO BOBS HOUSE

Draug stumbles around Bob's house looking for Bob's sister room. He stumbles in a room and starts eating booty, after he is done he says.

DRAUG

That's the Best I've ever had

Bob's sister moves her head to show her face, but it is Bob instead

BOB

Me too!

THE SCENE GOES BACK INTO REAL TIME

Draug has a look of disgust on his face

DRAUG

Im going to the out house

Draug rushes out of the bar

TOBY

So whats your deal Bob, you gay or something I mean no judgement.

BOB

No Im bi all mages are we honestly would screw rocks if they had holes

Cedric is laughing really hard

TOBY

I feel like im getting dumber talking to you guys

BERNARD

Hey We should go check on Draug and see whats up.

They all leave to the outhouse where they find Draug hanging from the bathroom ceiling squirming around

DRAUG

Get me down!

BERNARD

Damnit draug you know your neck is too thick to hang yourself

CEDRIC

Okay I'll cut fat neck down

Cedric cuts the rope and draug falls down

BERNARD

I really wish you would'nt keep trying to kill yourself, Its sad.

BOB

And when your hanging from the rope like that we cant help but laugh so please stop.

DRAUG

I know I think at this point I just like swinging from the ceiling

They all walk back to the table

CEDRIC

So Toby why are you here broke and skinny like a peasant.

TOBY

Wait are we not going to acknowledge that the ogre just tried to kill himself?

BOB

Aww he does it once a week, his necks too fat to snap, he actually usually caves the ceiling in.

The scene shows a flashback of Draug trying to hang himself but it caves the ceiling in.

CEDRIC

So Toby back to why you're here?

TOBY

We'll I havent asked about you yet

Cedric just shakes his head in discontent

TOBY

Well if you have to know, I was just chilling in the kingdom vires yah know killing monsters and shit, and then I "accidently" killed the kings son and all of a sudden im a bad guy. Bullshit right?

TERRIN

Thats why im here, I accidently killed the prince at deerwood. They forced me to move here and get a job as a jester. Man life sucks the big one don't it?

CEDRIC

You're just as smart as Terrin Toby you should take pride in that.

BERNARD

Terrin is right though you do need a job so you can have some money

TOBY

Well hows the job market

CEDRIC

In this economy are you shitting me?

TOBY

Well whats your job Draug

DRAUG

Upper body Body builder I get the knights in shape.

TOBY

What about lower body

Toby looks down at Draugs legs to see baby legs.

TOBY

Ohh

BERNARD

I told him he should stop skipping
leg day

CEDRIC

The only way to defeat him is to
sweep the leg

BOB

His achilles heel is his heel...
And foot and leg

TOBY

Draug do you walk on your hands to
get around town or what?

BOB

Zing, Somebodies in the hotseat.

CEDRIC

I like your brother Bernard

TOBY

So Bob how do you make money

BOB

Dude im a mage people pay for me to
do magic and shit

TOBY

Oh well I guess that makes sense

TERRIN

Ya dumbass!

TOBY

How do you get money Cedric?

Cedric just shakes his head in discontent

TOBY

What about you Bernard

BERNARD

Well I sell wine

BOB

Makes since you wine like a bitch

Bernard starts looking away pretending that it didn't hurt

TOBY

Well shit what am I suppose to do

CEDRIC

Well Mr. Smart how about go looking
for a job

TOBY

Pfft Mr. Smart not even a good one
dick nose

BERNARD

Toby just go looking for a job

TOBY

Okay you guys are right

Toby tops off his drink and walks out of the bar in search
of a job. When he walks out he see's a bunch of little black
gangster dwarfs robbing a person.

TOBY

I could try but I wouldnt fit in.

Toby passes by a whore house

TOBY

I'd rather not but if times get
tough I'll be back

Toby see's a painter getting a lot of money for his painting
and has a flash back to when he was a kid painting

TOBYS MOM

Thats a lovely horse you painted
there Tobiah

TOBY

It's suppose to be an apple.

Toby starts crying and the flashback fades

TOBY

Shit

Toby see's an opening for a horse neutering job and has a
vision of him cutting off a horses balls. When he picks up
the horses balls to cut them off he see's his face in both
of the balls and throws them back down. The vision fades

TOBY

Damn it!

Toby walks over to the message board to see if there is any
more open jobs at the moment. While he is looking he starts
to overhear two men talking on his left of the message
board.

CAIN

So King Steve will give 600 coins
to the person that slays it?

JON

Yes but it's too dangerous we cant risk it

CAIN

For someone who can regenerate you sure are a bitch

JON

Do you really want to fight a minotaur?

CAIN

Nope but we need the money!

TOBY

Umm excuse me kind sirs did I overhear you say that if you fight this minotaur and slay it you will gain 600 coins

JON

Yea but anybody thats tried has been eaten, this town could really benefit from a monster slayer

TOBY

I'll slay it easy and take all the coin for myself

CAIN

Wait let us come with you we'll split it three ways

JON

I've always wanted to be in a threeway... Or a two way

Jon looks down in sadness

TOBY

Sorry I kill alone

CAIN

Please were starving and we went broke two days ago

TOBY

Sorry guys I have a date with destiny and you guys are cockblocking me.

Toby leaves and goes into the woods to find the minotaur

TOBY

Okay if I was a big horned piece of shit where would I hide?

Just then the ground starts to shake and Toby see's the back of the minotaur walking in the woods. Toby sneaks up behind it and stabs its heel the beast releases a big roar and kicks Toby all the way back to the feet of Cain and Jon.

JON
(laughing) How'd you kill
it so fast

CAIN
Well did that date with destiny end
in ass rape

TOBY
Screw you guys that thing is huge

CAIN
Exactly you need our help

JON
YOU NEED IT!

TOBY
Okay fine you guys can come, we can
split it three ways

JON
Looks like destiny is about to get
some triple penetration

Toby and Cain look in disgust at Jon

JON
What I thought that was the thing
we were doing

CAIN
Shut up jon

The three of them start following tobys marks on the ground from being kicked to get to the minotaur

CAIN
So how big is it

TOBY
Like 10 inches, nothing to brag
about but

CAIN
I mean the minotaur dumbass

TOBY
Ohh pretty damn big

JON
Hey guys if it's so big shouldn't
it be called a bigotaur instead of
a minotaur

CAIN

Please Vires is going crazy about the prince killer Tobiah and your dumbass thinks you're going to trick us with a name like Toby. It's only three letters off c'mon man. Now the question is are we going to kill you and accept the huge reward in Vires instead of killing this Minotaur.

TOBY

You can try but make it quick I hate awkward tension

CAIN

You just found out my friend here is immortal and you still believe you can take us. Well you sure are stupid but were not going to kill you Tobiah.

TOBY

Now why should I believe that

CAIN

May be hard to believe but I hate Vires more than I hate being poor so you're fine with me.

JON

And you're fine to me!

TOBY

That sounded weird, you should've really phrased that better Jon

CAIN

I agree shut up Jon

Toby sheaths his sword

TOBY

If you guys try anything funny I'll kill you

JON

So no jokes?

Toby slices off Jon's arm again

TOBY

I believe were getting pretty close to it now

CAIN

What makes you say that

Toby points at a giant minotaur standing right in front of them

CAIN

Oh.

JON

I think I took a shit out of my dick... Nope it was out my ass like usual

TOBY

Run!

Toby, Cain and Jon start to run with the minotaur charging right behind him.

JON

How are we going to get away?

CAIN

I got an Idea

Cain pulls out his spear and stabs Jon in the kneecap to where he cant run anymore.

JON

Assholes!

TOBY

Good plan

Toby and Cain highfive while getting to a safe distance from the minotaur beating the hell out of jon.

CAIN

So whats the plan now that we have time to think

TOBY

I cant think over Jon's annoying screams

CAIN

You're right lets move to a more quiet place. Theres a tree stump over there we can think there.

TOBY

Swell plan

Toby and Cain go sit on the tree stump and ponder for about two minutes while you can see Jon getting destroyed in the background

TOBY

I got it you distract him while I climb up his back to his cabeza and stab the mess out of it.

CAIN

Good plan when you grab on I'll
spear him in the face

TOBY AND CAIN

1..2..3.. BREAK!

Toby sneaks around to the back of the minotaur while it's busy killing Jon. When he grabs on to its leg to climb up it Cain throws a spear into the minotaurs eye. The minotaur releases a loud roar and starts chasing Cain while Toby keeps climbing up his back. When Toby gets to the top of his head he starts repeatedly stabbing it until the minotaur shakes him off and he hits the ground hard. He looks up with hazy vision but can see the blur of the minotaur coming to finish him off but before it does Cain gets in the way and starts protecting him. The minotaur delivers a huge blow to Cain and then the minotaur picks Cain up and swallows him whole. Toby gains full awareness and starts to charge at the minotaur but before he gets to it the minotaur just falls down. Toby and Jon walk up to see what happened

JON

What the hell happened

TOBY

It had to be Cain from the inside

JON

But he can't be dead he was my
only friend

Jon falls to his knees and cries, Toby looks down in despair and puts his arm on Jon's shoulder

TOBY

He was a good man

The minotaur starts to release gas for about 30 seconds and then he starts shitting and out comes cain covered in blood and shit

CAIN

Damn I've figuratively been a piece
of shit my whole life but never
literally

JON

CAIN!

Jon runs over and hugs Cain. Cain shoves him off

CAIN

Release me homo

JON

(Crying)We both thought
you were dead

CAIN

You both are dumber than minotaur
shit

TOBY

Well right now you are minotaur
shit so stay away from me

CAIN

You sure you couldn't use a shit
hug

TOBY

I will put you back in that asshole

THE SCENE GOES TO JON AND TOBY SITTING AT THE BAR

Cain walks in the door all clean and with a big bag

CAIN

I got our reward coins

TOBY

Good lets split it in thirds

JON

I should get more than both of you,
you guys used me as minotaur bait

TOBY AND CAIN

Naw

TOBY

Well I got to find an inn to stay
in for the night.

CAIN

Toby before you leave we got to
talk about something

TOBY

What is it?

CAIN

We have alot of money now but it
will only last us so long.

TOBY

Yah we'll need to find jobs

CAIN

Well I was talking to king Steve
when I got the reward, and he said
there are actually a lot of
monsters in greenbridge and he will
fund us if we slay any he wants.

TOBY

Sounds like the tits

CAIN
He also got us a cool office

TOBY
Double tits

CAIN
So both you guys in

JON AND TOBY
Hell yah!

The three cheer their ale mugs together

THE END.
