INT/EXT. CAR - DAY

PAUL CHANNING, 30's, lawyer, is driving and talking on his BLUETOOTH.

PAUL

Denny, hey it's Paul...I'm good...Hey the reason I'm calling is Natalie, Maddie and I are going out of town for Natalie's brother's wedding. We'll be back Sunday. Do you think you could drop by the house and feed the dog and let her out Saturday? Great, I'll leave a key for you under the frog in the flower bed...it's in front of the house. Thanks again man. Alright. Bye.

PAUL pulls into his driveway. He lives in an upscale neighborhood. His home is large and well manicured. PAUL exits the car and walks to the front door.

INT. LIVING ROOM - DAY

PAUL

Hello, I'm home.

NATALIE (O.S.)

Hey sweetie.

MADDIE

Hi daddy.

PAUL

Hi sweetheart.

PAUL loosens his tie and watches MADDIE, 4 years old, playing with her Barbie Dolls on the floor.

PAUL (CONT'D)

So how was daddy's girl today?

MADDIE

Good.

NATALIE, 30's, attractive, walks into the room holding a tiny black Yorkie-Poo. She kisses Paul.

NATALIE  
Hi babe, we're all packed.

PAUL  
Great. We should probably get going... Oh, I called Denny, he's going to come over and feed Hannah Saturday.

NATALIE  
Oh sweetie Denny? I don't know, we should probably ask someone else.

PAUL  
What's wrong with Denny?

NATALIE  
Nothing's wrong with him, you know I love your step-brother.

PAUL  
But?

NATALIE  
But, he's irresponsible.

PAUL  
I talked to mom, she said he's got a new job and he's dating someone now, he's settled down. It'll be fine. It's just one day.

NATALIE  
Okay, but he better not hurt my baby.

NATALIE kisses the dog and puts her in her cage.

NATALIE (CONT'D)  
Bye Hannah.

CUT TO:

EXT. HOUSE - DAY

NATALIE is helping MADDIE in the car. PAUL takes a house key off his key ring. He places the key under a small frog in the flower bed next to the sidewalk. A fluffy black cat is meowing at PAUL's feet.

PAUL  
Shut up Cat! Go home.

PAUL gets in the car. NATALIE is looking in the mirror applying lip gloss.

PAUL (CONT'D)  
Did the Robinson's stop feeding their cat? Why is it crying at our door all of a sudden?

NATALIE  
Don't know. I hate cats.

PAUL  
Everybody strapped in?

PAUL turns around and smiles at MADDIE in her car seat.

PAUL (CONT'D)  
Okay then, we're off.

CUT TO:

EXT. CAR - NIGHT

DENNY HALL, 20's is driving through PAUL's neighborhood with his girlfriend CHRISTA, and two friends TROY and JASON. They are driving fast, and it is apparent they have been drinking.

TROY  
Dude, check out these houses, is your brother rich?

DENNY  
Yeah, he's a lawyer.

CHRISTA  
Which one of these houses is his?

DENNY  
I can't remember...Wait, I think we just passed it.

TODD slams on the brakes and throws the car in reverse. He backs up fast and pulls into the driveway.

TROY  
(thrown back against the seat)  
What the fuck dude, I almost spilled my beer. I only have 18 left.

DENNY

I'm pretty sure this is it.

DENNY, CHRISTA, TROY and JASON all pour out of the car and walk to the front porch. TROY and JASON are each carrying beer.

DENNY (CONT'D)

Guys, look for a frog in the flowers.

TROY

Why the hell are we looking for frogs, lets just go inside, it's cold.

DENNY

The key is under the frog.

TROY bends over to look for the frog and falls into the flowers.

DENNY (CONT'D)

Real Smooth! Get up you tool, you're ruining the flowers.

CHRISTA

Here it is.

CHRISTA hands the key to DENNY and he opens the front door.

CUT TO:

INT. LIVING ROOM - NIGHT

They all look around in amazement at PAUL and NATALIE's expensive taste.

JASON

Ah man, look at the size of that TV

TROY picks up a picture frame on the table.

TROY

Your brother's wife is a hottie.

JASON and TROY plop down on the couch and turn on the TV  
Dirt and mulch from TROY's clothes are getting all over the white couch.

CHRISTA

My head is spinning, can I lay down  
somewhere.

DENNY

Yeah, in here.

DENNY (CONT'D)

Guys, we're gonna go lay down a  
while.

TROY

Sure you're gonna lay down bro.

DENNY

Shut up.

DENNY and CHRISTA walk into the bedroom and shut the door  
behind them. The bed is neatly made.

CUT TO:

INT. LIVING ROOM - NIGHT

JASON is drinking a beer and flipping through the TV channels  
with the remote.

JASON

Man, there ain't shit on. See if  
they have a Playstation or XBOX or  
something.

TROY

I'm gonna see if they got any  
movies.

TROY walks over to the TV cabinet and looks through their  
DVD's and VHS tapes. He picks up a tape labeled Madison's  
birth.

TROY (CONT'D)

Dude, I got it.

JASON

What?

TROY

Madison's birth.

JASON

I don't wanna watch any chick-  
flicks.

TROY

No, it's a home movie, I guess it's their kid's birth.

JASON

You're gay, I don't wanna watch that.

TROY

Did you see that picture of D's brothers wife? She might be naked.

JASON

She's not gonna be naked you jack-nuts. She'll probably just be sweaty and screaming and shit.

TROY puts the tape in the player and opens another beer and sits back down on the couch.

The movie starts to play, we see NATALIE on the TV lying in a hospital bed. PAUL is taping her and talking to her. NATALIE is breathing hard.

PAUL (O.S.)

Nat's contractions are very heavy now. How you feeling babe?

Natalie nods and keeps breathing heavy.

PAUL (O.S.) (CONT'D)

Baby's coming soon.

JASON

This is gay.

TROY

Just wait.

DENNY walks in the room and opens a beer. He plops down on the chair next to the couch.

JASON

That was quick.

DENNY

She passed out. What the hell are you guys watching?

JASON

Some gay birthing shit Troy found. He's hoping your sister-in-law gets naked.

Have you seen anything yet?

JASON (CONT'D)  
No, just your brother talking a lot.

DENNY

Oh shit, I've gotta let their dog out.

DENNY walks into the kitchen and walks over to the DOG in the cage.

DENNY (CONT'D)  
Hey there, you hungry, huh girl.

The dog food bag is sitting next to her cage. DENNY picks it up and looks at the label.

DENNY (CONT'D)  
This stuff sucks, let's see what else they got.

DENNY takes the DOG out of the cage and holds it while looking in the refrigerator. He sees a pack of Hot Dogs.

DENNY (CONT'D)  
Here we go.

He gives the Dog a Hot Dog. The DOG eats it in a hurry.

DENNY (CONT'D)  
You want another one?

He gives the DOG another Hot Dog, and carries it into the living room.

TROY  
(laughing)  
Is that the dog, that looks like a cat.

DENNY  
Yeah, I just gave her some Hot Dogs. She loves'em.

JASON  
You shouldn't do that, I heard that gives them diarrhea.

DENNY, TROY and JASON are all engrossed watching NATALIE giving birth on the TV. She is pushing the baby out.

JASON (CONT'D)  
This shit is sick.

TROY  
We'll probably see her vag in a minute.

We hear the baby cry.

JASON  
Okay I'm turning this off now.

TROY  
Man I was sure we'd see some bush or some tit or something.

JASON walks up to the TV and turns off the VCR.

CUT TO:

INT. LIVING ROOM - SATURDAY MORNING

We see DENNY sleeping in the chair. Many beer cans are covering the coffee table. JASON is sleeping in the fetal position on the floor and TROY is asleep on the couch, it is visible that he has peed his pants. The dog is walking around, and there are many piles of dog poop on the floor. CHRISTA walks out of the bedroom and into the living room.

CHRISTA  
God, it reeks in here.

The DOG is hyper and jumping at CHRISTA's feet.

CHRISTA (CONT'D)  
Hi, you gotta go outside.

CHRISTA opens the front door and the dog runs out, the neighbor's black cat runs in the house. DENNY wakes up.

DENNY  
Eww, what the hell is that smell?

CHRISTA walks over to one of the piles of dog poop.

CHRISTA  
Looks like the dog has the runs.

DENNY  
Ahh man. On their white carpet  
too.

CHRISTA  
I'll look for some carpet cleaner  
in the kitchen.

DENNY throws a beer can at TROY and hits him in the head.  
TROY wakes up.

TROY  
(annoyed)  
What?

DENNY  
(mad)  
Get up, you pissed all over  
yourself.

JASON sits up.

JASON  
Did you shit yourself too?  
Something stinks.

DENNY  
The fuck'n dog shit all over. It's  
got the runs or something.

JASON  
I told you, you shouldn't give it  
hot dogs.

DENNY  
Just shut up and help me clean it  
up.

CHRISTA walks in carrying some carpet cleaner and some  
monogrammed towels from the bathroom.

CHRISTA  
Here use some of this.

DENNY starts cleaning the dog poop off the carpet. He hands  
the cleaner and a towel to JASON.

DENNY  
Here clean that pile up.

JASON starts to clean the pile up but the smell is making him  
gag. He throws up all over the carpet.

DENNY (CONT'D)  
Are you fucking kidding me?

JASON  
I'm sorry man, but the smell.

DENNY  
Clean that up.

JASON  
And white carpet, who does that  
shit?

DENNY  
(shouting)  
Troy, get your ass up and find the  
dog, put it in its cage.

TROY  
(half asleep)  
Dude, alright, quit yelling. I've  
got a headache.

TROY stumbles into the kitchen and see's the neighbor's cat  
on the kitchen counter. He mistakenly grabs the cat and  
throws it into the cage.

DENNY (O.S.)  
Bring the garbage can in here and  
throw away these cans.

TROY throws all the cans in the garbage can.

DENNY (CONT'D)  
Here.

DENNY throws the soiled towels in the garage can too.

JASON  
I think this is as good as it's  
gonna get, it needs professionally  
cleaned.

DENNY  
I can't afford that.

Troy picks up a bunch of Barbie dolls laying beside the  
couch.

TROY  
Here, just do this.

TROY lays the Barbie dolls over poop stain spots. CHRISTA walks around spraying NATALIE's perfume.

DENNY

Did you put the dog up.

TROY

Yeah.

DENNY does a once over, he straitens the pillows on the couch and covers the pee stain with a pillow.

PAUL walks into the kitchen.

NATALIE (CONT'D)  
Where's Hannah? This cat was in the cage.

PAUL  
What the hell is that smell.

NATALIE and PAUL look around for the source of the smell. They notice it's coming from the garbage can.

NATALIE  
Why are my good towels in the garbage? Looks like they had a party.

The doorbell rings.

NATALIE answers the door. CHARLIE ROBINSON is standing at the door holding HANNAH.

CHARLIE  
Hi, are ya missing something?

NATALIE  
Oh yes, thank you so much Charlie.

CHARLIE hands HANNAH to NATALIE.

CHARLIE  
I found her walking around outside yesterday.

PAUL walks to the door carrying CHARLIE's black cat.

PAUL  
I think this belongs to you.

CHARLIE  
Yeah, there you are Salem.

PAUL hands the cat to CHARLIE.

NATALIE  
Thanks again Charlie.

NATALIE closes the front door and looks at PAUL.

NATALIE (CONT'D)

PAUL

NATALIE pulls out the VHS tape sticking out of the VCR. PAUL walks up and looks at the case.

PAUL (CONT'D)  
He watched Maddie's birth?

NATALIE  
That tape also had the threesome

NATALIE slams the tape into PAUL's chest and walks out of the room.
