SHEY ( young mid 20's very attractive) and her friend HALIMA (very beautiful somali girl in her mid 20's too) are standing outside a door, we can hear music from the other side.

SHEY  
Sometimes I feel like a character  
in a TV show.

HALIMA  
Have you been taking crazy pills  
again.

SHEY  
Shhh, don't let them hear you.

HALIMA  
Who?

SHEY  
The pills... they don't like that  
name

Shey takes out some pills from her pocket.

HALIMA  
Don't worry my masters I will  
avenge you.

She swallows the pills and enters the door, we focus on Halima, we hear cheering from the other side.

We hear shey over the Public address system

SHEY (V.O.)  
Students of ST francis  
orphanage....

INT. POLICE STATION. DAYTIME.

Halima is seated on a desk, from the other side shey emerges rubbing her wrists to indicate recent handcuffing. she walks to where Halima is seated.

SHEY  
Thanks for bailing me out, you need  
to take me to that shady lawyer of  
yours, the charges are serious. but  
first I need to change these  
clothes.

HALIMA  
You smell like prostitute perfume.

SHEY  
Hey don't talk bad about my cell mates, they taught me a lot last night.

B roll.

INT.POLICE CELL. DAYTIME.

There are lot's of scantily clad women in the cell they are looking focused on one lady, HILDA she is also dressed like a typical prostitute, she is talking

HILDA  
With the semantic sting, dworkin destroys hart's pedigree thesis, Hart believes that the rule of recognition is a social rule.

End of b-roll.

EXT. OUTSIDE SHEY'S APPARTMENT

Shey is rummaging through her purse.

HALIMA  
Why don't you use the copy of my key.

SHEY  
You have a copy of my key?.... What are you doing with a copy of my key.

HALIMA  
To access your bedroom, It has perfect light for my videos.

B-roll

Halima is dressed in military gear, there is a black flag in the background, halima has what is obviously a fake beard.

She is using a pretend male voice. She is holding an AK 47

HALIMA (CONT'D)  
Salaam aliyekum mujahideen

End of b-roll

EXT. STREETS. DAYTIME.

SHEY  
How shady is this lawyer guy.

HALIMA

when I was FALSELY accused of  
donating money to....

She stops talking

HALIMA (CONT'D)  
Anyway the last time I was at his  
office there some orphans and  
widows protesting outside his  
office, apparently he stole their  
settlement.

SHEY

JUMP CUT TO:

INT. LAW OFFICE. DAYTIME

The office is stylishly decorated, halima and shey are seated  
on opposite ends of the lawyer ABU who is dressed in a bullet  
proof vest.

ABU  
Don't worry, about the vest,  
professional hazard. Are there  
protestors outside? Thursday is  
usually the ferry accident (making  
air quotes) victims, they should be  
grateful for a free swim in the  
ocean

Abu holds up a piece of paper.

ABU (CONT'D)  
Wow these charges do not look good,  
crimes against public morality,  
performing lewd acts in public,  
public urination, public  
intoxication, possession of illegal  
narcotics, sounds like one of my  
clients who took crazy pills.

Halima and shey look at each other.

ABU (CONT'D)  
Oh it's crazy pills, don't worry  
about it.

JUMP CUT TO:

INT. COURT ROOM. DAYTIME.

She is in the accused person's stands, numerous paparazzi  
are taking pictures of her while she is in the dock.

JUDGE  
Your acts are deplorable,  
disgusting and appalling, you  
traumatized those poor children and  
the nuns however because you are a  
celebrity, I can only sentence you  
to community service.

She whispers something to Abu.

ABU  
Your honour my client is asking if  
a gang bang qualifies as community  
service.

JUDGE  
What is a gang bang.

The court bailiff whispers something in the judges ear.

The judges eyes widen in shock

ABU  
Well technically....

JUDGE  
We will have to refer this to the  
supreme court.

ABU  
Don't they have other important  
matters to decide

JUMP CUT TO:

He takes a large swing of his vodka.

INT. LIVING ROOM. NIGHT.

They and halima are seated on a couch watching TV we focus on them but we can hear the Newscasters voice.

NEWSCASTER (V.O.)

In a surprising decision the supreme court has declared gay people inhuman, the supreme court also sold their rights to marvel who are rumored to be making a terrible TV show.

The girls seem unmoved by this.

NEWSCASTER (V.O.)

In other news, the church of Satan has joined other religious organizations in condemning the actions of musician shey who was escorted out of an orphanage after committing lewd acts with one of her dancers on stage.

SHEY

Not them too, at least the illuminati has my back.

NEWSCASTER (V.O.)

This just in, the illuminati has distanced itself from the musician shey, in this video.

We focus on the tv, on screen there is a dark room lit by candles, a man wearing a sith like hoodie with glowing red eyes is seen, the scrawling text says 'statement from the illuminati'

The man in the hoodie holds up an ancient looking scroll and instead of speaking we hear demonic growls.

NEWSCASTER (V.O.)  
Things are not looking good for the  
controversial musician

SHEY  
Nooooooooo.

FADE OUT.

FADE IN

QUEEN GLORIA  
Feed him to the lion

DEE

Your majesty i think the lion is overfed, we threw in that Daniel guy, the lion didn't even touch him, he claims it's a miracle.

QUEEN GLORIA

A holographic projection of shey is seen.

QUEEN GLORIA (CONT'D)

My god, is it... it cant.... where did you locate her.

MAY

On a planet called earth, it's in the milky way galaxy.

QUEEN GLORIA

Well set a course to that planet

MAY

Meanwhile on sector 844

Another space ship.

The same set up as the one before but this time all the ladies are either bald or have dreadlocks. their dressing is very plain and conservative Their leader WINNIE is seated on her throne. There is a procession of ladies talking to her too.

LADY2

Our mission to sorority 1 was successful, we ended cat fights, back biting, any perceived dependency on men and educated them on the unnecessary nature of marriage. We also gave the entire planet these pretty notebooks.

She holds up a dull looking grey notebook, the cover is plain, the only writing on the cover is the word 'notebook' the font is times new roman.

WINNIE

Yes, that don't is quite appealing, good work ambassador.

The lady steps out of view, another lady who was behind her steps forward.

WINNIE (CONT'D)

Hello there Caroline, welcome back from your annual 45 minute sex break, how was the experience.

CAROLINE.

Satisfactory.

WINNIE

I trust it was.

CAROLINE.

My pleasure increased exponentially once the male started weeping uncontrollably.

WINNIE

Congratulations, you have rare experienced male tears. i trust you are ready to resume duties.

CAROLINE.

Yes sister winnie.

One of the ladies at the controls SHAMIM speaks.

SHAMIM

Sir, the hive mind of sector 849  
have just set a course to the milky  
way galaxy.

WINNIE

What could they be heading there  
for?

SHAMIM

Permit me to speculate based on  
extrapolation of their past  
behavior, I think they are either  
going to conquer the planet earth  
or look kidnap ambassador beyonce.

WINNIE

We have to stop them, set a course  
to the milky way.

EXT. STREETS. DAYTIME.

She is dressed in a yellow reflector jacket, she is picking  
up papers from the ground, a paparazi approaches her and she

A prison van stops and more women alight, its the same  
comercial sex workers she shared a cell with, they walk up

and is now a registered nurse.
