Villagers laugh and some hide their laugh.

PABLO
Keep laughing, laugh now, ha ha ha come on, ha ha ha! Laugh now but are you sure you would laugh when you see the sign of doomsday. when you see the doomsday stone, do you laugh again? There came the doomsday stone on the earth, do you know that?

PANCHO
You know Pablo, he might found a colorful gravel in the stream, he is happy with that, I assume.
A PEASANT
Could be, could be, and you

didn’t visit his cottage. He
is trying to catch our
attention, we better visit
his cottage and bring some
food for this miserable boy.

Villagers leave with tools at their hands, some get on
the tractors. PABLO tries to stop people but they go
away.

PABLO
What is wrong if you came

JUAN

PANCHO
(smiling)
Senior Mayor welcome, need some carbonate powder?
PANCHO waits for an answer but MAYOR, with eyes focused in front of him, doesn’t respond. He takes out the cap from his top and put it on the table.

RICARDO GONZALES
(hesitates, smiles)
You you better leave some of it for later. You can eat the rest later.

PANCHO goes to pick CARBONATE JAR and comes back with it.

MAYOR
(keeps focused to a point)  
I saw it...

PANCHO takes a SPOON of the carbonate out of the jar, pokes the spoon into MAYOR’s mouth. PANCHO takes a GLASS of water and pours it into the MAYOR’S MOUTH. MAYOR gulps and BURPS.

PANCHO
(happy)  
It is good for you, good for you.

EDUARDO GOMEZ
There the signs are getting more and more. The doomsday is very soon, Mayor do your job.

Villagers signal to Eduardo Gomez to shut up.

MAYOR
It is not something like just a stone, it is, it is very strange. You remember the souvenir, what souvenir, pilgrim Felipe brought from his journey? You remember the souvenir rosary, the green shining souvenir rosary?

EDUARDO GOMEZ
(stands up by praying)
Ooo my Lord...
(sits down by praying)

MAYOR
(Showing his hands)
He didn’t let me touch the green stone.
(looks at the customers)
He said there could be germs, there could be germs on it.

EDUARDO GOMEZ
(looks at the sky)
Oooo my God, you save us.

Ricardo Gonzales comes closer to Bald Chico while Eduardo Gomez murmuring holy verses.
RICARDO GONZALES
(looks at Eduardo)
You see, Father is getting stranger after his defeat to be Mayor.

BALD CHICO
It was not easy for him to accept the defeat. His man didn’t win the election against Senior Mayor, he thinks town likes Mayor than likes him. Actually it is very dangerous to be that nervous. There could be cure for my bald head but no remedy for him.

JOSE THE BEAR
(stands up)
So, why are we still here? Lets go and check the stone, Pablo’s stone.

MAYOR
(rises and speaks loudly)
You, stop! All you calm down!
(looks around)
It is it is too late, you know tomorrow, early in the morning you all go to the fields, you need to rest, need to go bed early.
(turns to Eduardo)
And who knows what the stone is? Is it good for us or not, is there germs on it or not or is it poisonous or not?

Mayor approaches to Enrico Gonzales and touches To his back.
