This hospital is a typical hospital; very routine, very real.

No one seems to notice the lost girl in the hospital gown.

Everything is fine until a SECURITY GUARD comes towards her and...

    TONYA
    Excuse me, I think I was in an accident--

Whoosh...the guard WALKS STRAIGHT THROUGH TONYA...like a ghost.

Tonya is freaked beyond imagination.

A LIGHT appears. Tonya looks around, sees; a GLOWING BEING, angelic, beautiful...

    BEING
    You’re not dead, Prophet.
TONYA
What’s happening?

Pastor Aaron, what can I do for you?

AARON
Just wanted to ask you about Cathy.

Graham is visibly in a hurry, SCRAMBLING for his keys as he talks...

GRAHAM
Fine, fine, she’s fine. Thanks for asking, I appreciate it.

AARON
Is something wrong, Graham

Graham SNAPS.

GRAHAM
Look, Cathy’s fine! We both are! Fine as hundred year old wine. Now if you’ll excuse me, Pastor, I have business to tend to! Don’t worry about us! We’re both good!

Touch not mine anointed. You of all people should know that, Deacon Pearson.

Hasheem begins to SQUEEZE...Graham CHOKES.

Please...please...

HASHEEM
Are you going to show me a little more respect, Deacon Pearson?

ON THE BED, a MAN and a TEENAGE GIRL are in the midst of STEAMY SEX; she STRADDLES him, his eyes roll up to the whites.

TEENAGE GIRL
You like that, officer?

MAN
You know I do, baby!

The teenage girl is a sixteen year old prostitute, ALISHA HAYES; the street life has aged her prematurely.

The man is her trick; DETECTIVE JOE CUNNINGHAM, 50’s, obese.

Alisha brings him to a powerful CLIMAX. They finish.

Cunningham lays there, mouth open, ecstasy...

CUNNINGHAM
Christ, I feel like sucking my damn thumb or something, baby.

She sits on the edge of the bed, LIGHTS a cigarette, totally cool, totally indifferent about him...a pro.

ALISHA
I could give you something to suck on, Joe.

Cunningham LAUGHS, he rubs her back.

Alisha SCREAMS, unable to help herself; she SCRAMBLES back, horrified.

IN THE BATHROOM—

Cunningham is at the sink, head lowered, GRIPPING the edges with trembling hands.

IN THE MIRROR, is a hideously evil DEMONIC REFLECTION of himself.

REFLECTION
It’s time, Joe! You have to kill that little whore now. Before The Prophet gathers her into The Inner Circle...

CUNNINGHAM
No...you’re not real. Not real.

REFLECTION
Look at me, Joe...

The mirror begins to GLOW a sinister red; Joe looks up into that hellish light, terror appears on his face.

The interior of this clunker is thick with marijuana smoke.

SEAN MCGUIRE sits behind the wheel; 17, blond, white trash; he grips the steering wheel, swastika tattoos on his fingers, wearing a bulky, hooded sweatshirt.

A RIGHT WING RADIO DEEJAY comes through the vans speakers.

RACIST DEEJAY
(radio)
...I mean come on White America! Would you all wake the hell up, please!? The "Leftist Loons" just elected a negroe president! The white man is slowly losing his country...!

SEAN
Amen, brother...

Sean seems to be in a daze, staring out the VANS WINDSHIELD, at a group of INNER CITY GANG MEMBERS, who are congregated in front of an abandoned building.

The building has been converted into a crack house; FOUR YOUNG BLACK MEN make up the gang members standing out front.

Sean takes a LONG HIT of the joint, COUGHS.

On the radio:

RACIST DEEJAY
(radio)
...They are saying that within twenty-five years, brothers and sisters, the white man will be the minority...!

Sean lifts a nine millimeter from his lap; he screws on a silencer and KISSES the gun.

He sits back, turns off the radio and watches the gangsters.

After a beat, Sean prepares to leave.

SEAN
What the hell am I doing? I have lost my mind...

He reaches for the keys in the ignition.

Then...from the dark rear of the van:

(CONTINUED)
WOMAN’S VOICE (O.S.)
Don’t you have any faith in your mother?

Sean’s heart skips a beat.

SEAN
Mom!?

He looks back, sees, crouched in the shadows between the two front seats...

His mother; CONSTANCE MCGUIRE, 50’s, pale, a cold presence, dressed in a blue funeral dress, bunned hairstyle, the ragged bullet hole in her left eye WEEPS blood.

CONSTANCE
Are we ready, good buddy?

She smiles at him, teeth rotted brown.

Sean SHIVERS, suddenly freezing.

SEAN
Yes...

CONSTANCE
Oke doke! Then you take that gun and as soon as you’re close enough, you start putting bullets through the left eyes of all those niggers!

SEAN
Mom, I just--

CONSTANCE
Hush up, boy! She’s close. I can feel that bitches presence a million miles away!

SEAN
Who, mom? Who’s close?

CONSTANCE
Don’t matter. Time’s short, buddy boy. Kill the spook, porch-monkeys that killed me. They took me away from you and your father.

SEAN
I’m scared, mom. I don’t know if this is real or--

Sean CRIES OUT in horror, YANKS his hand back...the index finger is red with gore.

**CONSTANCE**
That feel real enough to you, buddy boy?

He looks at her; mingled fright and revulsion.

Constance suddenly hauls off and SLAPS Sean...

She SNARLS at him and SLAPS his face again.

**CONSTANCE**
You’re such a goddamn whiner!

Sean breaks into tears, holding his red cheek.

Constance takes the joint from him, PUFFS and BLOWS SMOKE at him.

**CONSTANCE**
Just like your father. I’ve been worm food for seven years now and he’s still walking around like a zombie!

**SEAN**
Please stop...

**CONSTANCE**
If the two of us could switch places, and it was him that was dead instead of me? I’d be screwing everybody from his brother to that jigga-boo paperboy...

**SEAN**
Stop...

**CONSTANCE**
Both of you; two fags crying over the dead.

**SEAN**
...Stop...please.

**CONSTANCE**
Maybe I’ll have you murder your father next.

(continues)
SEAN
Mom, please...

She thinks...CHUCKLES.

CONSTANCE
For him that’d probably be a relief--

SEAN
SHUT UP! SHUT UP, YOU DEAD BITCH!

He breaks into SOBS. Constance smiles.

CONSTANCE
Good...anger is very good, O child of mine. Now take that anger to those murdering coons!

Sean wipes his wet eyes.

He looks up...CONSTANCE IS GONE.

On the floor; is the joint, still lit. Sean picks it up, looks at it with disgust and MASHES it out in the ashtray.

OUTSIDE--

A BLOOD RED CADILLAC pulls alongside Sean’s van; Sean looks out and sees Hasheem behind the wheel, he WINKS at Sean, drives on.

SEAN
Just keep driving, Sambo...

Sean hesitates, stuffs the gun into the waist band of his jeans and exits the van.

INT. PEARSON HOME - EARLY EVENING - LATER

Graham is sitting at the kitchen table; POURING himself shot after shot of whiskey.

IN THE KITCHEN ARCHWAY, a DARK FIGURE appears.

CATHY (O.S.)
Graham...?

Graham looks up, eyes bloodshot. He rises, spooked.

GRAHAM
Cathy? Jesus, how did you--
CATHY (O.S.)
I don’t feel good, Graham. I think something is wrong with me.

She enters the kitchen; wearing a nightgown, running the blade of a BUTCHER KNIFE across her pregnant belly.

Graham has a heart attack...

GRAHAM
No! No, honey, don’t do that?

CATHY
I think there’s something wrong with the baby...it’s not human, Graham! It needs to die!

Swiftly, Graham goes to her.

He reaches for the knife, when Cathy grabs his wrist...

Graham looks up into the face of a hideous DEMON; not Cathy’s, eyes GLOWING, mouthful of sharks teeth, totally inhuman.

GRAHAM
Oh, my God--

KA-POW! Cathy BACKHANDS HIM ACROSS THE KITCHEN.

Graham hits the wall, rebounds and CRACKS HIS HEAD on the kitchen counter top.

He CRUMPLES to the floor, pulling the cordless phone with him...

Cathy begins SPEAKING in another language; she mounts Graham, KNIFE RAISED, Graham’s eyes open in time to see, THE BLADE COME DOWN...

Hasheem appears in the archway; behind him TWO MEN dressed in black.

They see the gory mess. Cathy continues STABBING.
HASHEEM

Cathy...?

She looks up, sees Hasheem, SNARLS at him.

Hasheem never moves; always cool, always professional.

HASHEEM

She BULL-CHARGES him, knife raised, SCREAMING.

Hasheem lifts a hand, points two fingers at her.

WHISPERS...

HASHEEM

Sleep, Cathy...

And boom, she DROPS, lights out...the knife CLATTERS across the kitchen floor.

Hasheem picks it up, examines it. It DRIPS with Graham’s blood...he carefully puts it back into the dishrack.

He looks at the two men, nods.

The men enter, they SCOOP UP the sleeping Cathy.

HASHEEM

Get her to the hospital. It’s time.

He looks down at Graham’s mutilated corpse.

HASHEEM

Get a team in here. Do a cleaning.

And do it thoroughly.

The men nod, they exit with Cathy.

A beat...Hasheem kneels over Graham.

HASHEEM

Deacon Pearson...you have seen better days, my friend. Haven’t you?

He leans over, KISSES Graham’s forehead.

HASHEEM

For what it’s worth, old man, you were never meant to die. But every battle has sacrifices. Sleep well.

MERCEDES (phone)
No, ma. No boys. No drinking. I’m fine. I already told you that me and Jamal broke up last week.

CAROL (O.S.) (phone)

TONYA

ALISHA
Stop what?

TONYA
The Rising!

Alisha glances quickly around the room, suspicious.

She returns her attention to the ghost, face deadly serious.

ALISHA
Am I being Punked? No...not Punked, I’m dreaming. That’s it, this is a dream, huh?

Frustrated, the ghostly Tonya storms forward and PINCHES ALISHA’S BREAST.

ALISHA
OW!

TONYA
Did that feel like a dream?

Tonya’s Hazel eyes go to the bathroom door. She looks scared.

TONYA
You’re in danger here! Get out, Alisha! Hurry, while there’s still time!

Alisha rises... starts to PACE instead; back and forth, eyes never leaving Tonya, caressing her sore breast.

ALISHA
Are you a ghost? Am I dead? Can’t be, you hurt me! Ghosts can’t hurt people... can they?
TONYA
I’m not a ghost and you’re not dead! But you will be if you don’t get away and help Sean and Mercedes!

ALISHA
Who the hell is Sean and Mercedes?

Before Tonya can answer...

BOOM...

The bathroom door BURSTS OPEN.

Cunningham comes out; a totally evil and demon-possessed man.

He ROARS at Alisha.

Alisha reacts...SCREAMS!

TONYA
Tell it to sleep, Alisha!

ALISHA
What!?

TONYA
Tell it to sleep! And do it in the name of the God you serve, girl!

ALISHA
I can’t!

The demon turns to Tonya...SNARLS.

But Tonya is no punk; she steps towards the demon.

CUNNINGHAM
Prophet!

TONYA
That’s the one part of me you don’t want to meet, fallen! Now back off!

And just like that an invisible force KNOCKS Cunningham back, SLAMMING him into a wall.

The demon is down but not out.

Meanwhile...

TONYA--
has collapsed to one knee, very weak.

Alisha appears at her side.

ALISHA
Hey, are you hurt? Wait a minute, ghosts can’t get hurt...

TONYA
Will you get off the ghost thing!? You need to leave. If he rises again I won’t have the strength to protect you.

ALISHA
But--

Tonya looks up; her dark brown eyes become a BURNING HAZEL, she looks different, changed, more scary...The Prophet!

PROPHET
For your lustful nature I should burn you to ash, girl. But such is not the will of my Father in heaven. Now go...do not make me tell you twice!

Screw this...Alisha grabs up her clothes and BOLTS.

After she is gone; The Prophet rises and approaches the possessed cop, her hands begin to BURN WITH WHITE HOT FIRE...

The demon gives those fiery hands a fearful look.

Christian’s breath is visible when he speaks; as if the temperature in the room were below freezing.

CHRISTIAN
You know, every time I come up in here it’s cold.

The room temp seems fine to Aaron. He shuts the door behind him, approaches Christian.

AARON
No...it’s just cold to you, my brother.

CHRISTIAN
It’s happening, Aaron. I know you can feel it. We’ve had six weird disasters in the past week. These are the signs.

Christian faces him, revealing a handsome face hidden beneath a grizzled beard and the visible scars of a long, tortured existence.

CHRISTIAN
It’s happening to me again, too, Aaron. I need your help.

AARON
I already told you, Christian, I can’t help you. Maybe Pastor Oliver can. Not me. I’m not strong enough.

Christian CRUSHES the lit cigarette in his hand.

CHRISTIAN
Oliver would rather kill me than help me, Aaron. You remember what Legion did to his wife and his daughter? No, it has to be you, brother.

AARON
Why? Why should I help you after what you did...? After what you unleashed on the world!?

Christian hesitates...Aaron GRABS him and SLAMS him against the window.

AARON
I SAID WHY, CHRISTIAN!?

CHRISTIAN
Because I want to help her, that’s why!

Aaron releases him, steps back.

AARON
Her? You mean The Prophet?

Christian is silent; he goes into his pocket, removes a bottle of Mad Dog 20/20 (strawberry flavored), he DRINKS.

Aaron takes the liquor from him, trashes it, KNEELS.

CHRISTIAN
What are you doing?
AARON
You want to help her? We pray about it first. See what God has to say about this...you down?

Aaron PRAYS out loud:

AARON

Sean sits on his knees; broken, confused, exhausted.

Then, from behind him...

Tonya smiles at him.

TONYA
It’s time. God is calling you, Sean McGuire.

SEAN
I’m scared. How come those nig...those boys couldn’t shoot me?

TONYA
Go with Alisha. All will be revealed. From this day on, you will trust only the Lord your God.

A blink; Tonya is gone.

Just as Alisha’s car SPEEDS UP and BUMPS onto the curb in front of Sean.

The passenger window comes down, revealing, behind the wheel:

ALISHA
You Sean?

Silence from Sean, shellshock.

Alisha SLAMS ON HER HORN. Sean JERKS back to reality.

SEAN
What!?

ALISHA
I said are you Sean?

SEAN
Yeah! Yeah, I’m Sean!

She opens the passenger door, an invitation.

ALISHA

END OF ACT TWO

ACT THREE

INT. HALLWAY, LOCKETTE HOME - NIGHT - LATER
Mercedes moves along the hallway, nervous, edgy.
She stops, sees
AT THE OTHER END OF THE HALL--
Something - A SHADOW - disappears around the corner, up ahead.

MERCEDES
Oh, Jesus!
She’s not alone...screw this!
Mercedes BOLTS into her
PARENTS BEDROOM - CONTINUOUS
and LOCKS THE DOOR. She backs slowly away from it, watching
THE KNOB...without warning IT JIGGLES!
Then a FIST HITS THE DOOR...BAM!
Terrified, Mercedes searches frantically for a weapon.
Nothing...she stops, thinks...her eyes widen...it hits her!
Mercedes goes to her parents
CLOSET--
and RUMMAGES around until she finds her DADDY’S GUN.
Is it loaded...she checks...it is!
BAM! BAM! BAM! - on the bedroom door.
She points the gun at the door, hands TREMBLING.

EXT. LOCKETTE HOME - SAME
Alisha’s car comes SCREECHING down the block; it BUMPS UP
onto the curb in front of the Lockette’s home.

INSIDE--

(CONTINUED)
CONTINUED:

Sean looks at Alisha.

SEAN
You got a thing against curbs? Or is it just that you people can’t drive?

She ignores him.

ALISHA
This is the place.

SEAN
How do you know?

ALISHA
I can feel it. Can’t you?

Sean is silent...he can feel it.

ALISHA
OK, you ready?

A beat...Sean looks nervous.

SEAN
I’m not a good guy, you know?

ALISHA
Hey, welcome to the club, white boy. I think we’re meant to do some good here though.

A JOLT; Sean GASPS...eyes widen...a vision!

He glances at the house...at Alisha, fear in his eyes.

SEAN
I think it might be too late!

From the house, a GUNSHOT...KA-POW!

Both react, terrified.

Alisha looks at Sean, question on her lips.

ALISHA
How the hell did you...never mind. Lets go!

They exit...RACING TOWARDS MERCEDES FRONT DOOR.

INT. KITCHEN, PEARSON HOME - NIGHT - LATER

(CONTINUED)
Aaron enters the kitchen.

Grahams body is still on the floor; bloody, unmoving, dead.

The young pastor kneels over the body, tears in his eyes.

AARON
Oh, Jesus. I’m so sorry, Graham. I just got your message, old man.

He looks up and sees

ON THE KITCHEN WALL--

Graffiti SCRAWLED IN GRAHAM’S BLOOD; it says "Angels of the Sentinel"...

Aaron rises slowly, staring at the graffiti, terrified.

AARON
Oh my God...

A SHADOW APPEARS BEHIND HIM; it raises something (a metal club), about to STRIKE!

At the last second, AARON DUCKS OUT OF THE WAY...

A VIOLENT FIGHT...Aaron gets the upper hand, he handles his assailant, using a kickass mix of STREET FIGHTING and KICKBOXING.

They battle, blow for blow; Aaron fights skillfully and hard, BLOCKING the assailants punches and kicks.

Aaron UPPER-CUTS the assailant, KNOCKING the figure onto the kitchen table...revealing the assailant to be a...

FEMALE; 20’S, Puerto Rican, sexy as hell...and unconscious.

Aaron settles back, SIGHS, exhausted...grim look.

AARON
Angels of the Sentinel...God help us.

OUT IN THE HALLWAY--

Another THUG (a man) appears, sees Aaron and FLEES out the front door.

Aaron moves to give chase...
AARON

HEY!?

...Then stops, the thug is gone.

Aaron removes his cellphone, standing at the sink, he fills a glass with tap water. Returns to the unconscious woman.

AARON

(phone)

Yes I want to report a murder; Six North Hamlin. Thanks.

He hangs up. The Puerto Rican woman comes to, groggy as hell.

Aaron hands her the glass of water. She SLAPS it away, pissed.

Aaron keeps an eerie calm.

AARON

The police are on their way, sister. Tell me...did you do this?

She looks at him; a hard look, silent defiance, pretty face bruised.

He leans close.

AARON

Graham Pearson was a good man. He didn’t deserve this. But I don’t think you did this, sister.

Looks deep into her eyes...sees fear.

AARON

No...you ain’t no killer. I know killers, sister. That’s not you, is it? Why don’t you tell me what I need to know and I’ll talk to the judge for you.

Silence...she looks away.

Aaron SIGHS..."Here we go".

AARON

OK, sister, I’m gonna need you to work with me on this and tell me the things I need to know before the cops get here.
She looks at him, stubborn silence.

AARON
If you don’t tell me what I want to know, I will hurt you. I will make you scream. And I’ll ask God for forgiveness later.

Nothing...

Aaron grabs her wrist and DISLOCATES HER MIDDLE FINGER.

The woman SCREAMS...finger hanging crooked.

Aaron’s creepy calm never leaves. Obviously nothing new for him.

AARON
Your shoulder is next. Tell me what I need to know.

The woman CURSES at Aaron in an ancient language.

AARON
You’re Puerto Rican but you’re speaking Aramaic. Where did you learn that, huh?

She SPITS in his face. Aaron wipes it away, still cool.

AARON
Fair enough, sister. Please forgive me...

He takes her by the upper arm, JERKS and TWISTS it...

Until...HER SHOULDER DISLOCATES - CRACK!

More SCREAMING from the woman.

AARON
This is only going to get worse. I respect your loyalty, but your loyalty is misguided...

The woman sits, SHIVERING in agony, tears on her face.

Aaron spots a SYMBOL TATTOO on her neck; his eyes go to the wall (Angels of the Sentinel)...back to the tattoo.

AARON
That’s an Angels of the Sentinel tattoo.
Finally, she glances up, face sweaty, a feral look.

**WOMAN**
Can you feel it, Man Of God? The Rising? Do you see what’s happening to this city as His time nears?

Aaron backs away from her, as her words sink in.

**WOMAN**
Ha-ha, you can’t stop it. Your poor dead Messiah can’t stop it. It begins. The end...for the saved! And the rising of The Emissary!

A beat...Aaron STORMS FORWARD AND SLUGS her.

The woman drops back on the table, unconscious once again.

As Aaron thinks...A DARK FIGURE appears behind him.

**TONYA (O.S.)**
Aaron?

Aaron WHIPS around, ready to fight.

He sees the ghostly girl, stunned.

**TONYA (O.S.)**
Don’t talk. Now is the time for listening. The woman was right. The Emissary’s time has come. You need to get to the church; the people will need your help...

Shocked silence from Aaron.

INT. BEDROOM, LOCKETTE HOME - NIGHT

OUTSIDE THE BEDROOM DOOR--

KA-POW! a BULLET-HOLE appears in the door.

THROUGH THE SMOKING HOLE, Mercedes can be seen pointing the SMOKING GUN at it.

Outside the door...

**MAN’S VOICE (O.S.)**
Mercedes! Stop shooting, girl. It’s me! I was just playing with you!

She lowers the gun, recognizing the voice.

(CONTINUED)
MERCEDES
Jamal?

JAMAL (O.S.)
Chill, baby. I just came to see you, that’s all.

He reaches through the bullet-hole and UNLOCKS THE DOOR.

JAMAL BAKER enters the room; 19, jail house muscles and tattoos (one of his tats is an "Angel of the Sentinel" symbol)...and he’s naked.

Mercedes face says it all; shock, horror, outrage.

MERCEDES
Jamal, what the hell is wrong with you, boy!?

JAMAL
I missed you, boo.

MERCEDES
Missed me...?

She eyes him up and down.

MERCEDES
And why the hell are you naked!?

JAMAL
_The Man in the blood red suit_, he told me to do this. Said you would dig it and that it would really get you hot.

Fear sets in...now Mercedes looks scared.

MERCEDES
What man, Jamal?

JAMAL
I don’t know his name. Said The Rising was close, though. Whatever that means.

He starts moving closer to Mercedes. She backs away, fearful.

MERCEDES
Stay over there, Jamal!

A frown...he looks at her, confused.

(CONTINUED)
JAMAL
But I miss you, boo. Don’t you miss me?

MERCEDES
We broke up, Jamal. Remember?

He LAUGHS; sinister, cold, frightening.

JAMAL
Mr. Blood-Red Suit said you would play hard to get...said you wanted me to take it from you like a real man. Give it to you real hard...real good.

Realization hits her; he’s crazy...and horny.

She looks at the gun.

Before she can raise it; Jamal is across the room in a flash, TACKLES her onto the bed, starts RIPPING AWAY HER CLOTHES.

She tries to fight him off. He’s too strong.

MERCEDES
NO, JAMAL! STOP! NO-O-O!

Alisha and Sean appear; they drag Jamal off Mercedes.

Jamal turns on the newcomers; he ELBOWS Alisha in the nose and CHOKES Sean up against the mirrored closet doors.

Jamal LIFTS SEAN OFF HIS FEET, by his neck, SQUEEZING.

Alisha is on her knees, nose GUSHING blood.

SEAN
(to Alisha)
Could you please get this naked ass homeboy off me!

Mercedes is up, helps Alisha; they struggle to get Jamal off Sean.

MERCEDES
Jamal, let him go!

Jamal HEAD-BUTTS Mercedes. She STUMBLIES back, head aching, a KNOT FORMING on her forehead.

Sean is LOSING CONSCIOUSNESS fast; he DRUMS HIS FEET against the mirror doors until they CRACK.

(CONTINUED)
Jamal is a man POSSESSED, grins up at Sean, teeth rotted.

JAMAL
You see what happens when you get in grown folk business, white boy!?

THEN OUT OF NOWHERE:

ALISHA
(to Jamal)
Hey, Mr. Marcus!?

Jamal turns and...Alisha throws a ROUNDHOUSE POWER PUNCH.

Jamal is KNOCKED ACROSS THE BEDROOM, hits the wall and collapses to the floor...LIGHTS OUT!

Alisha looks at her fist, amazed.

ALISHA
Whoa! Did you see that!? Damn! Did you see what I just did!?

On the floor; Sean COUGHS, unimpressed.

SEAN
Wow! Yeah! Awesome! Hey, here’s a thought; how about we do the getting the hell out of here part now?

Mercedes, head still hurting, approaches them, cautiously.

MERCEDES
Who are you people? Why are you in my house...?

A beat...

MERCEDES
...And...thanks.

Alisha helps Sean to his feet. Wipes her bloody nose.

They face Mercedes.

ALISHA
I’m Alisha. He’s Sean.

MERCEDES
Mercedes. But I got a feeling you already knew that. You want to tell me what’s going on?
Alisha steps forward.

ALISHA
This is not going to sound sane, no matter how hard we try. There’s a girl, her name is Tonya...

SEAN
She’s the one who told us to find you. She said something about you drawing us a circle or whatever. My neck hurts.

Mercedes ignores Sean; her attention now drawn to Alisha’s clothes.

MERCEDES
(to Alisha)
Are you a...prostitute?

Alisha gives her a hard look.

MERCEDES
(off her look)
No, I’m not judging. It’s just...wow! A whore just saved my life. That type of thing doesn’t happen too often around here.

ALISHA
How about ass-kickings? Do ass-kickings happen often around here?

Mercedes gets her point, backs off.

She looks at Sean. Sees his tattoos.

MERCEDES
(to Sean)
You, Little Hitler, what’s your story?

Before Sean can reply...

ALISHA
We don’t have time, Mercedes. We got to go--

But Mercedes is staring at the

CLOSET MIRROR DOORS--

They all turn to see TONYA’S REFLECTION in the cracked mirrors.

(CONTINUED)
TONYA
It’s time. Come to the hospital.
Find me...before the shadow demon
does!

She VANISHES, leaving nothing but the cracked glass and the
dISTORTED FACES of the others.

Mercedes is shocked.

MERCEDES
Was that...? Did that really just happen?

Alisha and Sean look sheepish. Alisha smiles at her.

ALISHA
Welcome to the club, girlfriend. I
think things are going to get a
whole lot weirder before it’s all
over.

SEAN
Lets get out of here.

Before they do...

Mercedes goes to the unconscious Jamal; on the floor,
ummoving.

MERCEDES
He was going to rape me, wasn’t he?

SEAN (O.S.)
Probably, yeah. He was pretty set
on hurting you. And if we hadn’t
shown up...

MERCEDES
Jamal would have killed me. It was
like I didn’t recognize him. Like
he was--

Alisha is there, she puts a hand on Mercedes shoulder.

ALISHA
Possessed...?

MERCEDES
Yeah...I don’t know if I could even
say that word out loud. None of
this makes any sense to me.
Mercedes strips a blanket from her parents' bed and covers Jamal with it, tears on her face.

MERCEDES
So do we call the cops on him or what?

ALISHA
No need. Whatever was possessing him is long gone now. He’ll wake up with one hell of a headache, but he’ll be cool.

MERCEDES
Will he remember what he almost did to me? To us...?

ALISHA
No, sweetie.

MERCEDES
Good...and I appreciate you not killing him.

ALISHA
I don’t think that was me. But don’t trip, girlfriend.

MERCEDES
Jamal mentioned a man in a blood-red suit. That mean anything to you two?

ALISHA
Yeah, I’ve seen Mr. Blood-Red Suit, too.

SEAN
Same here. But I figured he was a pimp at first. Then I remembered how much you people like to dress.

The girls look at him..."You People"?

ALISHA
This whole, "God choosing us for a higher purpose thing" is not having any kind of impact on you whatsoever is it, white boy?

SEAN
Hey, Chequita, I’m just telling the truth--
CONTINUED:

ALISHA
It’s *Alisha*! OK, Eminem, Get it right.

SEAN
Hey, don’t get mad at the truth.

MERCEDES
The truth, huh? You mean like how white boys aren’t packing?

The girls trade a smile, they HIGH-FIVE.

Sean nods...they got him.

SEAN
(to Mercedes)
That’s pretty funny coming from a half-breed.

ALISHA
Come on, we got to go.

As they head out...

SEAN (O.S.)
By the way, are we getting paid for this...?

EXT. CHICAGO - NIGHT

ALL OVER THE CITY; the world is overflowing with weird BIBLICAL DISASTERS that shake the city to it’s foundation, people RUN, SCREAMING for their lives.

It could be the end of the world...

IN AN APARTMENT--

a YOUNG MOTHER enters her

BABY’S CRIB--

and finds the floor SWARMING WITH FAT SEWER RATS; she grabs her baby and FLEES in terror.

IN A BARBECUE JOINT--

a COOK is cleaning chicken wings in the sink; he turns on the faucet and LEAPS BACK, horrified...BLOOD COMES OUT OF THE FAUCET.

ON THE DAN RYAN EXPRESSWAY--

The expressway is congested just as...

AN EARTHQUAKE HITS; the ground CRACKS and SPLITS OPEN, vehicles are swallowed up.

ON THE L TRAIN TRACKS--

The RED LINE TRAIN is obliterated by a massive FIREBALL from the dark sky, everybody is killed.

EXT. STOREFRONT CHURCH, CHICAGO - NIGHT

Same church as before; devastation all around it, fires, EARTHQUAKES, people SCATTERING for their lives.

AARON’S CAR PULLS UP--

Aaron hops out, horrified at what he sees; the near destruction of his neighborhood.

AARON
And so it begins...

He runs up to the church doors, scrambling to unlock them.

He does, starts USHERING PEOPLE INSIDE. They move with urgency; men, women and kids...

In the distance...A TITANIC BUZZING.

Aaron stops, looks out over the buildings...his eyes widen in fear, he begins SHOVING the people through the church doors.

AARON
GET INSIDE! GO! HURRY!

UP AND OVER THE BUILDINGS; here they come...A MASSIVE BLACK CLOUD OF WASPS.

IN THE CHURCH--

Aaron gets everyone inside, SLAMS the doors and locks them.

OUTSIDE--

The cloud of wasps ENGULFS THE ENTIRE STREET; those left outside are ATTACKED and STUNG mercilessly.

INT. VIP ROOM, STRIP CLUB - NIGHT

A STRIPPER, 30’S, gives an UNSEEN MAN a lap dance; she STRADDLES his lap.

HE STARES AT HER, seeing her perfect body, her lips, her eyes...

STRIPPER
What’s your name, baby?

UNSEEN MAN (O.S.)
You can call me Legion.

She GRINDS on him, amused.

STRIPPER
"Legion"? That’s a weird name. What does it mean?

HIS HANDS RUB HER BREASTS...he LAUGHS, a cold sound.

LEGION (O.S.)
It’s biblical. It means..."Fore we are many"

She LAUGHS, amused, turned on.

STRIPPER
What else can I do for you, Legion?

A beat...she stares at him; waiting, nervous.

HIS HANDS MOVE TO HER NECK...starts to SQUEEZE.

LEGION (O.S.)
(inhuman)
You can give us your soul, whore!

The stripper GAGS, Legion CHOKES her.

BEHIND THEM...a LIGHT appears; in the light is a FIGURE.

(CONTINUED)
FIGURE
Release her, demon!

Legion releases the stripper. She BOLTS in terror.

The light dims, revealing the figure to be...Tonya; still a phantom, face serious, eyes GLOWING.

LEGION
Prophet of the Most High. What have you to do with us? I hope for your sake you are not here for blood.

Tonya approaches him, hand raised.

TONYA
Be thankful I’m not here for you, Legion. At least...not yet. But trust me, when I come for you, you will know it, demon. Now sleep...

Legion/Unseen Man instantly drops to the floor, lights out.

BLACK.

IN THE BLACK...

TONYA (O.S.)
Christian, I know you can hear me. I want you to listen carefully to what I have to tell you. The Circle is not complete...

"THE PROPHET"

INT. DELIVERY ROOM, HOSPITAL - NIGHT - LATER

On the delivery table; Cathy SCREAMS as labor pains hit her.

She PUSHES...and PUSHES...until...

THE BABY IS BORN--

The doctor pulls out a hideous MONSTER INFANT; covered in scales, fingers TIPPED WITH TALONS.

The demon child SHRIEKS, causing equipment to explode, the ground to TREMBLE, and everybody’s nose to GUSH blood.

The doctor holds the ghastly thing, horrified.

(CONTINUED)
DOCTOR
Mother of God in heaven...

CATHY (O.S.)
Give him to me...give me my baby!

The doctor hands her the creature and STAGGERS back, looks to the side and VOMITS ON A NURSE.

Cathy CRADLES the horrible infant. She SNUGGLES it.

Then it happens...

THE INFANTS EYES OPEN; it touches Cathy’s face and SHOOTS ELECTRICITY INTO HER EYES.

Cathy SCREAMS as her body is DRAINED like a vampire.

As Cathy’s lifeforce drains away, the infant grows more and more human looking.

The hospital staff is too shocked to move...

Then...

THE DOUBLE DOORS BURST OPEN--

Hasheem and a few Angels of the Sentinel enter.

Hasheem smiles at the doctor, a deadly smile.

HASHEEM
(to his men)
Execute them...all of them.

OUTSIDE THE DELIVERY ROOM DOORS--

SILENCED GUNFIRE. The doctor and nurses are gunned down.

INT. CORRIDOR, HOSPITAL - NIGHT - SAME

The Inner Circle arrive, in a hurry. They stop, looking around.

SEAN
So what now?

ALISHA
We find Tonya and hopefully stop The Rising.

INT. DELIVERY ROOM - SAME

(CONTINUED)
Hasheem takes the demon baby from Cathy’s arms; she looks like a starved ninety-year-old woman, frail, drained, sleeping.

THE DEMON BABY--

cries, eyes BURNING RED, face slowly turning back human.

HASHEEM
(to baby)
Hello, old man. Been a long time.

Hasheem wraps the terrible child in a blanket, hands it to one of the HENCHMEN:

HASHEEM
Get him out of here. They’re close.

HENCHMAN
What about you, sir?

As he exits through the doors...

HASHEEM (O.S.)
Someone I need to see.

EXT. CORRIDOR, HOSPITAL - CONTINUOUS

Hasheem slips inside a room.

Just as...

MERCEDES--

rounds the corner, followed close behind by Alisha and Sean, they just miss Hasheem.

The Inner Circle approach the

DELIVERY ROOM DOUBLE DOORS--

Mercedes reaches out and touches them...

Sean WHISPERS to Alisha:

SEAN
You want to tell me what she’s doing? I thought we had to find this Tiffany broad...?

ALISHA
"Tonya"...her name is Tonya. And it looks like our girl Mercedes just

ALISHA (cont’d)
got a nine-one-one from the Man upstairs. So shut up and watch.

Under his breath:

SEAN
I better get paid for all this, I know that much...

Mercedes BREAKS DOWN at the double doors; she CRIES, collapses to the floor.

Alisha helps her.

ALISHA
Mercedes...?

MERCEDES
We’re too late...they’re all dead, Alisha!

ALISHA
I know, girlfriend. Come on lets find Tonya.

They help Mercedes to her feet and walk away.

INT. ANOTHER ROOM, HOSPITAL - SAME

Hasheem enters, strolls casually to the bedside of TONYA--

Comatose, hardly recognizable; her face is burned, twisted and scarred.

Hasheem stands over her, face shadowed, dark glasses.

HASHEEM
And here you are, little prophet.
We’ll meet soon enough. When we do, I will kill you. But not quick...

He leans forward, WHISPERS:

HASHEEM
...I’ll make you suffer first.

He lifts a pillow from behind Tonya’s head, holds it near her face...looks like he is about to do the unthinkable.

Then...tucks it behind her head instead, to comfort her.

(CONTINUED)
He kisses her forehead, her lips.

Tonya MOANS in her sleep, feverish from his touch.

HASHEEM
Sleep well, Prophet. I just wanted
to say hi. And I look forward to
seeing you again.

He writes on the wall above her bed; using one finger, no
words visible yet, like a man drawing an invisible picture.

Hasheem exits.

OUTSIDE TONYA’S ROOM--
The man in the blood-red suit strolls off.
Just as...

THE INNER CIRCLE--
Comes RUSHING down the hall and stop right outside Tonya’s
room. They never see Hasheem.

Alisha gives them a serious look.

ALISHA
OK, this is it. Ready?

MERCEDES
Yeah...

SEAN
Hell no. But lets do it anyway.

They slip inside the room.

Just as a NURSE comes RUNNING into the hallway, hysterical.

NURSE
OH MY GOD! HELP! CALL SECURITY!
SOME PEOPLE HAVE BEEN SHOT IN THE
DELIVERY ROOM!

IN TONYA’S ROOM--
The Circle approaches Tonya’s bed; not looking at her, all
eyes are on the wall above her...

ON THE WALL; Hasheem’s message has appeared, it says, "Turn
away now this is your last chance".

They turn their attention to Tonya; still comatose.

(CONTINUED)
They all surround her bed.

MERCEDES
What happened to her? I mean, look at her face.

ALISHA
Train wreck. I think she was the only survivor.

SEAN
OK, we’re here. What do we do now?

CHRISTIAN (O.S.)
Now we go and look for her.

They all look around to see

CHRISTIAN--

Not the bum from earlier, he has cleaned himself up; wearing all black, trimmed, dark and handsome.

He goes to Tonya’s bedside, looks at the others.

CHRISTIAN
Now The Circle is complete.

ALISHA
Who’re you?

CHRISTIAN
Christian.

MERCEDES
You said we go and look for her?

CHRISTIAN
That’s right.

SEAN
How?

Christian’s hazel eyes go to Tonya.

CHRISTIAN
She’ll show us. Join hands.

MERCEDES
What for?

Alisha smiles, she figures it out.
ALISHA
To make a circle.

They link up, eyes closed, hands joined, forming a circle around Tonya’s bed.

A beat...

Finally, when nothing happens...

SEAN
So...do we need to start singing Old Negro Spirituals or what?

THE ROOM DOOR OPENS--

A WOMAN enters; frantic, hysterical, late 40’s, an older version of Tonya, IRENE ANDERSON...Tonya’s mother.

The Circle breaks, scared they have been caught. The woman makes a beeline for Tonya, not stopping.

IRENE
Oh, Jesus! Oh, T.T., I’m so sorry baby! They just called me at work...

Irene heads straight for Mercedes...about to run right into her.

Mercedes visibly BRACES FOR IMPACT.

When...IRENE WALKS RIGHT THROUGH HER BODY, like a ghost.

Irene takes Tonya’s hand and kisses it, tears on her face.

Mercedes, like the others, is beyond shocked.

MERCEDES
OK, that just freaked me out!

ALISHA
Are we...dead? Cause this would be like the second or third time I’ve asked that today.

They step away from the bed; Sean is ecstatic, he literally JUMPS THROUGH solid objects...a kid at Disney World.

SEAN
YO! THIS IS TOO AWESOME!

As Sean goes around the room like a giddy kid, the others talk seriously.

(continuing)
MERCEDES
Christian, do you know what happened?

CHRISTIAN
I told you she would show us.

ALISHA
Are you saying Tonya did this to us?

CHRISTIAN
That’s what I’m saying.

Sean is near the window; he STUMBLES and nearly FALLS THROUGH THE WINDOW...and four stories down.

At the last second...CHRISTIAN SNATCHES HIM BACK INSIDE.

CHRISTIAN
(to Sean)
Please don’t do that.

The girls stand across the room, near Tonya and her CRYING mother.

Mercedes reaches out and tries to touch Irene...her hand PASSES DIRECTLY THROUGH IRENE’S HEAD.

Alisha kneels next to Irene, listens to her speaking to Tonya.

IRENE
Forgive me, baby. I’m so sorry...

ALISHA
(to Circle)
I think this is Tonya’s mama.

CHRISTIAN
Listen everybody, we’re not ghosts, OK? Let’s get that straight. Tonya brought us here.

SEAN
Where is here?

CHRISTIAN
The world between worlds. We have to find her. I think she might be in trouble.

(CONTINUED)
ALISHA
She is...she’s in danger. I can feel it.

CHRISTIAN
Come on let’s go...

They exit, leaving Irene CRYING at Tonya’s bedside.

EXT. TONYA’S ROOM - CONTINUOUS
The Circle steps outside the hospital room door and onto an L-TRAIN STATION PLATFORM - NIGHT - CONTINUOUS

Typical L-Train platform; abandoned, dark, eerie.

A GRIMY L-TRAIN is parked in the station, doors shut, windows dark, silent.

All are stunned. Sean approaches a TRAIN ROUTE MAP; he studies it, shakes his head.

SEAN
You got to be kidding me.

The others join him at the map.

The final destination on the map says...hell.

ALISHA
Where are we?

CHRISTIAN
Your guess would be as good as mine, sweet heart.

Something else catches Mercedes’ attention.

MERCEDES
Maybe we should ask him...

Everyone looks up and sees, at the other end of the platform; a FAMILIAR MAN, wearing a cheap brown suit, spectacles...it’s Graham Pearson...

Graham carries a bible under one arm; in his other hand is a leather carry case.

CHRISTIAN
Deacon Pearson...?

They all look at him.

(CONTINUED)
SEAN
You know him, Christian?

CHRISTIAN
I know of him. Come on.

As they head towards Graham:

P.A. ANNOUNCER (O.S.)
Doors opening. This is the Red Line Train to hell. Those going to hell should board this train. This announcement will repeat...

Before The Circle can reach Graham, the L-Train doors SLIDE OPEN, Graham steps on the train.

Everyone panics...

ALISHA
He’s getting on! What do we do!?

CHRISTIAN
We get on and take it to wherever it goes.

SEAN
Hey, I know where it goes! It goes to hell! I’m not getting on that thing! Lets just say I got a thing about BURNING FOR ETERNITY!

MERCEDES
Cool...stay here.

Alisha, Mercedes and Christian step onto the first car of the train, following Graham.

Sean is left on the platform, he looks around; creepy station, alone...SCREW THIS!

At the last second, Sean JUMPS through the sliding doors.

The L-Train pulls away from the station.

INT. L-TRAIN, MOVING - CONTINUOUS

The only soul on the first car, other than The Circle and Graham is...Tonya; in a seat, sleeping.

Alisha sits next to her, the others keep an eye on Graham.

Alisha visibly doesn’t know what she should do. She looks up at the others.

(CONTINUED)
ALISHA
It’s Tonya. What should I do?

SEAN
You kidding me!? Wake her ass up
and ask her why the hell she
brought us here!?

Mercedes ELBOWS him, "Idiot!"

CHRISTIAN
No, Sean’s right, try waking her
up, Alisha.

Alisha instantly hates that idea.

ALISHA
You mean...touch her?

CHRISTIAN
No, I mean wait for her alarm clock
to go off! Yes, touch her, Alisha.

Alisha reaches to touch Tonya’s shoulder, her hand TREMBLES.

The others wait in suspense.

Before Alisha’s hand can even make contact:

GRAHAM (O.S.)
You’re wasting your time. It won’t
work. The Prophet is in La-La Land.

They all turn to Graham; he is kneeling at a control panel
outside the train operators door.

SEAN
(to Graham)
What’s a prophet?

They ignore Sean, Graham places a BOMB in the operators
control panel; nobody moves, they are frozen, eyes on the
bomb.

MERCEDES
(to Graham)
What are you doing!?

Graham rises, turns to them, gives them a sad smile.

GRAHAM
I’m sorry. I had to do this for
Cathy. She was sick, dying. It was
the only way they would save her.
ALISHA
Who is they, sir?

Christian steps up, face grim.

CHRISTIAN
He means The Angels of the Sentinel...

OUTSIDE--

The train pulls into Kedzie Street station. The doors slide open. Graham steps off, before the doors CLOSE on him:

GRAHAM
When you find her, tell her I’m sorry. Tell Aaron to take care of my Cathy--

THE DOORS SHUT on his words; the train pulls away, Graham fades away into the distant darkness.

IN THE TRAIN--

The Circle SCRAMBLES to get the bomb. Everybody is frantic as hell.

MERCEDES
It’s going to go off!

ALISHA
How do we get off this train!?

Sean PRIES OFF the control panel, reaches inside to retrieve the bomb when...

BOOM! It goes off.

A FLASH OF WHITE...then silence.

INT. DELIVERY ROOM, HOSPITAL - NIGHT

Same delivery room from the teaser; dirty floors, grimy walls, a nightmarish delivery room in hell.

The Circle appears in a BURST OF LIGHT; they stand around, all disoriented.

Before anyone can say a word:

TONYA (O.S.)
NO-O-O! GET OFF OF ME!

They all turn to see, across the room...
TONYA--

on the floor, flat on her back, being attacked by a SHADOW DEMON; a smoky human shape, BURNING RED EYES, frightening.

Tonya STRUGGLES with the shadow demon as it tries to SUCK THE LIFE FORCE OUT OF HER MOUTH.

Everybody reacts instantly; they BUMRUSH the shadow demon.

Alisha is there first, she SCREAMS a battle cry.

ALISHA
No, get away from her!

The shadow demon rises to face them all head-on.

Alisha comes at him first; the shadow demon does a MID-AIR KICK which catches Alisha square in the face, LIFTING HER off the ground and DROPPING HER flat on her back.

SHADOW DEMON
The whore’s down!

The shadow demon faces the others, ready for more.

SHADOW DEMON
Who’s next!?

They don’t waste a second, Sean LUNGES at the shadow demon, SWINGING WILD FISTS; the demon DUCKS and BLOCKS his throws easy...LAUGHS at Sean.

SHADOW DEMON
Racist...is that the best you can do, boy!?

The shadow demon gives Sean a SIDE KICK straight to the stomach. Sean falls to his knees, on all fours GASPING for air.

SHADOW DEMON
(t to Sean)
Hanging with niggers, Sean!? What must your mommy think!?

Sean opens his eyes, looks up and sees the shadow demon standing there.

SEAN
Kiss my natural white--

Crack! The shadow demon KNEES him in the face, KNOCKING Sean into the air and on his back.

(continues)
The shadow demon WHIRLS to meet...

as she BULL-CHARGES, she SHRIEKS a battle cry...

...And is violently THROWN into a corner of the room. She braces herself against the walls, very PUNCHY. The shadow demon steps in front of her.

**SHADOW DEMON**

*Rich Bitch, still making yourself puke after you eat?*

**MERCEDES**

Go to hell!

**SHADOW DEMON**

*I have something very special in mind just for you, Mercedes...*

ACROSS THE ROOM; Christian is trying to wake up an unconscious Tonya. He gently slaps her face.

**CHRISTIAN**

Come on, girl. Get up. We need The Prophet right now.

TONYA’S EYES OPEN, they are the deadly hazel color of...

**THE PROPHET**--

She looks up at Christian, fury on her face.

**PROPHET**

*Get your hands off me!*

WHOOSH! Instantly Christian is THROWN ACROSS THE ROOM.

The Prophet rises.

The shadow demon turns to face her, ROARS at her.

**SHADOW DEMON**

*Now things are about to get interesting!*

The Prophet walks towards the shadow demon, taking her time.

The tension builds, an apocalyptic battle could be on the horizon. The shadow demon SNARLS at The Prophet.

(Continued)
SHADOW DEMON

*Give me your best shot, Prophet!*

She points a dismissive finger at the shadow demon...

PROPHET

*Demon...leave.*

The shadow demon SCREAMS and vanishes in a FLASH OF LIGHT AND SMOKE...very anti-climatic.

The Prophet turns and sees The Inner Circle; she marks each one with her eyes.

Alisha and Sean; as they help each other off the floor.

Christian, on his feet rubbing the back of his head.

Mercedes, in the corner, still disoriented.

PROPHET

(to all)

*All of you deserve to be cast into the pit until the judgment for your pathetic transgressions.*

Christian steps forward, a little fearful.

CHRISTIAN

Tonya...?

The Prophet’s eyes GLOW with fury at him.

PROPHET

(to Christian)

*You especially.*

Alisha and Sean appear at Christian’s side.

ALISHA

We came here to help you, Tonya.

SEAN

Yeah...I mean seriously, where’s the love, girl?

Mercedes joins The Circle, revelation in her eyes.

MERCEDES

That’s not Tonya...
CHRISTIAN
She’s right...this is The Prophet.

PROPHET
*Your “Tonya” is weak in her spirit.*
Same as all of you. You should be *sheep of Christ, instead you’re whores to your own diseased flesh.*

Christian moves closer to her, he steps cautiously, hands raised in surrender...and respect.

CHRISTIAN
Wait a minute, you called us to help you, remember? We didn’t ask for this, Prophet.

PROPHET
*But now, after that ye have known God, or rather are known of God, how turn ye again to the weak and beggarly elements, whereunto ye desire again to be in bondage.*

CHRISTIAN
What about forgiveness, Prophet?

The Prophet turns to leave, then hesitates.

CHRISTIAN
Graham asked for your forgiveness.

PROPHET
*Be careful speaking of things you don’t understand, fallen.*

The Prophet turns and VANISHES IN A BURST OF LIGHT.

The others approach Christian.

SEAN
What the hell did that mean? And what’s a ’fallen’?

CHRISTIAN
She quoted scripture, Galatians; four, nine.

MERCEDES
Well, what does it mean, Christian?

(CONTINUED)
SEAN
Yeah, and what did she mean when she said ‘you especially’?

Silence from Christian, until...

THE WORLD WHITES OUT.

END OF ACT FOUR

TAG

EXT. STOREFRONT CHURCH, CITY STREET - MORNING

It is the next day; the city is damaged, but the biblical disasters have ended. Dead wasps litter the street.

THE CHURCH DOORS OPENS--

people exit, shaken, nervous, they look like P.O.W’s.

INT. STOREFRONT CHURCH - SAME

Aaron ushers the people outside, he looks disheveled and exhausted, but relieved.

People herd past him and exit the church into the sunny morning.

AARON
Take your time, people. It’s over, your safe, I promise.

A FIGURE appears out of the shadows behind him.

FIGURE
Still playing pastor, huh, Aaron?

The last of the P.O.W’s exits, leaving Aaron alone with the mysterious figure.

Aaron doesn’t turn to face the figure.

AARON
What do you want? You’re not welcomed here.

The figure LAUGHS, steps into the morning light, revealing itself to be...

HASHEEM--

He comes up behind Aaron, wraps his arms around the young pastors shoulders, grins and WHISPERS in Aaron’s ear:

(CONTINUED)
HASHEEM
All are welcomed in the house of
the Lord your God, Aaron.

Aaron BREAKS FREE of Hasheem’s grip.

AARON
Don’t touch me, Hasheem. Just tell
me why you’re here.

HASHEEM
Wanted to see you...and to give you
a message.

AARON
I’m listening.

HASHEEM
The Prophet’s going to lose. And if
you side with her, it won’t matter
that you’re my brother, The Angels
of the Sentinel will crucify you
right beside her.

A beat...Aaron lets his words sink in.

AARON
Get out. Now.

HASHEEM
You should consider joining
us...again. You can always come
back, kid.

AARON
The next time I see you, Hasheem, I
won’t hesitate. Brother or no
brother...I’ll kill you.

As he walks away...

HASHEEM
Can’t play pastor forever, kid.
Eventually your dark secrets will
come out. And when they do...I plan
to be there.

EXT. CHURCH - MOMENTS LATER

Aaron steps out onto the front stoop. An ELDERLY WOMAN
stands there as well. She turns to Aaron.

(CONTINUED)
ELDERLY WOMAN
Is it over, pastor?

Before Aaron answers; Alisha’s car pulls up in front of the church, all four of The Inner Circle members get out.

Aaron looks at them...they look back.

AARON (O.S.)
No...this is just getting started...

INT. TONYA’S ROOM, HOSPITAL - DAY

Tonya is on the bed, face still horribly scarred and burned, she TOSSES and TURNS in her sleep, on the verge of waking up.

AARON (O.S.)
...This is just the beginning...

Miraculously, her SCARS DISAPPEAR without a trace.

AARON (O.S.)
...This...

Without warning...TONYA’S EYES OPEN...she has woken up.

AARON (O.S.)
...Is Genesis...

BLACK OUT.
